**Additional Information.** Describe the following, as well as any additional information HUD has requested.

(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.

1. Reduce public housing vacancies – PHA is actively advertising in our local free publications, with local service agencies and our local senior centers to encourage a viable waitlist.
2. Improve PHAS score – Lapeer Housing Commission is addressing REAC inspection fail items that have affected our over-all PHAS score with our current 2009 Capital Fund and ARRA Stimulus dollars. We have included additional capital improvement items necessary to improve our score and related to our physical assessment in our five-year capital plan.
3. Increase assisted housing choices by conducting outreach efforts to potential landlords – Lapeer Housing Commission encourages all landlords to utilize the Michiganhousinglocator.com website to list their units. Section 8 Landlord training was conducted to invite area landlords to our Community room for an informational meeting. Lapeer Housing Commission staff has presented at the local Chamber of Commerce sponsored “Wake Up Lapeer” breakfast meetings. Lapeer Housing Commission staff frequently contacts landlords on voucher participant's behalf to explain the program and encourage new landlords to participate.
4. Promote self-sufficiency and asset development of assisted households– Provides or attracts services to improve assistance with recipients employability: Lapeer Housing Commission participates in our local Continuum of Care and encourages our clients to tap into the resources of service providers represented there. Including but not limited to Michigan Works Employment services/training, MSU Extension budgeting classes, Family Literacy Center literacy services, TEAM Work, local clothes pantries with ready to work clothing and our local public transportation Greater Lapeer Area Transportation.
5. Provide or attract supportive services to increase independence for the elderly or families with disabilities: Lapeer Housing Commission works with the Community Senior Coalition to connect residents with available services – meals on wheels, housing keeping services, visiting nurse etc. Lapeer Housing Commission staff has also collaborated with the local pharmacy to deliver medication and general groceries to residents residing in Riverview Tower's, our sixty unit senior apartment facility.
6. Ensure equal opportunity and affirmatively further fair housing: Lapeer Housing Commission provides the Equal Housing Opportunity and HUD complaint forms to each recipient at their initial briefing. The Equal Opportunity booklet is also distributed at the Continuum of Care, Project Homeless Connect. Recipients who feel their rights are being violated are referred to Legal Services of Eastern Michigan for free legal assistance and the HUD Discrimination Complaint form..

(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of “significant amendment” and “substantial deviation/modification”

Lapeer Housing Commission considers a significant amendment or substantial deviation/modifications that would change the policies or plans of the PHA that fundamentally change the mission, goals, objectives or plans of the agency that require formal approval by the Board of Commissioners.

(c) Violence Against Women Act (VAWA)

#### **Violence Against Women Act**

10.0

The Lapeer Housing Commission is dedicated to serve the needs of children and adult victims of domestic violence, dating violence, sexual assault and/ or stalking.

The Lapeer Housing Commission (LHC) is actively involved and participates regularly with Lapeer Area Citizens Against Domestic Assault (LACADA) advocacy group and shelter. LACADA is located within one mile of LHC's business office and senior public housing building, Riverview Towers. The co-directors of LACADA and LHC's Executive Director are members of the Lapeer County Continuum of Care. Along with monthly meetings LHC communicates regularly with the advocacy staff at LACADA.

LACADA operates a 17 bed emergency shelter, a 24 hour crisis hot-line, and outreach center for survivors, support groups for women and children, legal advocacy, information and referrals along with transitional housing outside of the shelter. LHC makes referrals to LACADA and distributes their information to clients in need or who indicate there is a potential domestic issue.

It is a priority for LHC to serve this population and LHC has taken action to assure this by updating their Admissions and Occupancy Policy for Riverview Towers and Housing Choice Voucher Administrative Plan to include policy related to and in compliance with VAWA in regards to admission, occupancy, termination and separating families.

It is the goal of LHC to use all resources available to assist families experiencing domestic violence and to prevent domestic violence from occurring.

**Protections for Victims of Abuse:** An incident of actual or threatened domestic violence, dating violence, or stalking will not be construed as serious or repeated violation of the lease or other “good cause” for termination of the assistance, tenancy, or occupancy rights of such a victim. Criminal activity directly relating to abuse, engaged in by a member or a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of assistance, tenancy or occupancy rights if the tenant or an immediate member of the tenant's family is the victim or threatened victim of domestic violence, dating violence or stalking. Notwithstanding any restrictions on admission, occupancy, or terminations of occupancy or assistance, or any Federal, State or local law to the contrary, a PHA owner or manager may “bifurcate” a lease, or otherwise remove a household member from a lease, without regard to whether a household member is signatory to the lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others. This action may be taken without evicting, removing, termination assistance to, or otherwise penalizing the victim of the violence who is also a tenant or lawful occupant. Such eviction, removal, termination of occupancy rights, or termination or assistance shall be effected in accordance with the procedures prescribed by Federal, State and local law for the termination of leases or assistance. Nothing in this section may be construed to limit the authority of a public housing agency, owner, or manager, when notified, to honor court orders addressing rights of access or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household members in the cases where a family breaks up. Nothing in this section limits any otherwise available authority of an owner or manager to evict or the public housing agency to terminate assistance to a tenant for any violation of a lease not premised on the act or acts of violence in question against the tenant or a member other the tenant's household, provided that the owner, manager, or public housing agency does not subject an individual who is or has been a victim of domestic violence, dating violence, or stalking to a more demanding standard than other tenants in determining whether to evict or terminate. Nothing in this section may be construed to limit the authority, owner or manager to evict, or the public housing agency to terminate assistance, to any tenant if the owner, manger, or public housing agency can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if the tenant is not evicted or terminated from assistance. Nothing in this section shall be construed to supersede any provision of any Federal, State, or local law that provides greater protection than this section for victims of domestic violence, dating violence, or stalking.
