**ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Greeneville Housing Authority has completed this Agency Plan in consultation with GHA residents and the local community. The Plan was discussed with the Resident Advisory Board on January 13, 2000 and February 3, 2000. The public was afforded an opportunity to review the plan and offer comments at a public hearing held on March 23, 2000. The Annual Agency Plan is summarized as follows:

1. Housing Needs

The GHA current waiting list is excessive and the demand for public housing is evident. Our greatest demand is for small to medium bedroom units (1, 2 and 3 bedroom units).

2. Financial Resources

The GHA expects to expend approximately 1.4 million in the year 2000 for operations, capital improvements and administrative costs.

3. Eligibility, Selection and Admission Policies

The GHA has revised its standard operating policies to comply with the requirements of the QHWRA through regulations published

in the Federal Register on April 30, 1999. These policies will be updated as HUD issues further guidance.

As required under this section of the plan, the GHA has reviewed its developments and the census tracts in which they are located relative to income. We have determined that we do not have a problem with concentration of high or low-income families. Further, we have revised our admission policy to assure that a concentration does not occur in the future.

4. Rent Determination-Discretionary Policies

Our discretionary rent policies include:

- ✓ Ceiling Rents
- ✓ \$50.00 minimum rent for Public Housing

5. Operations and Management

The GHA is exempt from this component of the PHA Plan.

6. Grievance Procedure

We have revised our Grievance Procedure to comply with the QHWRRA and will continue to make revisions as additional issues are addressed by HUD regulations.

7. Capital Improvements

Our projected funding under the CGP program is \$372,773. Our focus for the 2000 program year is to install HVAC, perform interior and exterior painting and install carpeting in Development TN058-004.

8. Demolition and/or Disposition

The GHA has no current plans for demolition or disposition.

9. Designation

The GHA plans to maintain the current elderly/disabled designation that applies to a portion of its units. The GHA has no plans to designate additional units in the future.

10. Conversion of Public Housing

The GHA has no current plans to designate any developments or buildings to tenant-based assistance.

11. Homeownership

The GHA has no current plans to develop a Homeownership Program.

12. Community Services and Self-Sufficiency Programs

The GHA is exempt from this component of the PHA Plan.

13. Safety and Crime Prevention

The GHA is exempt from this component of the PHA Plan.

14. Ownership of Pets

The GHA has a policy related to tenant-owned pets. This policy permits elderly GHA residents to own pets subject to compliance with specific requirements of our pet lease.

We intend to revise our pet policy to include all residents to comply with the requirements of the QHWRA upon publication of the final rule.

15. Civil Rights Certification

We have included the required certification regarding Fair Housing and Civil Rights in this plan.

16. Annual Audit

Our most recent annual audit for fiscal year 1998 is on file at our local HUD office in Knoxville, Tennessee and is available for review at our main office during normal business hours.

17. Asset Management

The GHA is exempt from this component of the PHA Plan.

## **DECONCENTRATION POLICY**

1. The objective of the Deconcentration Policy for the PHA is to achieve the goal that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development or census tract. The PHA will take actions as necessary to achieve the goal that no individual development has a concentration of higher income or lower income families. To ensure that the PHA does not concentrate families with higher or lower income levels in any one development, the PHA will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the PHA's computer system.
2. The PHA will periodically compare the relative incomes of its developments to the relative incomes of the census tracts in which they are located. Where significant differences are identified, income targeting will be applied.

## **INCOME TARGETING**

1. To accomplish the deconcentration goals, the PHA will take the following actions:
  - A. At the beginning of each fiscal year, the PHA will establish a numerical goal for admissions of families whose incomes are at or below 30 percent of the area median income. The target annual goal will be calculated by taking 40 percent of the total number of move-ins from the previous PHA fiscal year.
  - B. The PHA will limit the number of admissions to ensure that not less than 40 percent of admissions are families that have incomes at or below 30 percent of area median income.
  - C. The PHA will skip families on the waiting list or skip developments to accomplish these goals.
2. The PHA will not hold units vacant to accomplish these goals.

