PHA Plan Update

- (a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission:
- (b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. For a complete list of PHA Plan elements, see Section 6.0 of the instructions.

- (a) Since the submission of the 10/11 Annual Plan for the LCHA, we have experienced a revision in the Plan with the Fungibility Funds which allow the LCHA to use the funds as part of a redevelopment project for Booker T. Washington Courts, High School Park Homes and St. Mary Drive. The LCHA will also use Mix Financing and Tax Credits to assist with the reconstruction of these projects. The LCHA has submitted documentation for Demolition/Disposition of Booker T. Washington Courts.

- (b) The Five Year Plan and the Annual Plan and all certifications can be viewed at each Development Office, Lloyd Oaks, LA4-5, 661 Dixy Drive; Golden Arms, LA4-6, 1481 3rd Street; Carver Courts, LA4-4, 1903 Augustus Street; Section 8, 800 Bilbo Street, Suite A, Lake Charles, Louisiana And at the Central Office of the PHA 800 Bilbo Street Suite C, Lake Charles, Louisiana 70601.

- 1) Eligibility, selection and Admissions Policies are on file and can be viewed at the Central Office of the Lake Charles Housing Authority located at 800 Bilbo Street, Suite C, Lake Charles, Louisiana 70601 and at all development site office. The LCHA has addressed those policies in the following manner, which meets all requirements described in the Quality Housing and Work Responsibility Act of 1998.
 - ❖ The LCHA has implemented a Deconcentration Policy to insure that very low income families are not concentrated in specific developments and/or buildings.
 - ❖ The LCHA through the utilization of local preferences will address income targeting
 - ❖ The LCHA through its Selection Admissions and Grievance Policies and Section 8 Administrative Plan has implemented minimum rents and flat ceiling rents.
 - ❖ The LCHA has implemented a Site Based Waiting List on a "first come, first served" basis by time and date considering the ranking of Preference qualifying families.
 - ❖ The LCHA has recently put in place its Site Based Waiting Lists. Each site will maintain its own Waiting List and may transfer to other developments those residents who request a transfer because of a hardship. Applications are being taken at Lloyd Oaks LA4-5, Golden Arms, LA4-6; and Carver Courts, LA4-4 and the Section 8 Office.
- 2) Financial Resources of which the Lake Charles Housing Authority only fund under the Federal program. (HUD)
- 3) Rent Determination for Public Housing are as follows:
 - ❖ 0 bedroom is \$285.00
 - ❖ 1 bedroom is \$287.00
 - ❖ 2 bedroom is \$314.00
 - ❖ 3 bedroom is \$371.00
 - ❖ 4 bedroom is \$400.00
- Section 8 programs rents are acquired through the Fair Market Rents
- 4) Operation and Management the LCHA is governed by a five member board appointed by the City of Lake Charles Mayors office. The attached organizational chart shows LCHA's management structure and organization. The LCHA operates 833 public housing units and administers 1984 Section 8 Housing Choice Vouchers. The Section 8 department also manages a Mod Rehab Program, Disaster Voucher Program, DHAP-Ike Program, and Special Purpose Vouchers for DHAP-Katrina to Voucher and THU to HCV. The LCHA has policies in place that govern agency operations. Policies include: The Public Housing Admissions and Occupancy Policy (ACOP) including a rent policy, pet policy, and community service policy, banning policy, debt repayment policy (EIV reported), and VAWA policy. **A Revision since the last fiscal year Annual Plan is as follows:**
 - ❖ Amend the ACOP Administrative Plan for PH/HCV to include requiring the residents 5 days to report increasing and decreasing income. (*Resolution 5098*)
 - ❖ Amend the Section 8 Administrative Plan to include the required language for the PBV program, Mix Finance/Tax Credit Developments. (*Resolution 5106*)
- 5) The Grievance Procedures will be applicable to all individual grievances as defined in its Grievance Policy, between the residents and the LCHA. The Authority may at its option exclude from the Grievance Procedure or include under the expedited grievance procedure, any grievance concerning a termination of tenancy or eviction that involves drugs, fraud or criminal background. To this extent, the LCHA will insure that not less than forty percent (40%) of all new admissions shall be families whose income at the time of their admission does not exceed thirty percent (30%) of the area's median income. The LCHA does not intend to utilize and or impose any specific income or racial quotas. The LCHA offers incentives for eligible families to occupy units in Developments predominately occupied by families having lower or higher incomes. **No Revision as of last fiscal year Annual Plan update**
- 6) Designated Housing for Elderly and Disabled Families of which the Lake Charles Housing Authority already have designated areas at the following site:
 - ❖ Golden Arms Apartments
- 7) Community Service and Self-Sufficiency of which the Lake Charles Housing Authority plans to enforce more aggressively to assisted families to become economically and socially self-sufficient. The Lake Charles Housing Authority also intend to comply with all requirements
 - ❖ Deconcentration (Income Mixing) Policy: It is the LCHA's policy to ensure that all residents are afforded housing based on their income to ensure that all Developments have mixed income families to achieve this goal. This will also reflex on the crime rate in our PHA community. The LCHA policy is stated as follows: **SELECTION WILL BE BASED ON INCOME TARGETING OF ELIGIBLE FAMILIES** where either higher or lower income families will be selected as required. Occupancy of forty percent (40%) of eight hundred and thirty three (833) total units shall be occupied by families whose income at the time of move-in does not exceed 30% of Calcasieu Parish Median income as determined by HUD. Occupancy of 60% of the 833 total units shall not exceed the area median income. The LCHA will utilize local preferences to ensure that families are housed in conjunction with the published policies. To ensure that these goals are met the LCHA will advertise in all local media utilizing KPLC TV as well as all local radio stations and the Lake Charles American Press.

