The LHA does not limit the number of households that can participate in the homeownership program. To be eligible to be considered for the Section HCV Homeownership Program, a participant must have been on the HCV program for at least one year and in good standing with the LHA. Our program has been in existence since 2001. We have a community partner, Homestead Consulting, (formerly known as Lafayette Neighborhood Housing Services). They conduct all the pre and post purchase counseling services for the program.</i></p>
8.0	<p>Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable.</p>
8.1	<p>Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i>, form HUD-50075.1, for each current and open CFP grant and CFFP financing.</p>
8.2	<p>Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i>, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). 8.3	<p>Capital Fund Financing Program (CFFP). <input type="checkbox"/> Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.</p>
9.0	<p>Housing Needs.</p> <p><i>Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</i></p> <p><i>One of the most difficult tasks the cities of Lafayette and West Lafayette have is finding enough adequate funding to meet the undeserved needs.</i></p> <p><i>Both cities strive to support as many programs as possible; however, by doing so the limited funds they currently receive do not support the demand for services. Funding may be adequate enough to provide the direct series to the client, but it may not cover the administrative expenses that come with providing services to the client. The biggest housing needs in the cities of Lafayette and West Lafayette have remained the same over the past five years, despite efforts during the previous five –year Consolidated Plan. Low income and extremely low income renters face the largest cost burden and have most difficult time finding affordable housing. These income brackets are described as households living at 31-50 percent of the median family income and below 30 percent of the median family income, respectively.</i></p> <p><i>The LHA was forced to close the waiting list due to the number of applicants awaiting assistance. In an effort to address the needs of the community, new local preferences were adopted. Each applicant on the waiting list was contacted and informed of the new preferences. Each applicant on the waiting list was given the opportunity to claim up to 5 preferences. After completing the survey the LHA re-sequenced the waiting list according to the preferences claimed. Preferences include: disability, veterans, rent burden, residency, and a transitions preference (for applicants that are transitioning from a temporary housing program for which supportive services were available to identify and eliminate barriers to homelessness.)</i></p>
9.1	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA’s strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</p> <p><i>The LHA’s basic strategy remains the same, good management and efficient use of resources. The LHA will continue to watch the lease up rate closely and to monitor the PUC, the payment standards and the utility allowances in a manner so that the maximum number of households can be served, albeit not the full allocation, at a reasonable level. If the payment standards are too high, the subsidy is too deep resulting in fewer households able to be assisted. If the payment standard is too low, then participants cannot locate adequate housing.</i></p>

Additional Information. Describe the following, as well as any additional information HUD has requested.

(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.

PHA Goal: Expand the supply of assisted vouchers

Due to federal funding, there have not been any fair share vouchers to apply for, so expanding the supply of existing vouchers is nearly impossible. However, the LHA has been administering the TBRA program for the City of Lafayette using CDBG funds on an annual basis since 2005. These funds allow the LHA to help an additional 10-12 household a year.

The LHA desires to partner with the regional Veteran's Administration Medical Center in applying for VASH vouchers. It is the goal of the LHA to administer 25 VASH vouchers.

PHA Goal: Improve the quality of assisted housing.

In 2011, the LHA updated the HQS for inspections. These changes will enhance the overall quality of the units participants will be able to select.

The LHA will continue to strive for a high performer rating with SEMAP.

PHA Goal: Increase assisted housing choices.

LHA will offer a landlord portal to owners who participate in the program. This will streamline the way information is disseminated to landlords, thus increasing the advantages a landlord has to renting to an HCV participant.

During briefings staff discusses portability with the new voucher holders.

Staff identifies the high poverty areas for Lafayette and provides information about opportunities to rent outside the high poverty area.

PHA Goal: Provide an improved living environment.

The Briefing and briefing packet include information about opportunities outside the most highly concentrated poverty areas of our community. A map is included.

The Executive Director and Deputy Director are members of the local chapter of the NAACP.

The Agency is a member of the Homelessness Prevention and Intervention Network and its Housing Committee.

PHA Goal: Promote self-sufficiency and asset development of assisted households.

The LHA refers households to Area IV Agency to participate in the Transitions Program. This program provides case management and supportive services in an effort to eliminate barriers to self-sufficiency.

The LHA will continue to work with several agencies, such as Area IV Agency on Aging, the Mental Health Association, Lafayette Transitional Housing Corporation, Wabash Valley Hospital, Work One and others, to develop working relationships to assist families that are elderly or disabled so that these people can increase independence and gain more self-sufficiency.

PHA Goal: Ensure equal opportunity and affirmatively further fair housing.

Staff meets with landlords as needed regarding potential problems.

Staff also refers participants to the Indian Civil Rights Commission and to Legal Services, Inc.

Staff provides information to landlords in the landlord handbook and at the landlord workshop.

The LHA works closely with social service agencies in our community to ensure access for disabled households.

The Executive Director speaks before groups upon request to discuss the options for housing in our community and issues pertaining to fair housing.

The LHA continues to provide information to participants about their rights, meet with landlords that are violating fair housing laws and ban landlords as needed. LHA partners with each agency that helps participants with such issues.

The LHA also shows a Fair Housing DVD to each new voucher holder.

(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"

If the LHA was to propose a change that would hurt households or the community beyond those imposed by HUD.
