## ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Clarksville Housing Authority has completed this Agency Plan in consultation with CHA residents and the local community. The Annual Agency Plan is summarized as follows:

1. <u>Housing Needs</u>

A review of the current waiting list reveals that the demand for public housing is evident. Our greatest demand is for small bedroom units (1 and 2 bedroom units). Approximately 70% of the current waiting list is families with children. Elderly families represent only 2% of the waiting list total.

#### 2. <u>Financial Resources</u>

The CHA expects to expend approximately three million in FY 2000 for operations, capital improvements, drug elimination and administrative costs. This total includes prior year unobligated funds from FY 98 and FY 99 CGP Grants.

3. <u>Eligibility, Selection and Admission Policies</u>

The CHA has revised its standard operating policies to comply with the requirements of the QHWRA through regulations published in the Federal Register on April 30, 1999. These policies will be updated as HUD issues further guidance.

As required under this section of the plan the CHA has reviewed its developments and the census tracts in which they are located relative to income. We have determined that we do not have a problem with concentration of high or low -income families.

4. <u>Rent Determination - Discretionary Policies</u>

Our discretionary rent policies include:

- \$25.00 minimum rent
- Ceiling rents

#### 5. <u>Operations and Management</u>

The CHA has developed policies relating to public housing administration, management, maintenance, leasing and occupancy. These policies have been revised to comply with the recently mandated requirements of the QHWRA.

#### 6. <u>Grievance Procedure</u>

We have revised our Grievance Procedure to comply with the QHWRA and we will continue to make revisions as additional issues are addressed by HUD regulations.

#### 7. <u>Capital Improvements</u>

Our projected funding under the CGP program is \$1,005,633.00. Our focus for the FY 2000 program year is as follows:

- •PHA-wide site improvements: playground equipment, landscaping, new handrails and sidewalk repairs.
- •PHA-wide dwelling improvements including gutters, downspouts, facia boards, soffits, brick and mortar repairs and new porch rails.
- •TN010-007 improvements including storage units and unit address numbers.
- PHA non-dwelling structures including administration office expansion.
- 8. <u>Demolition and/or Disposition</u> The CHA has no current plans for demolition or disposition.
- 9. <u>Designation</u> The CHA has no plans to designate additional units in the future.
- 10. <u>Conversion of Public Housing</u> The CHA has no current plans to designate any developments or buildings to tenant-based assistance.

#### 11. <u>Homeownership</u> The CHA has no current plans to develop a Homeownership Program.

12. <u>Community Services and Self-Sufficiency Programs</u> We currently do not have any programs for our residents that include self-sufficiency.

We are developing a Community Service Program in order to comply with the final rules established by HUD. (See Attachment C – Community Service Program Description)

#### 13. <u>Safety and Crime Prevention</u>

We have participated in HUD's Public Housing Drug Elimination Program for the last ten years. This program provides enhanced police patrols, increased security, and funding for drug prevention activities for all CHA developments. The Clarksville Police Department will provide a drug agent for surveillance and arrests of drug dealers. Recreational activities will be provided through the Parks and Recreation Department. The University of Tennessee Agriculture Extension Service will administer the `Summit` Program, which provides citizenship, and leadership programs for adults and youth.

#### 14. <u>Ownership of Pets</u>

The CHA currently has a policy related to tenant-owned pets.

We intend to revise our pet policy, if necessary, to comply with the requirements of the QHWRA upon publication of the final rule.

#### 15. <u>Civil Rights Certification</u>

We have included the required certification regarding Fair Housing and Civil Rights in this plan.

#### 16. <u>Annual Audit</u>

Our most recent annual audit for fiscal year 1998 is on file at our local HUD office in Nashville, Tennessee, and is available for review at our main office during normal business hours.

#### 17. <u>Asset Management</u>

It is the goal of the CHA to manage our assets (physical property, financial resources and manpower) as efficiently as possible to meet the intent of our mission statement.

## **Attachments**

#### Use this section to provide any additional attachments referenced in the Plans. Attachment TN010a01 DECONCENTRATION POLICY FOR THE THE CLARKSVILLE HOUSING AUTHORITY

#### I. DECONCENTRATION POLICY

- a. The objective of the Deconcentration Policy for The Clarksville Housing Authority (CHA) is to achieve the goal that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development or census tract. The CHA will take actions as necessary to achieve the goal that no individual development has a concentration of higher income or lower income families. To ensure that the CHA does not concentrate families with higher or lower income levels in any one development, the CHA will track the status of family income, by development, on a monthly basis utilizing income reports generated by the CHA's computer system.
- b. The CHA will periodically compare the relative incomes of its developments to the relative incomes of the census tracts in which they are located. Where significant differences are identified, income targeting will be applied.

#### I. INCOME TARGETING

- a. In an effort to accomplish the deconcentration goals, The Clarksville Housing Authority will take the following actions:
  - 1. At the beginning of each fiscal year, The Clarksville Housing Authority will establish a numerical goal for admission of families whose incomes are at or below 30 percent of the area median income. The target annual goal will be calculated by taking 40 percent of the total number of move-ins from the previous CHA fiscal year.
  - 2. The CHA will limit the number of admissions to ensure that not less than 40 percent of admissions are families with incomes at or below 30 percent of the area median income.
  - 3. The CHA will skip families on the waiting list or skip developments to accomplish these goals.
- b. The Clarksville Housing Authority will not hold units vacant to accomplish these goals.

## Section 4: Certifications

A comprehensive certification of compliance with respect to the PHDEP Plan submission is included in the "PHA Certifications of Compliance with the PHA Plan and Related Regulations."

## <u>ATTACHMENT C</u> – Community Service Program Description

All families will be given a written description of the service requirement, and of the process for claiming status as an exempt person. This will include the PHAs determination identifying the family members who are subject to the service requirement, and the family members who are exempt persons. The PHA will provide a form to any family members requesting exemption from the service and will advise the member what documentation is required to support the exemption. The PHA will approve or deny the request for exemption within 30 days from receipt of a request that includes required documentation. A family member may request an exempt status at anytime.

The PHA will provide a listing of qualifying community service or self-sufficiency activities that will meet this requirement. The PHA may update this list at anytime. Each nonexempt family member will be given a community service time sheet to track the monthly volunteer hours. A supervisor must sign and date each period of work. If qualifying activities are administered by an organization other than the PHA, a family member who is required to fulfill a service requirement <u>must</u> provide signed community service time sheets certifying to the PHA by such other organization that the family member has performed such qualifying activities.

The PHA must review family compliance with service requirements, and must verify such compliance annually at least thirty days before the end of the twelve-month lease term. The PHA must retain reasonable documentation of service requirement performance in tenant files.

If the PHA determines that there is a family member who is required to fulfill a service requirement, but who has violated this family obligation (noncompliant resident), the PHA must notify the tenant of this determination.

If the tenant or another family member has violated the service requirement, the PHA may not renew the lease upon expiration of the term with exceptions.

In implementing the service requirement, the PHA may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by PHA employees, or replace a job at any location where residents perform activities to satisfy the service requirement.
