Strategy for Addressing Housing Needs. Provide a brief description of the PHA’s strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. **Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.**

NEED: Shortage of affordable housing for all eligible populations.

Strategy # 1 –Increase the number of affordable housing units by:

1. Pursue housing resources other than Public Housing or Section 8 tenant-based assistance such as the Low Income Tax Credit and HOME Programs
2. Request for additional new Section 8 Housing Choice Vouchers should additional funds become available

STRATEGY: Maximize the number of affordable units available to the PHA within its current resources by:

1. Employ effective maintenance and management policies to reduce turnover time for vacated public housing units
2. Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
3. Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
4. Maintain or increase section 8 lease-up rate by marketing the program to owners

REASONS FOR SELECTING STRATEGIES

1. Funding constraints
2. Staffing constraints
3. Limited availability of sites for assisted housing
4. Extent to which particular housing needs are met by other organizations in the community
5. Influence of the housing market on PHA programs
6. Results of consultation with local or state government

9.1

Additional Information. Describe the following, as well as any additional information HUD has requested.

6. Aberdeen Housing Authority continues its outreach efforts by guest speaking at organizational meetings and conducting landlord informational meetings to educate them on AHA’s programs.

(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA’s definition of “significant amendment” and “substantial deviation/modification”

2. Significant Amendment or Modification to the Annual Plan is one that will most likely result in a major effect upon the intent, purpose, or interpretation of the agency plan or other policy.
