## **DECONCENTRATION POLICY**

It is Covington Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower families into higher developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

For every fiscal year, the Housing Authority shall reserve a percentage of its new admissions for families whose incomes do not exceed thirty percent of the median income.