ii. Executive Summary of the Annual PHA Plan.

The Lake Charles Housing Authority is a High Performer medium sized agency located in Calcasieu Parish, Louisiana. The LCHA manages 833 Units of Public Housing at 10 scattered site Developments and 1984 Units in the Section 8 Program.

The mission of the LCHA is:

The Lake Charles Housing Authority is committed to excellence in providing quality housing in an environment which will ensure all residents opportunity, access to resources and the expectation that our communities will be a safe, decent, affordable place to live and enable them to realize their potential.

To achieve this mission the LCHA has and will continue to:

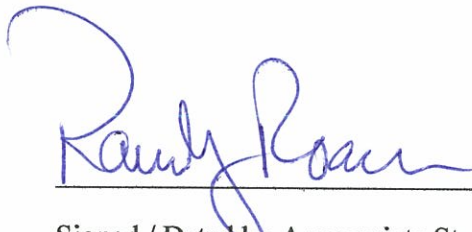

- . Recognize our residents as our ultimate client
- . Improve Authority management and service delivery efforts through effective and efficient management of Authority staff; and
- . Seek problem-solving partnerships with residents, community and government leadership
- . Apply limited Authority resources to the effective and efficient management and operation of Public Housing programs.

The LCHA will accomplish its mission ideals through its goals and objectives:

1. Providing safe, decent, affordable housing to low income families in our community
 2. Ensuring equal opportunity in housing for everyone
 3. Promoting self-sufficiency and asset development of financially disadvantaged families and individuals
 4. Improving community quality of life and economic vitality
 5. Increase resident participation through resident council and/or advisory committee.
 6. To provide timely response to resident request for maintenance problems

**PHA Certifications of Compliance with the PHA Plans and Related Regulations:
Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan**

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or ___ Annual PHA Plan for the PHA fiscal year beginning 09/30/2010, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/JMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
11. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.

12. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
13. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
14. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
17. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
19. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
20. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.
21. The PHA provides assurance as part of this certification that:
 - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
22. The PHA certifies that it is in compliance with all applicable Federal statutory and regulatory requirements.

Applicant Name

Lake Charles Housing Authority

Program/Activity Receiving Federal Grant Funding

Annual PHA Plan

Acting on behalf of the above named Applicant as its Authorized Official, I make the following certifications and agreements to the Department of Housing and Urban Development (HUD) regarding the sites listed below:

I certify that the above named Applicant will or will continue to provide a drug-free workplace by:

a. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the Applicant's workplace and specifying the actions that will be taken against employees for violation of such prohibition.

b. Establishing an on-going drug-free awareness program to inform employees ---

(1) The dangers of drug abuse in the workplace;

(2) The Applicant's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

c. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph a.;

d. Notifying the employee in the statement required by paragraph a. that, as a condition of employment under the grant, the employee will ---

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

e. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph d.(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

f. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph d.(2), with respect to any employee who is so convicted ---

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

g. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs a. thru f.

