5.0	5-Year Plan. Complete items 5.1 and 5.2 only at 5-Year Plan update.					
5.1	Mission. State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years: The PHA Mission is to promote and provide affordable, well-maintained housing to eligible families and individuals in an environment that promotes personal safety, independence and a sense of community.					
5.2	Goals and Objectives. Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan. Goals for Years 2010-2015: Identify, prioritize and address housing gaps with practical solutions. Engage and assist policymakers in addressing community housing needs. Create community awareness of housing issues, the housing coalition activities and its impact. Investigate creation of Land Trusts in Monroe County. Progress Relating to goals of the PHA Plan 2005-2009: The goal of creation of a County Housing Coalition has been achieved. The group of persons and organizations collaborate proactively to identify community housing challenges and develop solutions through education, supporting, advocating and mobilization resources. Three sub-committees were created with emphasis on 1) Emergency Shelter, 2) Existing and New Construction, and 3) Education. Percentage of employed persons receiving rental assistance increased to 99% of the non-elderly and challenged individuals. Cooperative endeavours with Los Amigos De La Comunidad established the Lugar de Reunion to better serve Latino families, thus furthering fair housing objectives. Increased Customer satisfaction, as reflected in fewer internal appeals or grievance procedures. Improved SEMAP score from Standard to Excellent. Retaining 16 units of project based family housing is near completion.					
6.0	PHA Plan Update (a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission: Revisions include retention of the Section 8 Voucher program and education of participants in good rental practices. Since adequate, reasonably priced units are difficult to secure in this county the importance of educating renters is a high priority for retention. (b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. For a complete list of PHA Plan elements, see Section 6.0 of the instructions. The PHA 5-Year and Annual Plans are available to the public at the office of the Monroe County Housing Authority, 1108 West Wisconsin Street, #103, Sparta, WI 54656					
7.0	Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers. Include statements related to these programs as applicable. N/A					

8.0	Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable. N/A
8.1	Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i> , form HUD-50075.1, for each current and open CFP grant and CFFP financing. N/A
8.2	Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i> , form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan. N/A
8.3	Capital Fund Financing Program (CFFP). <input type="checkbox"/> Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements. N/A
9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>The Section 8 Voucher Tenant-based program began accepting applications May 20, 2009. All those on the wait list have been invited to voucher orientations to date. New applicants are now being invited for participation. Utilization of the program poses problems because of the limited existing properties that meet Payment Standards along with Housing Quality Standards. A large number of existing and new participants are receive Housing Assistance Payments above the proposed average for this area. Rents in this rural county are closer to those of the Metropolitan Area of adjoining LaCrosse County. As per questionnaires and surveys conducted by the Monroe County Housing Coalition, landlords state raising difficulty in maintaining existing properties with rising costs of taxes and construction/maintenance supplies. Surveys also revealed the difficulty of families with disabilities securing safe environments. It is the hope to improve the affordable rental housing opportunities by producing an adequate number of affordable rental units including those for large families and persons with disabilities.</p> <p>The number of minorities in this county are very low with the largest being Native Americans. They are served with wonderful opportunities of rental units and home ownership through the Ho-Chunk Housing Authority. There has been a large amount of new construction in the last five years, however, landlords have no problem securing renters able to meet high payments because of the military population of the area. Fort McCoy and Volk Field Air Base greatly influence housing costs in the county. Fort McCoy itself has recently constructed new family units on base. Those of low, very low and extremely low income are unable to compete with the military families who occupy most of the new construction at higher rental rates. Their presence also continue to increase the prevailing rents of existing housing opportunities.</p>
9.1	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</p> <p>The PHA continues to seek rehabilitation funds and seek acquisition of a 16 unit Family Rural Development 515/Project based voucher complex to maintain the units as available for low and very-low income families rather than converting to the open market. The waiting list for those on the Section 8 Voucher program has been reopened and all those waiting for the prior 18 months have received vouchers. It is a goal to sustain enough monies in HAPs to serve all 132 units.</p>

10.0	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA’s progress in meeting the mission and goals described in the 5-Year Plan. Significant progress has been made toward the goals and mission of the 5-Year plan. Those are described in 5.2.</p> <p>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA’s definition of “significant amendment” and “substantial deviation/modification” There has been no significant amendment or deviation/modification. The definition would be major diversion of the course selected and planned by the community.</p> <p>(c) VAWA annual activity report: This PHA has instituted paperwork requirements and orientation information for applicants and participants of VAWA protection and notifications as required. The local domestic abuse provider, Brighter Tomorrows, provides monthly consultations with the PHA and has received education concerning regulations as administered by this PHA.</p>