**GREENEVILLE HOUSING AUTHORITY  
RESIDENT ADVISORY BOARD MEETING  
JANUARY 13, 2000**

The Greeneville Housing Authority (GHA) conducted its first Resident Advisory Board meeting on January 13, 2000 at the GHA Community Room. The first meeting was held to explain the Quality Housing and Work Responsibility Act of 1998 and the Authority's requirement to prepare and submit to HUD a PHA Plan to serve as an operations, planning and management tool for GHA. It was explained that the PHA Plan consists of two parts that the Authority must address. The first part pertained to a Five Year Plan in which the GHA would include a Mission Statement for serving the needs of low-income and very low-income families in GHA's jurisdiction, and a statement of goals and objectives of the Authority to serve the needs of those families. The second part of the PHA Plans consists of an Annual Plan. It was explained to the Board that the Annual Plan contains eighteen different components that the Authority must provide HUD for the upcoming fiscal year. These components include: a statement of low-income and very low-income housing needs in the community, and how the PHA intends to address these needs; a statement of financial resources and their planned uses; the PHA's general policies governing eligibility, selection, admission, assignment, occupancy, and rents, including the admissions policy for deconcentration of lower-income families; the PHA's policies for the maintenance and operations of the agency; a statement of the PHA's grievance procedures; a plan describing any capital improvements; a description of any housing to be demolished or disposed of; a description of any developments that are, or proposed to be designated for elderly or disabled; a description of any properties to be converted to tenant-based assistance; a description of any homeownership or community service and self-sufficiency programs; a description of policies for safety and crime prevention; a statement of the PHA's pet policies; a certification of compliance with fair housing laws; an annual audit; and a statement of how the PHA will carry out its asset management functions.

The residents were notified that the GHA established the Resident Advisory Board in order for them to make comments and recommendations regarding the development of the PHA Plan. Comments received from the Board during the first meeting mainly pertained to capitol improvement items and the pet policy. It was explained that capitol improvements items would be addressed in order of importance and need over the next five years due to the limited funding amount. It was also explained that relative to all tenants being allowed pets, this issue is still being considered by HUD. The Authority was awaiting HUD's issuance of the final rule prior to amending its current pet policy which currently allows only elderly and disabled residents to keep pets on GHA property. An additional comment received from the Board was relative to the creation of a Resident Council. It was explained that GHA once tried to establish a Resident Council, but due to lack of participation from the residents the council became intact. However, it was stated that if the current residents were in favor of creating a Resident Council, that the GHA strongly recommended doing so and would help in any way possible.

**GREENEVILLE HOUSING AUTHORITY  
RESIDENT ADVISORY BOARD MEETING  
FEBRUARY 3, 2000**

The Greeneville Housing Authority (GHA) conducted its second Resident Advisory Board meeting on February 3, 2000 at the GHA Community Room. The purpose of the meeting was to discuss the draft PHA Plan with the Board and to receive their comments and recommendations relative to the contents of both the Five Year Plan and Annual Plan. A thorough explanation of the contents of the PHA Plan was discussed with the Board as well as how the GHA arrived with the information. The Board showed favorable consideration to the PHA Plan and only had comments relative to the proposed Capitol Improvement items. These comments were relative to the units being cold due to the exhaust fans in the roof and the windows. It was explained to the Board that the Authority is in the process of installing HVAC in all of their units, but due to the limited funding and the cost associated with the HVAC installation it would take several years to complete. Once the HVAC was installed, it should eliminate any problems with the units either being too cold or too hot.

**GREENEVILLE HOUSING AUTHORITY  
PUBLIC HEARING MINUTES  
MARCH 23, 2000**

The Greeneville Housing Authority (GHA) conducted its Public Hearing on March 23, 2000 at the GHA Community Room. The meeting was open to the general public, but was only attended by one Resident Advisory Board member, several residents and a representative from Legal Services of Upper East Tennessee. It was explained at the hearing that the GHA was required to prepare the PHA Plan through the Quality Housing and Work Responsibility Act of 1998, and submit to HUD for their review and approval. It was explained that the PHA Plan consists of two parts that the Authority had to address. The first part being a Five Year Plan, and the second part being an Annual Plan, and each had to be prepared in consultation with the Resident Advisory Board. After a thorough explanation of the PHA Plan contents to the people in attendance, the hearing was then open for any comments and suggestions. GHA residents in attendance had comments relative to the Capitol Improvements items proposed and showed favorable consideration for the work. The representative from Legal Services had additional comments relative to the PHA Plans. He suggested that the Authority adopted flat rents and/or ceiling rents as an incentive for working families, that the minimum rents may want to be lowered from \$50.00 to \$25.00, target families at or below 30% and 50% of AMI, give admissions performances, give minimum rent hardship exemptions, and provide incentives for families to go to work. It was explained to the representative the reasons for the Authority's actions and that a majority of the items in question that are not identified in the plan, but are in the GHA's ACOP which is still under review. It was noted that all policies would be in compliance with the Act prior to submission of the PHA Plan to HUD.