2. Sites for Work Performance. The Applicant shall list (on separate pages) the site(s) for the performance of work done in connection with the HUD funding of the program/activity shown above: Place of Performance shall include the street address, city, county, State, and zip code. Identify each sheet with the Applicant name and address and the program/activity receiving grant funding.)

Check here if there are workplaces on file that are not identified on the attached sheets.

I hereby certify that all the information stated herein, as well as any information provided in the accompaniment herewith, is true and accurate.

Warning: HUD will prosecute false claims and statements. Conviction may result in criminal and/or civil penalties. (18 U.S.C. 1001, 1010, 1012; 31 U.S.C. 3729, 3802)

Independent Auditor's Report

Board of Commissioners
Housing Authority of The City
of Lake Charles
Lake Charles, Louisiana 70601

Regional Inspector General for Audit
Department of Housing and Urban
Development
221 W. Lancaster Street, P.O. Box 2905
Fort Worth, Texas 76113

I have audited the accompanying financial statements of the business-type activities, each major fund, and the aggregate remaining fund information of the Housing Authority of The City of Lake Charles as of and for the year ended September 30, 2010, which collectively comprise the Authority's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the management of the Housing Authority of The City of Lake Charles. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities, each major fund, and the aggregate remaining fund information of the Housing Authority of The City of Lake Charles as of September 30, 2010, and the respective changes in financial position and cash flows thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, I have also issued my report dated March 11, 2011 on my consideration of the Housing Authority of The City of Lake Charles' internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an

audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of my audit.

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis pages 5-10 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to my inquiries, the basic financial statements, and other knowledge I obtained during my audit of the basic financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance.

My audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Authority's financial statements as a whole. The accompanying information identified in the table of contents as supplemental information including the schedule of expenditures of federal awards as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, the Financial Data Schedule required by the U.S. Department of Housing and Urban Development, and the Statement & Certification of Actual Modernization Cost, are not a required part of the basic financial statements of the Housing Authority of The City of Lake Charles. These statements and schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Each AMP has its own Budget and works within those budgets for its comprehensive maintenance as well as all other remedy's to comply with HUD regulations regarding Asset Management. Our Capital Fund Programs are as a whole and each AMP receives its share for modernization per Five Year Action Plan.

The Lake Charles Housing Authority in cooperation with the Lake Charles City Police Department has been and continues to work together to provide Police protection for the residents of the Lake Charles Housing Authority. Because of this ongoing cooperation, the residents have been subjected to a lesser degree of drug/violent criminal activity.

In order to continue to provide security for the residents of the Lake Charles Housing Authority the following measures are and will continue to be undertaken:

Identifying needs to ensure the safety of the residents of the Lake Charles Housing Authority in conjunction with the Lake Charles City Police Department and ensuring through meetings with members of the Police Department that these measures are being acted upon.

In conjunction with the Lake Charles City Police Department, Community Police Officers conduct crime prevention seminars in our Community Buildings for all residents.

Coordination of activities for crime prevention measures are discussed and agreed to by both the Executive Director and the Chief of Police.

The Lake Charles City Police Department has always been more than receptive to provide any information to the Lake Charles Housing Authority in response to our requests regarding the Public Housing Drug Elimination Program.

The cooperation between the Lake Charles Housing Authority and the Lake Charles City Police Department has been and continues to be one that works in the spirit of cooperation to provide the best police protection to the residents of the Lake Charles Housing Authority.

In the body of our plan to combat drugs in our developments, we list out seven (7) separate components. I will synopsise each point of our plan and state the method of evaluation. Our 7-point plan will be evaluated in that manner.

Drug Education

We will evaluate our plan by the number of residents that we reach in our seminars and at our school and church meetings. We will take those numbers and compare the numbers to the base line numbers of our resident participation based on those that actually attend. Then, we will set up percentages of resident population that have attended.

Drug Intervention and Treatment

This component will be evaluated by obtaining the number of referrals to drug rehab that our community activity workers make and compare it to the previous years number of referrals and, also, obtain data from the Louisiana Department of Health and Human Hospitals so that we can determine the total number of our client population that enters drug rehab. Because of privacy laws, we will not be able to obtain names but we will be able to ascertain whether they live in our developments are not.

