Section 8 Resident Advisory Board (RAB)

MINUTES

Meeting of February 23, 2011

Roll Call – Collection of Signature Forms

Meeting called to order by Cindy Williams, Administrative Analyst at 3:04 P.M.

RAB Members Present: Anoush Dilanian, Joseph Kelley, Margo Kirakosyan, Fernande Mercier, Margaret Movsissian, and Rudolf Simonian

Staff Present: Cindy Williams, Administrative Analyst and Sona Markarian, Customer Service Representative

Sona Markarian translated the meeting from English to the Armenian language.

It was expressed to the board members that their role as a resident advisory board member is very important and appreciative. The board members were thanked for their participation as board members and for their attendance.

Discussion: Section 8 Public Housing Agency Annual Draft Plan 2011-2012

The members were advised that a streamlined version of the Plan would be submitted to the Department of Housing and Urban Development (HUD). The plan did not reflect changes in program policies for the next fiscal year. A copy of the draft plan was made available to those present.

It was also explained that the Agency submitted a Five-Year Plan in 2009; the next 5-Year Plan would be submitted to HUD in three years.

RAB Member Comments:

The members all commented on the good service that is provided by the Glendale Housing Authority. Some stated that they had been participants in other agencies and the level of service cannot compare to the customer service provided by the City of Glendale.

The members were thanked for their comments and it was stated that the City of Glendale strives to provide a high level of customer service to their customers.

RAB Member Comments:

One member inquired about the income limits and what purpose do they serve regarding the program.

The members were advised that income limits are used to determine program eligibility and the limits differ according to family size. The board members were advised that the limits would be made available to them.

RAB Member Comments:

A member inquired when the last time applications had been accepted for the Section 8 program.

The members were advised that it has been ten years since the agency accepted applications. The last open enrollment was in January 2001.

RAB Member Comments:

A couple of the members inquired how family's rents are calculated under the program. The board members felt that their share of rent was too high. One board member elaborated further to state that he was able to find a nice unit in a nice neighborhood in the City of Glendale. It for these reasons he accepts having to pay a higher share of rent.

The members were advised on the formulas used in calculating their rent. It was further explained that the program was initially a certificate program and eventually the program changed to a voucher program, allowing families the flexibility to choose a unit with desired amenities. It was also explained that the program allows participants to have choices in paying a lower rent if they find a unit that has less amenities.

RAB Member Comments:

Several of the members expressed their concern regarding landlords being rude toward their tenants and not wanting to make the necessary repairs in the unit.

The members were advised that necessary repairs should be brought to the attention of the housing authority. The housing authority will conduct special inspections to identify needed repairs in the assisted unit. The members were encouraged to utilize staff to litigate problems they might be having with the property owners.

RAB Member Comments:

One of the members provided suggestions on how to make the program run more efficiently. It was suggested that the Housing Authority provide sensitivity training to property owners and managers; provide a landlord referral service; and disincentives to property owners that collect side payments.

The members were advised that the City has made available Fair Housing meetings to all property owners in the City of Glendale and informational newsletters have been sent to participating property owners. It was also explained that property owners are banned from participating on the program for having a history of non-compliance and violating program rules. The board was advised that to avoid any legal issues the City would not want to engage in providing a landlord referral service.

RAB Member Comments:

One of the members suggested having more meetings with the board.

The members were advised that future meetings could be accommodated in the future.

RAB Member Comments:

One of the members inquired about monetary assistance when having to move from one unit to another.

The members were advised of the Moving Assistance Grant and how that program reimbursed half of the moving costs back to the family. They were encouraged to contact their Housing Advisor for information on the availability of the program.

Announcements

The board members were advised that on Tuesday, April 12 at 2:30 p.m. in the City Council Chambers, the agency would be presenting the Public Housing Agency Annual Plan 2011-12 to the Housing Authority Board for submission approval to the Department of Housing and Urban Development. Everyone was encouraged to attend.

The board members were advised that the two-year term would end this year and were encouraged to respond to the invitational letter that would be going out to all participants at the end of the year.

Questions/Adjournment

The board members were thanked for attending the meeting. The meeting was adjourned at 4:13 P.M.
