Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.

Housing Need Summary(Statewide) According to the 2009 MaineHousing Consolidated Plan:

Rental subsidy was highest unmet need in the “point in time” survey for homeless. The condition of the housing stock in Maine is influenced by the age of housing which has the 7th oldest in the nation. Maine has over 62,000 renters that are below 50% of the AMI. 49,813 family units are needed and 4,048 elderly units are needed on a statewide basis. 57% of households in Maine are unable to afford an average 2 bedroom rent of \$734. Maine has a fast growing elderly population at 13th in the nation for age 75 and above. Maine has 28,000 subsidized housing units available and 13,000 housing choice vouchers available (in use). With over 6,000 applicants on our HCV waiting list the unmet need is high for all family types.

9.0

Status of Waiting List (Statewide)

MaineHousing has over 6000 applicants currently on our waiting lists. Lists are separated by county and many of these list are closed to applicants due to lack of available vouchers. We opened the list to applicants in early 2011 in Androscoggin, Oxford, Cumberland and York counties. They were closed in 3 months due to over activity.

The summary of need is as follows:

- 1br Family- 602
- 2br Family-920
- 3br Family-329
- 4br Family-50
- 1br Elderly-410
- 1br Disabled-3230
- 2br Disabled-479

The race and ethnicity of our applicant households is primarily white, not hispanic with the exception of Cumberland, York, Penobscot and Androscoggin counties that show 5% Black/African American.

MaineHousing has adopted a comprehensive limited English proficiency plan and policy.

Due to the significant number of disabled families, MaineHousing applied for additional vouchers for non-

elderly disabled and FUP but we were not funded.

Comments

How long were you on the waiting list? What did you think of our application process?

Participants stated that they were on the waiting lists for one to two months since they had the homeless preference. One participant said she was not comfortable going to a shelter because she did not feel safe there.

What do you think about the priorities we have for our waiting lists? Do you think homeless should be moved to the top of the waiting list?
