#### A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

#### Section 2: PHDEP Plan Goals and Budget

#### A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

Based on resident reports and RHA staff observations, we believe that illegal drug use and sale is prevalent among a certain cohort of residents at Forest Park family public housing development. To address this issue RHA intends to procure on-site security and patrol services with a private sector company. This security company will conduct random patrols of this site, and generate daily incident reports. In addition, when illegal activity is identified, and suspect(s) are detained, the Rutland Police Department will be called to enforce the law as appropriate.
