Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget, policies, etc. set forth in the Annual Plan all lead toward the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights:

We have adopted the following local preferences:

- a. Families who work, graduate of an institution of higher learning or is attending on a regular basis and expects to graduate within 6-12 months; working families include applicant households whose head, spouse or sole member is 62 years of age or older or is receiving social security benefits.
- b. Displace applicants, due to no fault of their own
- c. Single applicants that are elderly, disabled or displaced over other single applicants.
- d. All others by date and time of application.

We have maintained an aggressive screening policy for public housing to ensure to the best of

our ability that new admissions will be good neighbors as well as model residents. In our Section 8 program, we screen applicants to the fullest extent allowable while not taking away the ultimate responsibility from the landlord. Our screening practices meet all fair housing requirements.

We have established flat rent for all of our developments

In summary, we are on course to improve the condition of affordable housing in Fort Mill and to make a difference in the lives of those we serve.
