6.0	PHA Plan Update (a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission: (a) Response: Revised PHA Plan Elements 1) A significant amendment to the PHA Plan occurred in regard to the TMHA Housing Choice Voucher Waiting List. In 2010, the TMHA Board of Commissioners granted waiting list preferences for the following groups of people on the waiting list: A) Current Shelter + Care participants. At the discretion of TMHA management, current participants in the Shelter + Care program can be granted a waiting list preference for the Housing Choice Voucher program. This waiting list preference would be granted if there is a need to move individuals / families from the Shelter + Care program to the HCV program in order to free up slots and available funding for the Shelter + Care program. B) A HCV waiting list preference was also granted to current clients with the State of Ohio Home Choice Client designation. Home Choice clients are defined as individuals currently residing in a nursing home or similar medical facility and are capable of residing independently outside of the medical facility with appropriate service provision. 2) Additionally, since TMHA's waiting list had been closed, a second PHA Plan revision was to open up the HCV waiting list, at this point exclusively for clients with the State of Ohio Home Choice designation so that these clients would be able to be served without having to wait for the HCV waiting list to open back up. (b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. For a complete list of PHA Plan elements, see Section 6.0 of the instructions. (b) Response: The public can obtain copies of the most recent 5-Year and this Annual PHA Plan at the TMHA Administrative Office at 134 Second Street, SW, New Philadelphia, Ohio 44663. Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.

Response: Housing Needs

At drafting of this Annual Plan, there are 556 families on the TMHA waiting list for the Housing Choice Voucher program. Average wait time is anticipated to be two years. Recent census data shows that the racial mix in Tuscarawas County is 97.7% White. Racial minorities comprise the remaining 2.3% with the largest minority being African American at 0.7% of the population. Persons of Hispanic ethnicity comprise 0.5% of the population. The racial / ethnic composition of the TMHA waiting list matches the larger population.

The 2000 census shows the universe of rental units to be 8,922. Since the Federal Fair Market Rents schedule, which is the basis for TMHA's Payment Standards schedule, is designed to be reflective of the 40th percentile rents, it can be assumed that many of the rental unit universe will not be applicable to the voucher program because rents are too high for the program. Other factors affect the number of units available to low income families. In Tuscarawas County, there is largely no building or maintenance code for existing housing. This means that potential landlords sometimes decline to make the repairs required to meet Housing Quality Standards for a Section 8 voucher tenant, if they have another suitable tenant who does not have a voucher. In addition housing stock is aging. In the city of New Philadelphia, Tuscarawas Co's largest city, 70% of homes were built before 1978, making them applicable to the lead-based paint regulations for families with children under six. In some cases, landlords with older housing stock decline to take vouchers when higher income tenants without vouchers are available.

Anecdotally, voucher holders frequently report that they cannot find rental housing that will pass TMHA's inspection within the applicable time of the voucher, even when the voucher is extended to its maximum length. This scenario is especially true for families who need accessible unit features. There are few units built to ADA specifications that have affordable rents. In cases where the tenant could reasonably make modifications, those tenants often do not have the needed funds to make the changes, and there are few local options to assist with modifications.

9.0

Voucher utilization generally is 60%, meaning that when 20 families are issued vouchers, 12 will successfully find a unit at which TMHA can assist. There have been some occasions in the past when utilization has climbed to 70 – 75% generally during the spring of the year. TMHA is willing to assist units throughout the geographic area of the jurisdiction and does maintain an on-going in house list of available units for searching voucher holders, but many expend the available time on their voucher without finding a unit to place on the program.

The makeup of the families under assistance is some indication of housing needs in the community. Of active participants at writing of this Annual Plan, 57% are Elderly and/or Disabled households with an average annual income of \$10,330. This income level places them below the 2010 Federal Very Low Income limit of \$18,800 for a 1-person household. This income level places these families in the worst case housing scenario whereby they cannot afford stable housing without some assistance. Thirty-nine (39%) of active participant households have some employment income. However, average annual income for this group is still only \$11,438, which is below the 2010 Federal Very Low Income limit of \$21,500 for a 2 person household. Many of these working families are single heads of household with 1 or more children. Again even with employment income, these families cannot afford housing without assistance. The fact that 40% of these Very Low Income families who receive a voucher are unable to locate a unit where TMHA can assist indicates that there is a lack of available housing from which they can choose and that is owned by a landlord willing to execute a HAP contract with TMHA. This is especially true for those families seeking a zero bedroom or a 4 bedroom unit.

