### Warwick Housing Authority Pet Policy

The following policy governs the keeping of pets in and on properties owned and operated by the Warwick Housing Authority.

Residents of the Warwick Housing Authority are permitted to have common household pets if the resident maintains the pet:

1. Responsibly
2. In accordance with the applicable State and local public health, animal control and animal anti-cruelty laws and regulations; and
3. In accordance with the terms of this policy.

*Pet Deposit:* Tenants will be charged a refundable pet deposit of \$50.00. The pet deposit shall be paid in advance or on the approval of the pet by the Housing Authority. The pet deposit is refundable if no damage has been done to the dwelling unit, as verified by the Housing Authority, after the tenant disposes of the pet, or moves.

*Number of Pets:* Tenants are allowed to keep a maximum of one pet per dwelling unit.

*Allowable Household Pets:* Animals that are allowed as pets in Housing Authority units are domesticated dogs, cats, birds and fish aquariums. Aquariums may be no larger than twenty (20) gallons and must be sealed against leakage. Dogs and cats must weigh less than twenty (20) pounds and be no more than fifteen (15) inches in height. No birds of prey or dangerous species of breeds of animals may be kept.

*Registration:* All pets must be registered and approved by the Housing Authority.

*Requirements:*

4. Dogs are to be licensed yearly with the proper authorities. Tenants must show proof of yearly distemper and rabies boosters for both dogs and cats.
5. All female dogs and cats are to be spayed.
3. All male dogs and cats are to be neutered.
6. Pets must not be kept in violation of humane or health laws.

7. Pets must not be allowed to roam outside the tenant's dwelling unit. Dogs must be on a leash when outside the dwelling unit. Birds must be confined to a cage at all times.
8. Tenants must maintain litter boxes in sanitary condition.
9. Tenants must promptly clean up pet droppings outside of the dwelling unit and properly dispose of the droppings.
10. Tenants shall take adequate precautions to eliminate any pet odors within or around the dwelling unit and maintain the unit in a sanitary condition at all times.
11. Tenants shall not permit any disturbance by their pet that would interfere with the quiet enjoyment of other tenants; whether by loud barking howling, biting, scratching, chirping or other such activities. If the Housing Authority determines that a pet is a nuisance or threat to the safety or security of person or property, it may request the removal of the pet from the premises.
12. Tenants must not leave pets unattended for twenty-four (24) hours or more. If the pet is left unattended for such time, the Housing Authority may enter the unit to remove the pet and transfer it to the proper authorities. The Housing Authority will accept no responsibility for the pet under such circumstances.
13. Tenants must provide the Housing Authority with the name, address and telephone number of a responsible party who will care for the pet if the owner is unable to do so for any reason.
14. Tenants are responsible for all damages caused by their pets.
15. Tenants are prohibited from keeping or feeding stray or feral animals.
16. Tenants shall not alter their dwelling unit or grounds to create a space or enclosure for the pet.
17. Tenants shall not allow visitors to bring any unauthorized animals onto the premises or into a dwelling unit.

Tenants who violate this policy will forfeit their right to keep a pet and may be subject to eviction.

This policy does not apply to animals that assist, support or provide service to persons with disabilities.

### **WARWICK HOUSING AUTHORITY COMMUNITY SERVICE AND ECONOMIC SELF SUFFICIENCY POLICY JANUARY 1, 2001**

Warwick Housing Authority residents, who are not engaged in work activities or otherwise considered exempt, must perform community service or participate in an economic self-sufficiency program as a condition of their tenancy.

#### General Requirements:

Each adult resident, except for those determined to be exempt, must:

1. Perform 8 hours per month of community service; or
2. Participate in an economic self-sufficiency program for 8 hours per month; or
3. Perform 8 hours of combined activities.

#### Community Service:

Community service is defined as the performance of voluntary work or duties that are a public benefit, and that serve to improve the quality of life, enhance resident self-sufficiency, or increase resident self-responsibility in the community. Community service is not employment and may not include political activities.

#### Exempt Individual:

An exempt individual is defined as an adult who:

1. Is 62 years of age or older;
2. Is a blind or disabled individual, as defined under 216(i)(1) or 1614 of the Social Security Act (42 U.S.C. 416(i)(1); 1382c), and who certifies that because of this disability he or she is unable to comply with the service requirements, or is a primary caretaker of such individual;
3. Is engaged in work activities;
4. Meet the requirements for being exempted from having to engage in a work activity under the State program funded under part A of the title IV of the Social Security Act (42 U.S.C. 601 et seq.) or under any other welfare program of the State, including a State-administered welfare-to-work program; or
5. Is a member of a family receiving assistance, benefits or services under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.) or under any other welfare program of the State, including a State-administered welfare-to-work program, and has not been found by the State or other administering entity to be in noncompliance with such a program.

