ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

- Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:

- We intend to retain the calculation of rent payment at greater of 30% of adjusted monthly income, 10% of monthly income, or shelter rent.
- We are adding excessive travel expense not to exceed \$25.00 per family per week for the purpose of employment, education and training, and we are adding medical insurance premiums for families as deductions to encourage work and self-sufficiency.
- We have retained our existing ceiling rent policy and amount as our flat rents because we feel this assists working families in keeping a lower rent which in turn will encourage employment and self-sufficiency.
- We are phasing in rent for qualified residents that transition from welfare to work according to Section 508 of QHWRA. Therefore, there will be no increase in their rent for the first year and will only increase 50% in the second year, the third year the increase will fully phase in, also encouraging employment and self-sufficiency.
- In the Section 8 Program, as an incentive to aid in self-sufficiency and employment we are not requiring that they report any increases in their income until their next regular re-certification. This should also help them increase their income.

In summary, we are on course to improve the condition of affordable housing in Newberry.

Admissions Policy for De-concentration

Section XI, Subpart C. Tenant Selection and Assignment Plan & IV Special Deduction, Subpart 50 Very Low Income Family

Amended to include the following:

The Housing Authority of The City of Newberry shall endeavor to maintain a Cross-section of income in its public housing communities by de-concentration of families with incomes below 30% of the area median income and make every effort to meet requirements for income mixing. The Housing Authority of The City of Newberry shall continually examine and maintain records that compare relative tenant incomes in each community to ensure de-concentration of poverty. Offers of housing for all new admissions will be made based upon the relative mix of the community’s population.

The Housing Authority may offer incentives to eligible families to locate in certain Housing Authority communities where income mix does not meet the area median income. Additionally, the Housing Authority may utilize the practice of skipping a family’s name on the waiting list as needed to accomplish the necessary income mix when offering a specific unit in a public housing community. Such necessary skipping will be specifically documented in the resident’s file.