Investigation and Eviction

We will evaluate this component of our drug elimination program by comparing arrest statistics and drug related evictions with those of past years. As we have not been funded in a few years, I think that this total of drug related arrest would rise with increased enforcement and surveillance. We will track incident reports and provide monthly determinations of number of reported crimes as we presently have a system of tracking crime in our developments. This grant will simply enhance those on going capabilities.

Uniform Foot Patrols

On uniform foot patrols, we will evaluate this component by tabulating the statistics made available on our activity sheets that our uniform foot patrol officers make in their daily and weekly reports that are made part of and attached to the personnel descriptions in TAB 9B.

Intense Screening and Lease Redefinition

Our intense screening and lease redefinition component, will be evaluated by comparing the number of people that are rejected for crimes of violence, drugs, or previous rental history and compare it with the numbers that we presently have on file. Our operation ID program, will allow us to effectively monitor guest into our units and our vehicle registration program will enable us to be able to also monitor visitors. We will set up a tracking system to see how many times a visitor is at a house and whether there are problems there. We have incorporated the "One Strike You Are Out Policy" of The Department of Housing and Urban Development and this past year we had fifty-seven (57) drug related evictions.

Educational and Vocational Training

Our educational and vocational training opportunities component of our grant, will be evaluated by comparing and reporting and tracking the number of residents that attend our adult education classes, either in conjunction with the Gateway Grant or the adult education's provided by the Calcasieu Parish School Board. We will, also, be able to compare our training program results with those of past years. Our system we developed to track Section 3 progress, monitors our Section 3 Program resident participation to show the number of residents that are employed by out side contractors doing work for The Lake Charles Housing Authority.

Youth Initiatives

We will be able to monitor the Youth initiatives portion of our Drug Elimination Grant by comparing the number of children that participate in our Star Flight

Groups and the programs provided by the Camp Fire Council of Southwest Louisiana. Our partnership with the Sisters of Charities St. Patrick Hospital school based health services division will be easy to monitor as we can easily track the number of children that are in our developments that go to school at Washington Marion High School. Also, track the kids that are in the Midnight Basketball League. We will be able to compare these numbers with the total base line numbers of our resident population comparing that with the children that participate with our youth initiative activities.

The PHDEP resources will be used to establish collaborative relationships with local governmental units (both city and parish), civic clubs, church groups, schools, and social service agencies that serve our resident population. We work as a referral unit for many of the social service agencies and will continue to refer for drug treatment adolescent youth to Family and Youth Counseling as well as adults to Briscoe Substance Abuse Clinics. We have, also, developed linkages with the community services organizations for use of our community buildings. We provide at no charge other than a donation to the food bank of one can good to Alcoholic and Narcotics Anonymous Meetings which use our community rooms for meetings. Presently, we have Alcohol and Narcotics Anonymous meetings at two (2) of our community rooms and we would certainly keep that going whether we receive this grant or not. Also, our drug educator provides to our youth, at all of our developments, posters, pens, and different things that they can use to reinforce a very strong anti-drug message. We, also, use referrals from our partnership with St. Patrick's school based health services division that serves a high school that serves a great portion of our residents.

Our enforcement investigative portions will be above baseline services that the city provides to all residents of Lake Charles because we will be employing the uniform police officers during the evening hours and increasing patrols in our developments. They will be specifically assigned to our developments and they will be used for that purpose only. The Lake Charles Housing Authority has initiated an

aggressive resident training program to assist the Welfare Reform efforts. We have a comprehensive training program for our residents and our comprehensive grant program. The funding of this application will allow one resident to work as a secretary to the Drug Educator, which will provide employment opportunities for at least one of our residents. We use our Section 3 Program to request that outside contractors who are doing work in our comprehensive grant hire our residents. We set up seminars and workshops for those people to be able to meet and be interviewed by local contractors. We give preference to working families in our admissions policy.

Our community rooms have long been a center of activity for the local neighborhoods and the PHDEP Program will simply enhance those efforts. We have a community building that has a policing officer assigned to it and he works out of there on a forty-hour per week bases. We have had excellent contacts with the community policing officers of whom three letters in support showing the need for the PHDEP Grant are written by community policing officers that serve our areas. Our community activity workers use our community rooms to provide numerous services; we have made them centers of the neighborhood. Commodity distribution, not only to our residents, but also to all the people in the neighborhood, food stamp distribution, emergency clothing, food, and household items are offered when available. Health fairs, seasonal and holiday parties, parenting classes, workshops for light skills for our residents are some other services provided.

