**Annual Plan Update
August 2011****Item 7.
HomeOwnership Program and Project-Based Vouchers**HomeOwnership Program

The PHA will administer a Section 8 Homeownership Program in 2012 and for the next five years. The goal is to assist two tenants each year; the maximum number of participants will be fifteen.

The eligibility criteria for this program include the following:

- The family must not owe money to the PHA;
- No family member has been responsible for serious or repeated violations of the lease, including a HQS violation, in the past year; and
- Must be on the voucher program for one year.

Actions being planned for 2011 to implement the program include the following:

- Regular meetings with the HomeOwnership Center and Woodlands Development Group (local CHDO) staff to coordinate outreach and participation;
- Presentations about the program at briefings;
- Explaining the program to families that may qualify at re-certification;
- Tracking families that are interested as they prepare to apply for a mortgage and making sure they receive credit counseling and home buyer education; and
- Applying for FSS grant funds to expand the program.

Project-Based Vouchers

The PHA plans to “project-base” up to five (5) Section 8 vouchers in the coming year, due to the loss of subsidized units in the county seat of Elkins, the lack of accessible units and the lack of units in the PHA’s region overall. The lack of units is evidenced by the long lease-up periods (more than 60 days) experienced by most voucher holders, particularly in the more rural counties served by RCHA and in Lewis County, which is experiencing population growth due to its location a) on the I-79 corridor and b) in the center of the Marcellus Shale drilling region of the state.

The general locations of these vouchers would be in Elkins (up to three units), in Davis—Tucker County (up to two units) and/or in Lewis (up to four units), with a total not to exceed five (5) units.