### Program Administration:

The Authority will administer qualifying activities through its Self-Sufficiency program and through partnerships with qualified organizations and community agencies and institutions.

The Authority will determine which family members are exempt from the service requirement based upon documentation provided by the family at recertification. The Authority will enter into an agreement with the local welfare agency to provide documentation for determining changes to the status of family members.

The Authority will provide the family with a written description of the service requirement, and of the process for claiming status as an exempt person and for verification of such status. The Authority will notify the family of its determination identifying the family members who are subject to the service requirement, and the family members who are exempt persons.

The Authority will review family compliance with service requirements, and will verify such compliance annually at least thirty (30) days before the end of the twelve-month lease term. Reasonable documentation of service requirement performance or exemption will be retained in the family's file.

### Family Compliance of Service Requirement:

Failure of the family to comply with the service requirement is grounds for nonrenewal of the lease agreement at the end of the twelve-month lease term.

If the Authority determines that there is a family member who is required to fulfill a service requirement, but who has violated this family obligation, the Authority will notify the tenant of this determination.

Notice to the tenant will briefly describe the noncompliance and state that the Authority will not renew the lease at the end of the twelve month lease term unless the tenant, and any other noncompliant resident, enter into a written agreement with the Authority, in the form and manner required by the Authority, to cure such noncompliance, and in fact cure such noncompliance in accordance with such agreement, or the family provides written assurance satisfactory to the Authority that the tenant or other noncompliant resident no longer resides in the unit.

Notice to the tenant will state that the tenant may request a grievance hearing on the Authority's determination and that the tenant may exercise any available judicial remedy to seek timely redress for the Authority's nonrenewal of the lease because of such determination.

## Tenant Agreement to Comply with Service Requirement

If the tenant or another family member has violated the service requirement, the Authority may not renew the lease upon expiration on the lease term unless:

1. The tenant, and any other noncompliant resident, enter into a written agreement with the Authority, in the form and manner required by the Authority, to cure such noncompliance by completing the additional hours of community service or economic self-sufficiency activity needed to make up the total number of hours required over the twelve-month term of the new lease; and

Whereas, the Warwick Housing Authority has two (2) scattered site developments, RI11-09 and RI11-010, that are subject to the deconcentration provisions of QHAWRA.

Now, therefore, be it resolved, that the Warwick Housing Authority will monitor the average income range of these developments and, taking into consideration the development's size, location and/or configuration, will take steps to attract a broader range of incomes, if necessary.

### Termination of Tenancy or Assistance

A. *VAWA Protections.* Under VAWA, public housing residents and persons assisted under the Section 8 rental assistance program have the following specific protections, which will be observed by WHA:

1. An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be considered to be a “serious or repeated” violation of the lease by the victim or threatened victim of that violence and will not be good cause for terminating the tenancy or occupancy rights of or assistance to the victim of that violence.
2. In addition to the foregoing, tenancy or assistance will not be terminated by WHA as a result of criminal activity, if that criminal activity is directly related to domestic violence, dating violence or stalking engaged in by a member of the assisted household, a guest or another person under the tenant’s control, and the tenant or an immediate family member is the victim of threatened victim of this criminal activity. However, the protection against termination of tenancy or assistance described in this paragraph is subject to the following limitations:

acts of domestic violence, dating violence or stalking in question against the tenant or a member of the tenant's household. However, in taking any such action, neither WHA nor a Section 8 manager or owner may apply a more demanding standard to the victim of domestic violence, dating violence or stalking than that applied to other tenants.

- (b) Nothing contained in this paragraph shall be construed to limit the authority of WHA or a Section 8 owner or manager to evict or terminate from assistance any tenant or lawful applicant if the owner, manager or WHA, as the case may be, can demonstrate an actual and imminent threat to other tenants or to those employed at or providing service to the property, if the tenant is not evicted or terminated from assistance.

