| | Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers. <i>Include statements related to these programs as applicable.</i> |
| 7.0 | The PCHA intends to file an application to HUD under 24CFR Part 970 in 2010 requesting approval to dispose of 140 units of family Public Housing. Under this application, six single family detached homes will be sold to the public and 134 units will be sold to the PCHA's affiliate non-profit corporation, Provo Nonprofit Housing Development Corporation. The 134 units will continue to benefit very low income households through the use of Project Based Housing Choice Vouchers. Proceeds from the disposition will allow the PCHA to initiate new development to increase the supply of affordable housing in Provo. |
| 8.0 | Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable. |
| 8.1 | Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i> , form HUD-50075.1, for each current and open CFP grant and CFFP financing. |
| 8.2 | Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i> , form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan. |
| 8.3 | Capital Fund Financing Program (CFFP). <input type="checkbox"/> Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements. |
| 9.0 | Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location. In the City of Provo, family, elderly and disabled households of low, very low and extremely low income need decent, safe and affordable housing; housing that insures equal opportunities for its residents; housing that is accessible for the disabled; and housing that meets HUD's Fair Housing standards. Currently, the Provo City Housing Authority's (PCHA) waiting list has 3,099 households. The average wait time for qualified applicants to receive housing is 15 months. An income analysis reveals that out of these 3,099 households, 89% are extremely low income, 10% are very low income, and 1% are low income. The PCHA will provide housing that meets these needs through programs including: Public Housing, Section 8 Housing Choice Vouchers, Supportive Housing, Permanent Housing, and Shelter Plus Care. Of all the demonstrated demand, the greatest need seems to be for small family units. Additionally, we anticipate that the demand for senior units will greatly increase in the next five years as members of the "baby boomer" generation reach retirement age. |

| | |
|-----|---|
| | Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan. |
| 9.1 | For FY 2010-2011, the strategy for addressing housing needs consist of initiating a planning process for addressing long term need. First, without additional immediate and sizeable HUD allocations of Section 8 Housing Choice Vouchers, very little can be done within the year to increase our level of service. However, the PCHA has recently acquired two sites with the balance of our non-federal resource that have potential for future development. In addition, the PCHA will file an application with the HUD Special Applications Center (SAC) for the disposition of Public Housing and an allocation of Section 8 Housing Choice Vouchers. As any disposition of Public Housing will involve the sale of our units to our nonprofit affiliate organization, proceeds of such a sale will be used to leverage future affordable housing developments. The units sold to the nonprofit organization will continue to benefit very low income households through the use of Housing Choice Vouchers. As with most complex development projects, it is estimated that it will take between two and three years of planning to complete new projects. |

Additional Information. Describe the following, as well as any additional information HUD has requested.

(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.

Goal: Manage the Public Housing Program effectively and cost-efficiently, maintaining the PCHA's status as "High Performer".

The PCHA consistently maintained its status of a High Performer, under HUD's PHAS Program. The PCHA has also achieved a High Performer designation under the Section 8 Management Assessment Program in each of the years under this plan.

In the Public Housing Program, the PCHA continued to implement thorough and aggressive tenant screening practices that has resulted in a reduction of criminal and drug evictions. In the past 12 months, criminal and drug evictions have been reduced to two (2), out of a total 248 units in service.

The PCHA continues to work closely with local law enforcement officials to increase security in Public Housing. Weekly coordination meetings are held and we now have a total of six (5) officers residing in our units.

In the Section 8 Program, the PCHA has continued to promote self-sufficiency through our Family Self-Sufficiency Program (FSS). We currently have 80 families participating, bringing the total number of families served under the FSS program to 796 since 1992.

Efforts to promote Home Ownership through the use of the Section 8 Program has been unsuccessful to date, largely due to the high cost of Homeownership in Provo.

Goal: Increase the availability of decent, safe and affordable housing.

Efforts to increase the supply of affordable housing in Provo have been mixed. The PCHA reached full occupancy of its new 31 unit Senior Project, Maeser School, in December 2006, and we continue to experience full occupancy. However, new opportunities to increase the supply of affordable housing since 2007 have been few. The PCHA, through its affiliate non-profit organization, Provo Nonprofit Housing Development Corporation (PNHDC) has acquired two parcels of land in the last 12 months totaling approximately 3.1 acres for future development. The PCHA is looking forward to filing an application to HUD in 2010 for disposition of 140 units of Public Housing. With 134 units to be sold to PNHDC with accompanying Housing Choice Vouchers, the supply of affordable housing in Provo will increase as we use the sale proceeds as equity in new project development. The PCHA is in the process of developing a master plan for the development of approximately 40 one-bedroom apartments at 200 North 500 West for Seniors and developmentally disabled individuals. The PCHA will pursue funding for said development in 2010 and construct the facility in 2011.

Goal: Provide an improved living environment.

The PCHA continued its efforts to deconcentrate poverty by mixing income groups in its Public Housing units and have experienced a reasonable level of results. However, additional resources must be sought for reinvestment in Public Housing to make our units more attractive, energy efficient, and competitive with privately owned housing.

Security in Public Housing has been improved with the leasing of family units to police officers and the installation of security cameras in one of our senior properties.

Goal: Promote self-sufficiency and asset development of families and individuals.

The inclusion of Public Housing in a Self-Sufficiency Program is currently not possible due to lack of funding necessary for the establishment of escrow accounts. However, PCHA staff continues to refer participants to community supportive services to increase independence for the elderly, families, and disabled individuals.

Goal: Ensure Equal Opportunity in Housing for all Americans.

The PCHA continues to take affirmative measures to ensure fair housing and equal opportunity for residents of Provo.

(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"

**PHA Certifications of Compliance with the PHA Plans and Related Regulations:
Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan**

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the x 5-Year and/or x Annual PHA Plan for the PHA fiscal year beginning 2010, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
11. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.

12. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
13. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
14. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
17. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
19. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
20. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.
21. The PHA provides assurance as part of this certification that:
 - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
22. The PHA certifies that it is in compliance with all applicable Federal statutory and regulatory requirements.

VIOLENCE AGAINST WOMEN ACT (VAWA)

The PCHA sent notification of the VAWA act to all Public Housing tenants in 2006. New tenants receive a VAWA pamphlet in their orientation packet.

When a tenant notifies the PCHA of a domestic violence incident, the PCHA will request that the tenant provide the PCHA with documentation within 14 days of the notification. Documentation may consist of a police or court report or statements from other professionals such as victim advocates, physicians, attorneys or other providers. The tenant will be required to provide the name of the abuser if known.

When the PCHA receives a report of domestic violence, the following options may be implemented to assist the victim.

- a. Refer the victim to the local shelter for domestic violence, local victim advocates, or any other social service agency that may provide help;
- b. Remove the abuser from the lease;
- c. Change the locks at the unit;
- d. Transfer the victim to another rental unit
