The family has lost eligibility for or is awaiting an eligibility determination for a federal, state, or local assistance program, including a family that includes a member who is an alien lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996; b. (2) Minimum Rent

6.0

The TMHA has established a minimum rent of \$50.00.

The TMHA has adopted discretionary minimum rent hardship exemption policies as follows:

Hardship Requests for an Exception to Minimum Rent

The PHA recognizes that in some circumstances even the minimum rent may create a financial hardship for families. The PHA will review all relevant circumstances brought to the PHA's attention regarding financial hardship as it applies to the minimum rent. The following section states the PHA's procedures and policies in regard to minimum rent financial hardship as set forth by the Quality Housing and Work Responsibility Act of 1998. HUD has defined circumstances under which a hardship could be claimed (24 CFR 5.630).

Criteria for Hardship Exception

In order for a family to qualify for a hardship exception, the family's circumstances must fall under one of the following HUD hardship criteria:

- The family has lost eligibility or is awaiting and eligibility determination for Federal, State or local assistance, including a family with a member who is a non-citizen lawfully admitted for permanent residence under the Immigration and Nationality Act, and who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.
- The family would be evicted as a result of the imposition of the minimum rent requirement.
- The income of the family has decreased because of changed circumstances, including loss of employment, death in the family, or other circumstances as determined by the PHA or HUD.

PHA Notification to Families of Right to Hardship Exception

The PHA will notify all families subject to minimum rents of their right to request a minimum rent hardship exception. "Subject to minimum rent" means the minimum rent was the greatest figure in the calculation of the greatest of 30% of monthly adjusted income, 10% of monthly income, minimum rent or welfare rent.

If the minimum rent is the greatest figure in the calculation of Total Tentant Payment, PHA staff will include a copy of the notice regarding hardship request provided to the family in the family's file.

The PHA notification will advise families that hardship exception determinations are subject to PHA review and hearing procedures.

The PHA will review all family requests for exception from the minimum rent due to financial hardships.

All requests for minimum rent hardship exceptions are required to be in writing.
The PHA will request documentation as proof of financial hardship.
The PHA will use its standard verification procedures to verify circumstances which have resulted in financial hardship.
Requests for minimum rent exception must include a statement of the family hardship that qualify the family for an exception.
Suspension of Minimum Rent The PHA will grant the minimum rent exception to all families who request it, effective the first of the following month.
 The minimum rent will be suspended until the PHA determines whether the hardship is; Covered by statute Temporary or long term
- Temporary of long term
"Suspension" means that the PHA must not use the minimum rent calculations until the PHA has made the decision.
During the minimum rent suspension period, the family will not be required to pay a minimum rent and the housing assistance payment will be increased accordingly.
If the PHA determines that the minimum rent is not covered by statute, the PHA will impose a minimum rent including payment for minimum rent from the time of suspension.
Tomporony Hondship
<u>Temporary Hardship</u> If the PHA determines that the hardship is temporary, a minimum rent will not be imposed for a period of up to 90 days from the date of the family's request. At the end of the temporary suspension period, a minimum rent will be imposed retroactively to the time of suspension.
The PHA will offer a repayment agreement to the family for any such rent not paid during the temporary hardship period. (See "Owner and Family Debts to the PHA" chapter for Repayment agreement policy).
Long-Term Duration Hardships [24 CFR 5.616(c)(3)] If the PHA determines that there is a qualifying long-term financial hardship, the PHA must exempt the family from the minimum rent requirements for as long as the hardship continues. The exemption from minimum rent shall apply from the first day of the month following the family's request for exemption.

6.0	 Retroactive Determination The PHA will reimburse the family for any minimum rent charges wh took effect after October 21, 1998 that qualified for one of the mandate exceptions. If the family is owed a retroactive payment, the PHA will provide reimbursement in the form of a cash refund to the family. 			
	If the family is owed a retroac choice of either a cash refund	If the family is owed a retroactive payment, the PHA will offer the family a choice of either a cash refund or a credit towards their rent contribution. The PHA's definition of a cash refund is a check made out to the family.

10.0	September of 2011. Marketing efforts consist of professionally developed direct mail pieces and brochures distributed to referring organizations, with development-specific advertisements placed in local publications in an attempt to attract a broad range of applicants. Additionally, TMHA staff participates in various trade shows, health fairs, and expositions in order to improve the visibility of our developments throughout the community. A panel consisting of the Housing Services Administrator, AMP Managers, and General Deputy Director coordinate advertising activities.
	Lastly, a local marketing and consulting firm continues to professionally review and edit all advertising materials.
	Goal Number 2: Increase opportunities for the residents to become self- sufficient and increase the level of supportive services.
	Progress Statement: The Family Self-Sufficiency program continues to be a catalyst for financial autonomy. A combined total of 56 Public Housing and Housing Choice Voucher families currently participate in asset accumulation activities while being lined to services to overcome obstacles to self-sufficiency. Additionally, 54 families have completed the program and have received the balance of their earned escrow accounts since program inception.
	The Elderly Service Coordinator, in its seventh year of operation, has provided vital linkages of more than 900 services for residents to receive the assistance necessary to maintain a self-reliant lifestyle.
	TMHA also continues its collaboration with our local Department of Job & Family Services and Community Development Department through many programmatic offerings that have a positive impact on our collective constituents. These include affordable housing rehabilitation and construction training through YouthBuild Trumbull County; shared sponsorship and hosting of employment opportunity seminars at TMHA facilities; and utilizing cross-marketing and promotional efforts to disseminate housing and social services information.
	In addition to the above, TMHA has joined forces with a local lending institution to advance homeownership opportunities for Housing Choice Voucher participants and Public Housing residents alike. The importance of saving, credit worthiness, home maintenance, and other related issues are expounded upon so that participants may share in the American dream. Tuition, books and other educational expenses are paid for by the Housing Authority for courses that promote the mission and aims of TMHA or those that are related to the performance of the employee's current function within the organization. The General Deputy Director and all departmental supervisors are continuously searching for training that will produce the most skilled and educated staff possible.

This has resulted in a shared cost burden among agencies and served as an additional revenue source.

PHA Certifications of Compliance with the PHA Plans and Related Regulations: Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the _____ 5-Year and/or_X_Annual PHA Plan for the PHA fiscal year beginning 7/1/2011, hereinafter referred to as" the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

- 1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
- 2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
- 3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
- 4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
- 5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
- 6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
- 7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
- 8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
- 9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
- 10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
- 11. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.

- 12. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
- 13. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
- 14. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
- 15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
- 16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
- 17. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
- The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
- 19. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
- 20. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.
- 21. The PHA provides assurance as part of this certification that:
 - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
- 22. The PHA certifies that it is in compliance with all applicable Federal statutory and regulatory requirements.