The Lake Charles Housing Authority has already implemented the one strike and you are out policy. Our aggressive screening that we presently do, and will continue to do under this grant, will effectively enable us to be able to maintain our developments in a safe, decent, and sanitary manner. In 1996, we had twenty-four (24) drug related evictions from our units. In 1997, we had thirty-six (36); despite our best efforts without being funded through the Drug Elimination Program simply, use of drugs are on the rise in Lake Charles. In our 1998 PHDEP Grant we evicted fifty-seven (57) residents due to drug related charges in nine (9) months.

There are more people working with more disposable income, the threat of eviction does not seem to effect very many of our residents, I guess they feel that it will not happen to me. We had incorporated the "One Strike And You Are Out Policy" long before it was placed as a nation wide emphasis on this subject matter.

STATEMENT OF HOUSING NEEDS

The Lake Charles Housing Authority Waiting list for Public Housing from our three Project Based Lists totals 1,452. The bedroom sizes are:

1 Bedroom	612
2 Bedrooms	483
3 Bedrooms	242
4 Bedrooms	115

The Lake Charles Housing Authority has closed the Section 8 Waiting List on July 7, 2011 due to shortfall.

All preferences have been dropped with exception of DATE and TIME.

The Lake Charles Housing Authority's Waiting lists work on the same basis: When a unit becomes available the next application is pulled and checked for DATE and TIME. We do not verify an application until we have an available Unit.

The Lake Charles Housing Authority serves the low income population within the jurisdiction of the City Limits of the City of Lake Charles. Some applicants request that they be housed near where they work because of transportation problems; or near their elderly family member so that they can take care of them. Project Based Applications has taken care of that problem for us.

RESOLUTION NO. 5106

A RESOLUTION BY THE BOARD OF COMMISSIONERS OF THE LAKE CHARLES HOUSING AUTHORITY TO AUTHORIZE THE EXECUTIVE DIRECTOR TO AMEND THE ACOP ADMINISTRATIVE PLAN TO INCLUDE THE REQUIRED LANGUAGE FOR THE PROJECT BASED VOUCHER PROGRAM, MIX FINANCE/TAX CREDIT DEVELOPMENTS.

WHEREAS, the LCHA will amend the Section 8 Administrative Plan to include the required language for the PBV program, Mix Finance/Tax Credit Developments. This amendment will allow an addendum to the Section 8 Administrative Program as follows:

Addendum to the Section 8 Administrative Plan

PROJECT-BASED VOUCHER (PBV) PROGRAM

Lake Charles Housing Authority's (the "PHA") PBV program is subject to the regulations at 24 CFR part 983, which includes regulations governing policies and procedures that are not specified in this Administrative Plan.

In addition to the policies and procedures stated below, and other PBV regulations stated at 24 CFR part 983, PHA's PBV program is subject to most of the requirements of the Housing Choice Voucher Program, as specified in this Administrative Plan and in other HUD regulations.

A. PHA's PBV COMMITMENTS AND PRIORITIES

[NOTE: This section is where PHA spells out its priorities for its project based voucher programs. These priorities should tie into how proposals will be selected and project based vouchers awarded. Other common priorities are to generally provide housing or support other Section 8 goals that could not be achieved through tenant-based housing. Depending on PHA's internal policies and priorities, this section can contain very particular goals, or more general PBV goals. We have inserted general language which can be revised.]

PHA's PBV program is designed to ensure that PBV assistance is used to support goals that could not be equally achieved through the use of tenant-based voucher assistance. PHA's PBV program has is committed to the following priorities:

1. Expand the supply of affordable housing and increase the affordable housing choices of residents within the jurisdiction
2. Support projects which further revitalize neighborhoods, promote the deconcentration of poverty and generally provide increased housing and economic opportunities.
3. Work with the community to identify and serve populations with particular housing needs, including but not limited to the provision of supportive services to promote self-sufficiency and supportive housing for families with disabilities.

B. PROPOSAL SUBMISSION AND SELECTION

Request for Proposals Process

PHA will select PBV proposals through a public Request for Proposals (RFP) process.

