2011 PHA ANNUAL PLAN

6.0 PHA PLAN ELEMENTS

Violence Against Women Act (VAWA)

The PHA supports the goals of the VAWA Amendments and will comply with its requirements. It will continue to administer its housing programs in ways that support and protect tenants (including Section 8 Housing Choice Voucher program participants) and applicants who may be victims of domestic violence, dating violence, sexual assault or stalking.

The PHA will not take any adverse action against a tenant, participant or applicant solely on the basis of her or his being a victim of such criminal activity, including threats of such activity. "Adverse action" in this context includes denial or termination of housing assistance.

The PHA will not subject a victim of domestic violence, dating violence, sexual assault or stalking to a more demanding standard for lease compliance than other tenants.

The PHA has developed policies and procedures to implement the requirements of VAWA. The victim or threatened victim of an incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as a serious or repeated violation of the lease, and shall not be good cause for terminating the assistance, tenancy, or occupancy rights of the victim of such violence. The PHA may terminate the assistance/tenancy to remove a lawful occupant or tenant who engages in criminal acts or threatened acts of violence or stalking to family members or others without terminating the assistance or evicting victimized lawful occupants.

The PHA may honor court orders regarding the rights of access or control of the property and orders issued to protect the victim and to address the distribution or possession of property among household members where the family "breaks up".

There is no limitation on the ability of the PHA to terminate assistance for other good cause unrelated to the incident or incidents of domestic violence, dating violence, or stalking, other than the victim may not be subject to a "more demanding standard" than non-victims. There is no prohibition on the PHA terminating assistance if it "can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant's (victim's) assistance is not terminated.

Any protections provided by law which give greater protection to the victim are not superseded by these provisions. The PHA may require certification by the victim of victim status on such forms as the PHA and/or HUD shall prescribe or approve.

The Housing and Redevelopment Commission of the City of Aberdeen, SD have done the following to ensure that tenants and S8 Voucher landlords are notified of their rights under VAWA:

- a. Notified all Public Housing residents, by letter, of the VAWA regulation.
- b. Notified all Section 8 tenants and landlords, by letter, of the VAWA regulation.
- c. Developed and retains a brochure to explain applicant and tenant rights under the law for those wishing to use or are using housing assistance. Brochures will be maintained in the AHA lobby and placed in briefing packets. Brochures will also be placed in landlord information packets. Applicants or participants under termination, eviction or denial will receive a copy of the VAWA brochure with all letters or notices concerning these actions.
- d. Developed and retains a listing of services available within the county to assist those victims of violence or stalking. This listing of services will be included in the VAWA Brochure.
- e. Upon learning of a victim of domestic violence, dating violence, sexual assault or stalking, a brochure and Request for Certification form will be supplied and reviewed with the individual and, if applicable, the individual's family.
