ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

The mission of Winooski Housing Authority (WHA) is to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination. To further this mission, during the next year WHA intends to undertake activities that will: expand it's supply of assisted housing, improve the quality of assisted housing within it's jurisdiction, increase the choice of assisted housing among WHA's stakeholders, and work to ensure equal opportunity and affirmatively further fair housing.

In order to expand the supply of assisted housing WHA intends to apply for additional Section 8 Vouchers and explore opportunities that will allow the leveraging of private or other public funds to create additional housing opportunities. Examples of possible funding opportunities are the Low Income Housing Tax Credit Program, and the Community Development Block grant program.

WHA intends to improve the quality of assisted housing stock within it's jurisdiction by utilizing the HUD Public Housing Capital Grant Program. Anticipated work items include unit remodeling, the painting of building exteriors, and modernization of facility's mechanical systems. In addition, WHA recognizes that improvements can and should be made to the manner in which it's Section 8 Housing Assistance Programs are being administered. Therefore, for the period in question, WHA has a goal of achieving a Section 8 Management Assessment Program score of at least 80%.

The apartment stock in WHA's jurisdiction has an extremely low vacancy rate. As a result, the agency's Voucher clients are challenged with finding suitable units in which to reside. To address this issue WHA staff will engage in outreach activities geared towards potential and current Section 8 landlords, on a case by case basis, with a goal of improving the client lease-up success rates.