PHA's PBV RFP will be advertised in a manner to provide broad public notice of the opportunity to offer PBV proposals for consideration by PHA. The public notice procedures will include publication of the general notice in The Lake Charles Housing Authority and other local and regional newspapers.

The public notice of the PBV RFP will specify the submission deadline. The public notice will inform owners or developers seeking project-based assistance of the availability of the full RFP document at PHA's main offices.

The full RFP document will provide detailed information about proposal submission and selection procedures and will be available upon request of interested parties at PHA's main offices.

Property owners may submit PBV proposals in accord with the proposal submission guidelines stated in the full RFP document. Proposals will be selected according to explicit criteria specified in the full RFP document, following the selection criteria stated below. Under no circumstances will PHA's RFP selection criteria limit proposals to a single site or impose restrictions that explicitly or practically preclude owner submission of proposals for PBV housing on different sites.

The PHA, PHA-affiliates, or developers engaged by the PHA to redevelop PHA property, may submit PBV proposals and be awarded vouchers under any RFP published by the PHA or be awarded vouchers if the proposed project was competitively selected under another federal, state, or local housing assistance program in accordance with 24 CFR 983.51(b)(2). Proposals submitted by the PHA, an PHA-affiliate, or developer engaged by the PHA to redevelop public housing, must conform to the submission guidelines stated in the full RFP document and shall be evaluated under the same selection criteria as all other proposals. No PHA, or PHA-affiliate, employee responsible for preparing the response to the RFP shall be involved in the evaluation or selection of proposals or the award of the vouchers. Provided, however, that any selection process for PHA-owned units shall be approved by HUD in accordance with 24 CFR Part 983.

The Lake Charles Housing Authority under alternative procurement methods to acquire the use of PBV for Mix Financing and Tax Credit on the following and future developments:

- Villages of Lake Charles
- Bayou Bluff
- Kingsley Courts
- Booker T. Washington Homes

Alternative Competitive Processes

In lieu of the above RFP process, HUD regulations permit PHA to select a PBV proposal for housing assisted under a federal, state, or local government housing assistance, community development, or supportive services program that requires competitive selection of proposals, where the proposal has been selected in accordance with such program's competitive selection requirements within three years of the PBV proposal selection date, and the earlier competitive selection proposal did not involve any consideration that the project would receive PBV assistance, or in other circumstances as allowed by the regulations or other PBV requirements.

Proposals for PBV assistance which have been independently selected for housing assistance as described above may be submitted to PHA on a rolling basis. PHA's selection of proposals under the alternative competitive processes may be contingent upon the owner providing additional information required according to PHA's selection requirements and HUD and PHA requirements for PBV assistance. PHA will inform owners of any additional requirements at the time their proposals are submitted. Housing

owned by PHA, a PHA-affiliate, or a developer engaged by PHA may also be awarded vouchers under this Section. Provided, however, that any selection process for PHA-owned units shall be approved by HUD in accordance with 24 CFR Part 983.

Selection Criteria

Proposals will be selected according to the following selection criteria:

- The housing must promote one of PHA's priorities for its PBV program;
- The proposal must comply with all HUD program regulations and requirements;
- The property must be eligible housing;
- The proposal must comply with the HUD cap on PBV units per building;
- The housing site must meet the site selection standards detailed at 24 CFR 983.57;
- Proposals for new construction or rehabilitation projects must demonstrate capacity, experience, and successful outcomes in prior projects that indicate their ability to complete the construction work effectively and within the proposed schedule;
- Proposals for all housing must demonstrate capacity, experience, and successful outcomes in property management, particularly management of housing targeted to low income persons and families;
- Proposals for supportive housing must demonstrate the capacity, experience, and successful outcomes of the supportive services provider that indicate its ability to effectively provide sufficient supportive services. More detailed information about minimum supportive services guidelines is provided later in this addendum.
- Proposals must provide evidence of sufficient financing commitments (for construction, operations, and supportive services if applicable) to demonstrate the project's long-term viability.
- The owner is good standing with HUD and PHA.

[NOTE: We have inserted very general selection criteria, please revise if you have different criteria that you would like to use]

PHA reserves the right to reduce the number of project-based units that have been requested.

Public Notice and Review of PHA Proposal Selection

PHA will provide public notice of PBV proposal selections, including publication of public notice in a local newspaper of general circulation and other means designed and actually operated to provide broad public notice.