Many rental units in Tuscarawas Co. are "mom and pop" owned, meaning that an individual or couple has a unit or two that they use as rentals, and are not in the business of being full time landlords. Of the 287 current TMHA landlords, only 19 (7%) have 5 or more units under HAP Contract. This means that TMHA personnel spend significant staff time educating owners in the requirements and procedures necessary to be a Section 8 owner. Some owners see the lease-up process as being too daunting, and they back out of offering potential units.

Members of the Housing Advisory Committees for Tuscarawas County, City of New Philadelphia, and the City of Uhrichsville have identified the lack of decent, affordable rental properties as a significant barrier to Tuscarawas Co. low income families. The HAC committees meet to identify significant housing needs, and to recommend housing activities through the CHIP (Community Housing Improvement Program) to address those needs. As a result of the last round of HAC Comm. meetings, the CHIP programs for the county, City of Dover, and City of New Philadelphia received Tenant Based Rental Assistance (TBRA) funds to help alleviate the situation.

9.1	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</p> <ul style="list-style-type: none"> • Utilize all currently available TMHA Housing Choice Vouchers as affordability allows and apply for any additional Vouchers that would become available to TMHA. • Pursue any housing resources that become available to Tuscarawas County residents other than the HCV program that will assist low income families with housing needs. • Improve HCV lease-up rates through utilization of the maximum Payment Standards that is affordable along with continuing to engage in landlord outreach activities which will increase housing choice options for Voucher holders. • All TMHA staff will affirmatively further fair housing and provide equal opportunity to all families, including providing reasonable accommodations to persons with disabilities, as part of the overall commitment to quality customer service. Fair Housing referrals will be made as needed to our local fair housing resource center. • Continue our active participation in the Tuscarawas County Housing Opportunities Monitoring Education Network which addresses local housing needs on a continual basis. • Aggressively pursue enrollments into TMHA's family Self-Sufficiency and Homeownership Programs in order to promote economic self-sufficiency through improved career opportunities and increased wealth building through home ownership. • Seek to continue having a Tenant Based Rental Assistance Program as a component of our local Community Housing Improvement Program in order to provide rental assistance help to families still awaiting a TMHA Voucher.

Additional Information. Describe the following, as well as any additional information HUD has requested.

(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.

(a) Response:

Progress in Meeting Mission and Goals. The Tuscarawas MHA has consistently assisted eligible families with safe, decent, and affordable housing, without discrimination while adhering to Federal laws, HUD regulation, and budgetary constraints. TMHA has sought but was not granted additional Section 8 units as Special Purpose vouchers were available in 2010 for Non-Elderly disabled individuals to be served from the existing waiting list. Although TMHA had an acceptable application, we were not chosen in the established lottery system to receive funding. However, in the past five years TMHA has sought and received other funding under the HUD Continuum of Care for the Shelter + Care program for homeless, disabled families. The HA has also received funding under 3 local CHIP programs for Tenant Based Rental Assistance activities.

In the past five years, TMHA has assisted 643 new families off its waiting list, while at the same time maintaining assistance to those families who continued to receive assistance under the Section 8 Housing Choice Voucher program. Families are assisted in units from all parts of the Tuscarawas County jurisdiction. In order to maximize the number of units available to participating families, TMHA has recruited new landlords each year, and has maintained open communication with landlords who need assistance to understand HUD regulation regarding Housing Quality Standards and Lead-based Paint regulations. TMHA continues to loan its HEPA Vacuum to all landlords needing to utilize it.

TMHA has begun an active Voucher Homeownership Program, and one family has successfully maintained homeownership. TMHA maintains an active Family Self Sufficiency program (FSS), and has consistently maintained the required number of active families. There are currently 47 families enrolled in FSS. In the past five years, 15 families have successfully graduated from the FSS program and received the escrow savings they earned through employment.

