Ensure equal opportunity and affirmatively further fair housing by continuing affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion, national origin, sex, familial status, and disability. Ensure VAWA concepts are adhered to by GHA and Property Owners by trainings and inclusion of VAWA requirements in Property Owner Briefing Packets. Improve availability of HCV services to those covered by the VAWA by communication and interagency agreements with local family violence organizations such as Women In Need.																										
6.0	PHA Plan Update (a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission: There have been no revisions by the PHA since our last Annual Plan submission. (b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. For a complete list of PHA Plan elements, see Section 6.0 of the instructions. The public may obtain copies of the 5-Year and Annual PHA Plan including all thirteen (13) Plan Elements at the Greenville Housing Authority Administrative offices located at 4417 Oneal, Greenville, Texas 75401																										

7.0	<p>Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers. <i>Include statements related to these programs as applicable.</i></p> <p>The Greenville Housing Authority will continue seeking funds to enlarge technical staff in order to demonstrate it has the relevant experience to administer a Homeownership Program.</p> <p>The Greenville Housing Authority does not plan to have eligibility criteria for participation in its Section 8 Homeownership Program in addition to HUD criteria.</p>
8.0	<p>Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable.</p>
8.1	<p>Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i>, form HUD-50075.1, for each current and open CFP grant and CFFP financing.</p>
8.2	<p>Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i>, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan.</p>
8.3	<p>Capital Fund Financing Program (CFFP). <input type="checkbox"/> Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.</p>
9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>Based on the information available from the State of Texas Consolidated Plan that agree with HUD provided information the GHA current Waiting List agrees with the basic needs of our service area. Of the 1112 families waiting for assistance, 113 or 10% are elderly; 101 or 9% are disabled; and 898 or 81% are families. All families are identified as extremely low-income. Of the 1112 families in need 73 or 7% are Hispanic. A breakdown of races proves 606 or 54% to be white; 496 or 45% to be black; 7 or 1% to be Indian/Alaskan; 2 or 0% to be Asian; and 1 or 0% to be Pacific Islander.</p> <p>Our study revealed the greatest housing needs were for one (1) bedroom units. There are several new or nearly new apartment complexes in our jurisdiction built and operated under the Low Income Tax Credit Program. These tend to be the least affordable in our communities but do provide a high quality of housing. They also have a low concentration of one (1) bedroom units. Currently there are many new landlords wanting to contract with our Section 8 HCV Program. Overall the supply of adequate housing stock meets the needs of our low-income, very low-income and extremely low-income families with the assistance of Section 8 HCV for the extremely low-income.</p>

9.1	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</p> <p>Greenville Housing Authority's Strategy for addressing the housing needs of families in our jurisdiction and Waiting List.</p> <ol style="list-style-type: none"> 1. Maximize the number of affordable units available to the GHA within our current resources by maintaining or increasing our Section 8 lease-up rates by marketing the program to new owners, particularly those outside of areas of minority and poverty concentration. 2. Increase the number of affordable housing units by applying for additional Section 8 units should they become available. 3. Continue to target available assistance to families at or below 30/50% of AMI by providing outreach and coordination with other Health and Human Service Agencies. 4. Target available assistance to the elderly/disabled by applying for special-purpose vouchers targeted to the elderly or disability, should they become available and affirmatively marketing to local non-profit agencies that assist families that are elderly or disabled. 5. Increase awareness of GHA resources among families of races and ethnicities with disproportionate needs by outreach activities to Health and Human Service Agencies. 6. Conduct activities to affirmatively further fair housing by counseling Section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units as well as marketing our HCV program to owners outside of areas of poverty/minority concentrations.