PHA will make documentation available for public inspection regarding the basis for PHA's selection of a PBV proposal.

C. SITE SELECTION STANDARDS

PHA will only select proposals which demonstrate consideration of and compliance with the site selection standards at 24 CFR 983.57, as such may be amended or revised, which shall ensure that selected proposals will meet the above program goals of deconcentrating poverty, expanding housing and economic opportunities, and otherwise providing needed housing support.

D. SUPPORTIVE SERVICES GUIDELINES AND REQUIREMENTS

[NOTE: This section should lay out what services qualify as supportive services, and how the services will be evaluated in any proposal. This section is important, because providing supportive services to units is a common way for the PHA and Owner to avoid the cap on project based assistance a project may receive (The rule is that only 25% of units in a project can receive PBV assistance). This section will also be important if the PHA decides one of its PBV goals is to support supportive housing. If that is the case then this section should be specific as to how supportive housing proposals will be evaluated.]

Pursuant to HUD regulations, project-based assistance will ordinarily be limited to 25% of the units contained within the proposed project. However, for projects housing elderly families, disabled families or for projects providing supportive services, each unit that is occupied by elderly, disabled or families receiving qualified supportive services shall be an "excepted unit" and shall not apply towards the 25% cap. Furthermore, buildings with fewer than four (4) units are excluded from the 25% cap.

[NOTE: This section should contain a list of what qualifying supportive services. Please revise if the PHA has internal policies or preferences as to what services should qualify. The list of qualifying services can be presented as broad categories, such as "Job Training", "Counseling", "Substance Abuse Treatment", "Household Training", etc. or as more specific types of services such as "Case management services with extended day hours availability and on-call availability", or "Coordination with vocational services, including coordination with job training and employment services". We have inserted very general supportive services below.]

Qualifying Supportive Services

- a service coordinator to help residents arrange for services
- access to support services 24 hours a day, as needed; or
- case management and support services
- personal care services;
- housekeeping and laundry assistance;
- grocery shopping;
- transportation;
- social activities;
- medication reminders and assistance;
- companions;
- help with chores;
- personal finance and household budget counseling;
- access education, training, and/or job counseling; or
- on-site day care to enable parents to work or attend school.

It is not necessary that the above services be provided by or at the project. However, to qualify for as an "excepted unit" a family must have at least one member receiving at least one qualifying supportive service. Proposals that include supportive services should identify the particular services that will be provided and the service provider(s). PHA will evaluate proposals including supportive housing units on the basis of the specific services provided, the intensity of the services and the target population to be served. PHA will also evaluate supportive housing proposals based on the history and track record of the proposed service providers and the need for the supportive housing at the proposed site.

Family Responsibility

At the time of the initial lease execution between the family and the owner, the family and PHA must sign a Statement of Family Responsibility. The Statement of Family Responsibility must contain all family obligations including the family's participation in a service program as contemplated within this Administrative Plan.

At the family's annual income recertification, PHA will require written documentation from the service provider indicating the family's continued compliance with the terms of the supportive services plans. Project owners will also be expected to provide some level of monitoring of the services provided. This monitoring should be detailed in the proposal, and will be evaluated as part of the selection process. At PHA's discretion, PHA may request additional documentation of compliance with supportive service obligations.

The unit eligible for status as an “excepted unit” so long as at the time of the occupying family’s initial tenancy at least one member of the family is receiving a qualifying supportive service. If the family completes an FSS contract of participation or the supportive services requirement, the unit will continue to count as an “excepted unit” for as long as the family resides in that unit.

Family Failure to Comply with Supportive Service Requirements

Failure without good cause by a family to complete or comply with its supportive service participation requirements will result in termination of the project based assistance for that unit and may result in the termination of the lease by the project owner.

E. WAITING LISTS

PHA will establish individual site-based waiting lists for each PBV project selected.

PHA will offer to place applicants who are listed on the waiting list for tenant-based assistance on the waiting list(s) for PBV assistance.

PHA will open and close the site-based waiting lists pursuant to the procedures outlined in Administrative Plan.

F. PREFERENCES

[NOTE: We’ve made this section very general, and it mainly tracks the regulations at 983.251 which set forth the restrictions on disability preferences. This section can be revised if PHA has particular preferences they would like to prioritize or include.]