TMHA reveres and actively fosters collaboration with local agencies and non-profit organizations who have clients that need our voucher program. To this end, TMHA is an active member of the Housing, Opportunities, Monitoring, Education (HOME) Network (which is the local Continuum of Care collaborative), and the Ohio Coalition on Homelessness and Housing in Ohio (COHHIO). In addition, TMHA staff actively cultivate an "open line" style of communication with area agencies that serve shared clientele in order to minimize barriers in serving those in need. TMHA participates with the County and local cities by serving on local Housing Advisory Committees that formulate the jurisdictions' Community Housing Improvement Surveys (CHIS) and the Impediments to Fair Housing needs priority surveys. In the above ways, TMHA has earned a reputation as being a respected and accountable community resource for housing for low-income families.

TMHA has also maintained a very active participation with the Ohio Housing Authorities Conference. The TMHA Executive Director is heavily involved in the planning of OHAC trainings through his involvement with the OHAC Training & Conference Committee. TMHA staff regularly attend these trainings in order to remain current with assisted housing regulations and best practices.

In FYE 2010, TMHA received a 100% score in the Section Eight Management Assessment Program which earned TMHA the High Performer designation from HUD. TMHA will continue to strive to meet all the expectations required of us under each of the applicable SEMAP Indicators.

TMHA has continued to operate in a fiscally prudent manner and has had no findings or questioned costs in its State of Ohio audits. Additionally, TMHA has complied with HUD's requirements to submit program data to the HUD PIC and VMS database systems in a timely and accurate manner.

(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"

(b) Response:

"Significant Amendment" means that the actions and responses of the housing authority show a notable variation to actions / responses stated in the Plan, and where noting the amendment or modification will help the reader understand a change that has occurred from the prior submitted 5-Year or Annual Plan.

"Substantial Deviation" means that the actions and responses of the housing authority do not match the action and responses stated in the PHA Plan because the HA has voluntarily added, deleted, or amended its internal policies. This definition precludes deviations that result because of required change(s) to Federal or HUD regulation in regard to the Section 8 program operations. It also does not refer to actions taken by the HA within its discretion to operate within the stated policies and procedures in the TMHA Administrative Plan.

Tuscarawas MHA Annual / 5 Year Plan

Violence Against Women Act Statement

The Tuscarawas Metropolitan Housing Authority adopted revisions to its Section 8 Housing Choice Voucher Administrative Plan to address the requirement of the Violence Against Women Act. Those revisions were adopted by Resolution 06-12 of the Board of Commissioners of the Tuscarawas Metropolitan Housing Authority on July 11th, 2006.

The Tuscarawas Metropolitan Housing Authority notified residents of the Section 8 Housing Choice Voucher Program through written mail of the requirements of the Violence Against Women Act in the fall of 2006. Tuscarawas MHA has also incorporated that information in its Housing Choice Voucher Program application process, annual recertification process and change of units process. All staff working with clients of the Section 8 Housing Choice Voucher Program were given training and all necessary information regarding the Act. Periodic recurrent training will be scheduled as appropriate.

The Tuscarawas Metropolitan Housing Authority does not offer any “activities, services or programs” that are intended to specifically help child or adult victims of domestic violence, dating violence, or stalking other than that required by law or regulation. The Tuscarawas Metropolitan Housing Authority always makes appropriate referrals when victims of domestic violence, dating violence, or stalking are identified.

Tuscarawas Metropolitan Housing Authority has a close working relationship with our local domestic violence shelter known as Harbor House. Tuscarawas MHA and Harbor House are both very active members in our local housing coalition and Continuum of Care which is known as the Tuscarawas County HOME Network. Tuscarawas MHA also has close working relationships with Compass and the Tuscarawas County Department of Job & Family Services. Within these three other organizations, services are provided which include 24-hour services to child and adult victims of domestic violence, dating violence, sexual assault, and bullying. They provide a full range of crisis intervention, treatment, counseling, prevention and support services to individuals and families impacted by domestic violence and/or sexual assault.

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937, as amended, which introduced 5-Year and Annual PHA Plans. The 5-Year and Annual PHA plans provide a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form is to be used by all PHA types for submission of the 5-Year and Annual Plans to HUD. Public reporting burden for this information collection is estimated to average 12.68 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information, and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan**

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or Annual PHA Plan for the PHA fiscal year beginning 4/1/2011, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.

12. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.

13. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).

15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
17. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
19. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
20. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.
21. The PHA provides assurance as part of this certification that:
 - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
