RESIDENT ADVISORY BOARD COMMENTS FOR 2011 ANNUAL PLAN

1) I returned Kay Bruens call at 10:46am on 2.22.2011; she stated she had read thru both documents and couldn't think of anything she'd change. She thought both documents seemed fair, and she agreed with both plans.

2) Sandi Michalski called our office at 9:45am on 3.7.2011; she had no questions and thought everything looked good.

3) I returned Michael Cross' call at 3:12pm on 3.9.2011; he had two questions regarding the proposed administrative plan revisions.

- He questioned item 4-13 pertaining to our proposed revision to allow persons w/POA rights to attend an initial eligibility interview in place of an adult from that family. Michael remarked that he agreed that adults should be able to miss that appointment in order to go out and look for jobs. I explained to him that our current policy already allows any adult household member to attend the eligibility interview - we don't require all adults at that meeting.

- He questioned item 11-9 pertaining to our proposed revision to remove the \$400 annual income decrease threshold before we will refigure a client's income and assistance. I explained this policy in detail, that currently if a family doesn't have to report a change (basically anything that lessens their income) but does port it, we require that annual income decrease to amount to at least \$400 before we will refigure their assistance and slightly lower their rent portion. However, I am proposing a revision to delete the \$400 annual income requirement, thereby requiring that ANY income decrease reported by a family does result in refiguring client income and assistance (regardless of the amount of change).

Michael stated he thoroughly read thru both documents and has no problems with the information presented.