PHA may establish separate preferences for each PBV project. These preferences may include those for elderly or disabled families, or preferences related to supportive housing programs. Preferences may include those outlined in the Administrative Plan.

Any preferences that would be necessary to the operation of the project, or required by a funding source must be disclosed in the proposal.

Supportive Housing Related Preferences

If PBV units include special accessibility features for persons with disabilities, PHA will first refer families who require such accessibility features to the owner. For other units that are designated to receive supportive services, PHA may give preference to disabled families who need services offered at a particular project. Project owners may advertise the project as offering services for a particular type of disability; however, the project must be open to all otherwise eligible persons with disabilities who may benefit from services provided in the project.

Only families that meet the following limits will be eligible for any supportive housing preference:

- Families (including individuals) with disabilities that significantly interfere with their ability to obtain and maintain themselves in housing
- Families that without appropriate supportive services will not be able to obtain or maintain themselves in housing
- Families for whom such services cannot be provided in a nonsegregated setting.

Disabled residents shall not be required to accept the particular services offered at the project.

PHA is prohibited from granting preferences to persons with specific disabilities (see 24 CFR 982.207(b)(3),

G. APPLYING FOR ADMISSION

The process for applying for admission to the PBV program is not different than the process for applying for admission to the tenant-based program, which are provided in PHA's Administrative Plan.

At the time of the application, PHA will provide applicants with the opportunity to be placed on the tenant-based waiting list if open, or any open site-based waiting lists.

H. TENANT SELECTION

When notified of a vacancy in a PBV unit, PHA will refer tenants according to the following procedures:

First-come, first-served among applicants on the specific PBV waiting list.

For PBV waiting lists that include preferences, PHA will select applicants from the waiting list on a first-come, first-based basis who:

- Qualified for preference at the time of application; and
- Continue to qualify for preference at the time of admission.

I. TENANT SCREENING

PHA's procedures for tenant screening for the PBV program are not different than procedures for screening tenant-based applicants, which are provided in PHA's Administrative Plan.

PHA's policy for providing information to owners about families referred to PBV units is not different than PHA's policies for tenant-based applicants, which are provided in PHA's Administrative Plan.

J. PROCEDURES FOR FAMILIES OCCUPYING A UNIT OF THE WRONG SIZE OR AN ACCESSIBLE UNIT WHOSE ACCESSIBILITY FEATURES ARE NOT REQUIRED BY THE FAMILY

If a family is determined by PHA to occupy a wrong-sized unit, or a unit with accessibility features that the family does not require (and such unit is needed by a family that requires the accessibility features) then PHA must promptly notify the family and the project owner of this determination and must offer continued assistance in another appropriately sized or accessible unit.

Continued assistance after unit, which may include, but is not limited to the following options:

- PBV assistance in an appropriate-sized unit (in the same building or in another building);
- Other project-based housing assistance (including occupancy of a public housing unit)
- Tenant-based rental assistance under the voucher program; or
- Other comparable public or private tenant-based assistance (e.g., under the HOME program).

For families who have been notified that they occupy a wrong-size unit, and offered continued assistance:

If the PHA offers the family the opportunity receives tenant-based rental assistance under the voucher program, the PHA must terminate the HAP payments for a wrong-sized unit at expiration of the term of the family's voucher (including any extensions granted by the PHA).

If the PHA offers the family the opportunity for another form of continued housing assistance (as provided above), and the family does not accept the offer, does not move out of the PBV unit within a reasonable time as determined by the PHA, or both, the PHA must terminate the HAP payments for the wrong-sized unit, at the expiration of a reasonable period as determined by the PHA.

K. RIGHT TO MOVE

A family residing in a PBV unit may terminate the assisted lease any time after the first year of occupancy and request comparable tenant-based assistance from the PHA.

Should a family terminate its PBV lease and request alternate assistance, the PHA shall offer the family the opportunity for continued tenant-based rental assistance, or if such assistance is not immediately available upon termination of the lease, the PHA will give the family priority to receive tenant-based rental assistance at the next available opportunity for such tenant-based rental assistance.

If the family terminates the assisted lease before the end of the first year of occupancy, the family will not be entitled to tenant-based assistance or priority for such assistance under this section. However, the family may reapply for tenant-based assistance or other project based assistance as otherwise provided in this Administrative Plan.
