ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Executive Summary

This is the Five-Year Plan and Annual Plan for Edgewood Housing Authority. The Housing Authority's fiscal year begins October 1, 2000. The Five-Year Plan is for fiscal years 2000 through 2005 and the Annual Plan is for fiscal year 2000-2001.

Edgewood Housing Authority administers 50 units of Public Housing and 34 Section 8 Certificate/Vouchers. The chart below shows the number of public housing units by household type and bedroom size:

<u>Elderly/Disabled</u>	<u>Family</u>	<u>Off-line for Community Service</u>
22 One-Bedrooms	4 One-Bedrooms	2 Efficiencies
	12 Two-Bedrooms	
	10 Three-Bedrooms	

Of these units, there is one each of a one, two and three-bedroom apartment which has been modified for wheelchair accessibility.

A Board of Commissioners made up of 5 members who are appointed by the mayor oversees the agency and sets policy. The agency was established in 1963.

The mission of the Housing Authority, stated above, was adopted by the Board on October 26, 1999. When the Board adopted this statement, it knew that there were many ways that the Authority could provide adequate and affordable housing and subsidize housing. The mission also requires the Housing Authority to extend its role beyond housing assistance and develop programs which provide economic self-sufficiency to the families it serves. Finally the mission statement charges the authority with the responsibility to affirmatively further fair housing and deliver the programs in a way that all those served are treated equally with dignity and respect.

Elderly and disabled families currently occupy 59% of the units. Of the remaining 41% occupied by families, 78% have a working family member and only 22% are occupied by unemployed families. The Housing Authority intends to continue to increase the number of working families over the next five years to over 85%. We will accomplish this through flat rents, rent incentives and working closely with social services agencies to provide job training and employment opportunities.
