MCHA currently assists approximately 300 families focusing on elderly & disabled, FUP and FSS. We have 659 people on a waiting list. Obviously, we need to expand our available vouchers and expand our program offerings.

ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Montgomery County Housing Authority is a small Housing Authority administering 200 Vouchers. The fiscal year reflected in this Plan starts July 1, 2000. Copies of this plan have been made available at the Main H.A. office and the Montgomery County Public Library and the Woodlands Public Library for Public comment. A Public Hearing was held March 14, 2000 at the 1022 McCall with no attendance.

Our mission is the same as HUD to promote adequate and affordable housing, economic opportunities and a suitable living environment free of discrimination.

Montgomery County Housing Authority's goals are as follows:

1. To apply for additional Vouchers when offered
2. Possible joint ventures with other agencies to create additional housing opportunities
3. To improve Voucher management and customer satisfaction without compromising HUD rules and regulations as stated in the Administration Plan
4. To conduct out reach efforts to potential landlord
5. To increase payment standards thereby providing greater mobility and affordable options for very low income families
6. To promote Self-sufficiency, as funding is tight and the numbers of needy families seem to be increasing

7. To promote equal opportunities for all Americans

We believe all Americans should have equal opportunities in housing and employment with out regard to race, color, national origin, sex, familial status and disabilities. We feel that by educating both the families and landlords as to the law of our country all Americans should be treated equally.

This Five Year Plan will proved us with a constant reminder of the goals and missions of this Housing Authority and also to provide a way for community involvement.

1. Statement of Housing Needs

[24 CFR Part 903.7 9 (a)]

In a two month period, approximately 650 families applied for housing assistance to Montgomery County Housing Authority. At that time, we closed the waiting list but continue to receive 6 to 10 calls a day of families needing assistance. There seems to be a problem with availability of money and affordable units to rent and landlords willing to accept the Voucher. The combination of these problems are creating a rent crises in Montgomery County.

A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing need For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

B. Housing Needs of Families on the Public Housing and Section 8 Tenant- Based Assistance Waiting Lists

State the housing needs of the families on the PHA’s waiting list/s. **Complete one table for each type of PHA-wide waiting list administered by the PHA.** PHAs may provide separate tables for site-based or sub-jurisdictional public housing waiting lists at their option.

The majority of families currently on the waiting list are very low income and disabled. There seems to be a great need in Montgomery County for housing assistance to low income, disabled head of households. There is also a need for Housing assistance for families whose income fall at the 50% percent of the median income. Montgomery County is a working community that offers employment opportunities to working poor families. Those families that make below 30% of the median are mostly TANF and SSI single head of households recipients. When the new income targeting was enacted it actually hurt the poor working families and disabled or elderly households with both heads receiving SSI or a combination of SS and SSI with out regard to medical needs. Their needs seem to be just as great as the 30% of the median income.

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

Montgomery County Housing Authority plans to apply for additional Vouchers that come available when we lease up to 95 % of our total allocation. This make take a while and applying for additional Vouchers may not be the action MCHA takes this year. Either way, We plan a major out reach program to Landlord that provide safe and affordable housing in Montgomery County hoping to open doors that have been closed to families eligible to participate in the Voucher Program.

Bedroom unit. Montgomery County Housing Authority voted to increase the payment standard for the one and two bedroom units to 110% of the established standard as allowed by HUD. This allows greater mobility of choice, as we live in a diversified county with huge gaps in income ranges. It also provides high success rate of lease up and affordable rent payments by the family. The family chooses a unit with the knowledge, they would be responsible for the minimum of 30% or a maximum of 40% of their income.
