PHA PLAN -ANNUAL PLAN SUMMARY 2011 HOUSING AUTHORITY OF THE COUNTY OF LUZERNE

6.0 PHA Plan Update

a) Since its last annual plan, the Authority has changed the following:

In Public Housing:

- An applicant, who turns down an offer for a unit in a development of their application selection, may not apply for that specific development for a year.
- In selecting applicants from a list for each veteran selection, a non veteran will be selected.

In the Housing Choice Voucher Program:

- The Obligation of the Participant with reference to guests is clarified that the current 14-day guest allowance applies to both consecutive and non-consecutive days in a calendar year
- In order to have a guest in a unit for more than 14 days, the participant must have the approval of both the Housing Authority and the participant's landlord
- b) The Plan will be available at the AMP site offices: Kingston Gardens, Tripp Street, and Dundee, as well as the Central Office

9.0 Housing Needs

The Consolidated Plan for Luzerne County presents data that shows that the low income and minority population experiences problems related to the affordability, supply, quality and size of units. Their data presents displays that outline the needs of households with housing problems (defined as households occupying units without a complete kitchen or bathroom, that contain more than one person per room, or that pay more than 30 % of their income to cover housing expenses.)

The table below provides a breakdown of the percentage of renting households with housing problems by income levels.

| Housing Problem | Income Level | Percentage |
|-------------------------|---|-------------------------|
| Any Problem | 30% or less 31% to 50% 51% to 80% | 64.5% 57.5% 24.0% |
| Cost Burden Over 30% | 30% or less 31% to 50% 51% to 80% | 64.1% 56.2% 22.3% |
| Cost Burden Over 50% | 30% or less 31% to 50% 51% to 80% | 47.2% 14.3% 1.3% |

The table below also shows that the minority population in Luzerne County experience similar problems:

| Any Housing Problem | Percentage w/problem | Percentage in community |
|---------------------|-------------------------|-------------------------|
| White | 32.1% | 96.6% |
| African American | 45.1% | 1.7% |
| Hispanic | 36.7% | 1.2% |
| Native American | 61.6% | .1% |
| Asian | 50.3% | .6% |

In addition, the Plan notes the need for affordable rental housing (particularly supportive housing) for the elderly and frail elderly, as well as persons with various disabilities

9.1 Strategies for Addressing Housing Needs

Instructions note that "Small, Section 8 only and High Performing PHAs complete only for Annual Plan submission with the 5 –Year Plan." The PHA is a High Performer.

10.0 Additional Information

Progress in meeting mission and goals

Goal 1: Increase the availability of decent, safe and affordable housing

The Authority has partnered with the Office of Community Development (HOME funds), Federal Home Loan Bank, and Luzerne National Bank to develop a 30 unit elderly building in the West Hazleton (lower Luzerne County). The units will be available for occupancy 11/1/10. To further enhance their affordability, the Authority was successful in having Project Based Section 8 assistance attached to the units.

Goal 2: Improve the quality of assisted housing and community life

The Authority has maintained its status as a High Performer in both Public Housing and Section 8 assessment systems; has installed security cameras in its elderly housing, has continued to comprehensively rehab its public housing units and continues its participation in the Energy Performance Contract.

Goal 3: Increase housing choices

The Authority continues its use of the Section 8 Homeownership Program.

Goal 4: Promote self sufficiency of elderly residents

The Authority has been successful in securing a ROSS grant for FY 2009.

Definition of Significant Amendment and Substantial Deviation/Modification

When the Authority completes it 5 year plan for the Capital Fund Program, we anticipate what work items will be done in the next five years. These items may change over the years and other work items may become important.

HUD allows the Authority to define "substantive deviations" from the Plan which would allow the ability to add work items that are not in the Plan. Normally, changes in items are not allowed if they are greater than 10% of the Capital Fund grant amount for that year.

Therefore, the 2010 Annual Plan will define "significant amendments" and "substantive deviations" as those work items that are not in the Authority five year Capital Plan and if implemented, would be greater than 10% of the Capital Fund amount for that year.

Emergency work items as defined by the Authority would be exempt from the above requirements.

11.0 Required Submission for HUD Field Office Review

Items (f) and (g):

- (f) Resident Advisory Board Comments: The RAB approved submission of the Plan as it stands.
- (g) Challenged Elements: There were no challenged elements of the Plan
