### ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Waynesboro Redevelopment and Housing Authority is a small PHMAP High-Performer agency located in Augusta County, Virginia. The WRHA manages 191 units of public housing on seven sites throughout the City of Waynesboro.

The mission of the WRHA is:

To provide or make available, decent, safe, affordable housing to low income citizens of our community through the administration of assisted housing programs, housing rehabilitation programs, homeownership opportunities or through other such means as are necessary and suitable;

To form alliances and partnerships with public and private sector groups to promote and encourage the concept of self-sufficiency to all assisted housing residents; and

To operate the agency in a fiscally appropriate, efficient and cost effective manner.

The WRHA will accomplish its mission ideals through its goals and objectives:

- 1. Providing decent, safe, affordable housing for very low income individuals and families.
- 2. Ensuring equal opportunity in housing for everyone.
- 3. Respond to resident requests for maintenance or assistance in a timely manner.
- 4. Focus on excellence in client/customer service.

- 5. Promote the concept of self-sufficiency to all public and assisted housing residents.
- 6. Address the issue of homelessness in the community by making the general public aware of this problem.
- 7. Develop means and programs to address the issue of homelessness such as the Continuum of Care.
- 8. Focus on the rehabilitation of existing housing for low income individuals and families.
- 9. Develop homeownership opportunities for low income individuals and families
- 10. Explore sources of funding to develop additional rental housing for the very low income such as the Low Income Housing Tax Credit Program, HOME Program, CDBG Program.
- 11. Implement policies and procedures in accordance with the Quality Housing and Work Responsibility Act of 1998 and PHAS regulations.
- 12. Operate the Waynesboro Redevelopment and Housing Authority in a cost effective and efficient manner.
- 13. Seek partnerships with community agencies to increase services to public and assisted housing residents and avoid duplication of efforts.
- 14. Seek to be a partner to other community agencies.
- 15. Undertake new programs and develop innovative means to meet the housing and social service needs of the community at large.

The WRHA's financial resources include an operating fund, capital fund, dwelling rental income and Section 8 Administrative fees which will be used to operate the agency in the most cost effective means possible and still provide the services and activities for its residents.

The WRHA has assessed the housing needs of Waynesboro and surrounding Augusta County area and has determined that it is currently and will continue to meet the housing needs of the community to the extent practical for a very small agency. The WRHA has approved a Deconcentration Policy and will utilize Local Preferences to attract and encourage applicants that can qualify for public housing. The WRHA has determined that its housing strategy complies with the state of Virginia's Consolidated Plan

The WRHA has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHWRA requirements. The WRHA has established a minimum rent of \$25.00 and elected to recognize its flat and ceiling rents as synonymous and chosen to select the local Fair Market Rents (FMR) to determine its dollar value

The WRHA has conducted a physical needs assessment to determine its modernization requirements and has developed an Annual and 5 year Action Plan to address its

Expires: 03/31/2002

Capital Improvements.

The WRHA has no plans to demolish or dispose of any of its properties. The WRHA has jointly addressed with the local police department to develop safety and crime prevention that adequately meets the needs of its residents including an ongoing Drug Elimination Grant from HUD.

The WRHA has developed an agency wide Pet Policy that allows any family to have a pet if they follow a set of rules.

The WRHA has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing in addition, the WRHA has included a copy of its most recent fiscal year audit reports as part of the documentation made available for public review during the 45 days prior to submission of WRHA's Agency Plan to HUD on December 1, 1999

Because the WRHA is a PHMAP High-Performer, it was not required to respond to the following Annual Plan components.

- 1. Operations and Management
- 2. Grievances Procedures
- 3. Designation of Public Housing
- 4. Conversion of Public Housing
- 5. Homeownership\*
- 6. Community Service
- 7. Asset Management

\*The WRHA currently has a very successful Homeownership program and plans to continue this effort in the future.