- B. *Removal of Perpetrator.* Further, notwithstanding anything in paragraph VI.A.2 or Federal, State or local law to the contrary, WHA or a Section 8 owner or manager, as the case may be, may bifurcate a lease, or remove a household member from a lease, without regard to whether a household member is a signatory to a lease, in order to evict, remove, terminate occupancy rights or terminate assistance to any individual who is a tenant or lawful occupant and who engages in acts of physical violence against family members or others. Such action against the perpetrator of such physical violence may be taken without evicting, removing, terminating assistance to or otherwise penalizing the victim of such violence who is also the tenant or a lawful occupant. Such eviction, removal, termination of occupancy rights or termination of assistance shall be effected in accordance with the procedures prescribed by law applicable to terminations of tenancy and eviction by WHA. Leases used for all public housing operated by WHA and, at the option of Section 8 owner or managers, leases for dwelling units occupied by families assisted with Section 8 rental assistance administered by WHA, shall contain provisions setting forth the substance of this paragraph.

### **Verification of Domestic Violence, Dating Violence or Stalking**

- A. *Requirement for Verification.* The law allows, but does not require, WHA or a Section 8 owner or manager to verify that an incident or incidents of actual or threatened domestic violence, dating violence or stalking claimed by a tenant or other lawful occupant is bona fide and meets the requirement of the applicable definitions set forth in this policy. Subject only to waiver as provided in paragraph VII.C., WHA shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by WHA. Section 8 owners or manager receiving rental assistance administered by WHA may elect to require verification, or not to require it, as permitted under applicable law.

Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence or stalking may be accomplished in one of the following three ways;

Housing and Urban Development (HUD), that the individual is a victim of domestic violence, dating violence or stalking, that the incident or incidents in question are bona fide incidents of actual or threatened abuse meeting the requirements of the applicable definition(s) set forth in this policy. The incident or incidents in question must be described in reasonable detail as required in the HUD-approved form, and the completed certification must include the name of the perpetrator.

2. *Other documentation* – by providing to WHA or to the requesting Section 8 owner or manager documentation signed by an employee, agent or volunteer of a victim service provider, an attorney or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence or stalking, or the effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim of the incident or incident(s) of domestic violence, dating violence or stalking described in the documentation must also sign and attest to the documentation under penalty of perjury.
  3. *Police or court record* – by providing to WHA or to the requesting Section 8 owner or manager a Federal, State, tribal, territorial or a local police or court record describing the incident or incidents in question.

Failure to provide verification in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action.
- C. *Waiver of verification requirement.* The Executive Director of WHA or a Section 8 owner or manager may, with respect to any specific case, waive the above-stated requirements for verification and provide the benefits of this policy based on the victim's statement or other corroborating evidence. Such waiver may be granted in the sole discretion of the Executive Director, owner or manager. Any such waiver must be in writing. Waiver in a particular instance or instances shall not operate as precedent for, or create any right to, waiver in any other case or cases regardless of similarity in circumstances.

**Confidentiality**

## ATTACHMENT Q

- A. *Right of confidentiality.* All information (including the fact that an individual is a victim of domestic violence, dating violence or stalking) provided to WHA or to a Section 8 owner or manager in connection with a verification required under Section VII of this policy or provided in lieu of such verification where a waiver of verification is granted, shall be retained by the receiving party in confidence and shall neither be entered in any shared database not provided to any related entity, except where disclosure is:
1. requested or consented to by the individual; or
  2. required for use in a public housing eviction proceeding or in connection with termination of Section 8 assistance, as permitted VAWA; or
  3. otherwise required by applicable law.
- B. *Notification of rights.* All tenants of public housing and tenants participating in the Section 8 rental assistance program administered by WHA shall be notified in writing concerning their right to confidentiality and the limits on such rights to confidentiality.

### **Transfer to New Residence**

- A. *Portability.* A Section 8-assisted tenant will not be denied portability to a unit located in another jurisdiction (notwithstanding the term of the tenant's existing lease has not expired, or the family has not occupied the unit for 12 months) so long as the tenant has complied with all other requirements of the Section 8 program and has moved from the unit in order to protect the health or safety of an individual member of the household who is or has been the victim of domestic violence, dating violence or stalking and who reasonably believes that the tenant or other household member will be imminently threatened by harm from further violence if the individual remains in the present dwelling unit.

### **Notification**

WHA shall provide written notification to applicants, tenants and Section 8 owners and managers concerning the rights and obligations created under VAWA relating to confidentiality, denial of assistance and termination of tenancy or assistance.

### **Relationship with Other Applicable Laws**

Neither VAWA nor this Policy implementing it shall preempt or supersede any provision of Federal, State or local law that provides greater protection than that provided under VAWA for victims of domestic violence, dating violence or stalking.
