9.1 Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.

### I. Strategy for Addressing Housing Needs

#### Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

- Maintain or increase Section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase Section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase Section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies

### Strategy 2: Increase the number of affordable housing units by:

- Apply for additional Section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed finance housing
- Pursue housing resources other than Section 8 tenant-based assistance.

#### Strategy 3: Target available assistance to families at or below 30 % of AMI

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based Section 8 assistance
- Adopt rent policies to support and encourage work

#### Strategy 4: Target available assistance to families at or below 50% of AMI

• Adopt rent policies to support and encourage work

#### **Strategy 5: Target available assistance to the elderly:**

- Apply for special-purpose vouchers targeted to the elderly, should they become available
- Designate admission date for elderly families

#### Strategy 6: Target available assistance to Families with Disabilities:

- Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- Affirmatively market to local non-profit agencies that assist families with disabilities
- Designate admission date for persons and families with disabilities

# Strategy 7: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Affirmatively market to races/ethnicities shown to have disproportionate housing needs

#### **Strategy 8: Conduct activities to affirmatively further fair housing**

- Counsel Section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the Section 8 program to owners outside of areas of poverty /minority concentrations

#### II <u>Reasons for Selecting Strategies</u>

- Funding constraints
- Limited availability of sites for assisted housing
- Extent to which particular housing needs are met by other organizations in the community
- Evidence of housing needs as demonstrated in the Consolidated Plan and other information available to the PHA
- Influence of the housing market on PHA programs
- Community priorities regarding housing assistance
- Results of consultation with local or state government
- Results of consultation with residents and the Resident Advisory Board
- Results of consultation with advocacy groups

#### **10.0** Additional Information. Describe the following, as well as any additional information HUD has requested.

(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.

Dallas County will promote affordable quality housing through a comprehensive multiple programs approach involving community input, outreach, education, assessment, counseling, referrals, financial assistance and the enforcement of regulations and standards. In doing so, the Dallas County Housing Agency (DCHA) Administrative Plan and its policy and procedures will be made available for community input. DCHA will educate the landlords to achieve their goal while providing housing opportunities to low income families. DCHA has a website to bring awareness to the public on the Housing Choice Voucher program. DCHA provide assessment counseling and referral to help our tenant to become homeowners and self-sufficient. Through the Dallas County Health and Human Services comprehensive supportive services, DCHA provides short-term assistance with food, utilities, and transportation. DCHA takes advantage in the new and existing rules and regulation to better serve our clients to improve their quality of life.
