ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Wise County Redevelopment and Housing Authority is a small PHMAP Standard-Performer agency located in Wise County, Virginia. The WCRHA manages 193 units of public housing at four developments.

The mission of the WCRHA:

The vision of the Wise County Redevelopment and Housing Authority is to promote a strong sense of self-sufficiency in our clients. This will be accomplished through:

- Progressive Leadership
- Flexibility
- Compassion and Understanding

The Wise County Redevelopment and Housing Authority will be staffed by highly productive employees who are effective communicators and have a high degree of job satisfaction. The staff will achieve their superior performance through access to advanced technology and through the use of positive incentives.

The WCRHA will accomplish its mission ideals through its goals and objectives:

1. Providing decent, safe and affordable housing in your community.
2. Ensuring equal opportunity in housing for everyone
3. Promoting self-sufficiency and asset development of financially disadvantaged families and individuals.
4. Increase resident participation through resident council and/or advisory committee.

5. To provide timely response to residents' request for maintenance problems.
6. To return vacated units with new resident in 20 days.
7. To continue to enforce our "One Strike" policies for resident and applicants.
8. To improve and/or maintain our financial stability through aggressive rent collections and improved reserve position

The WCRHA's financial resources include an operating fund, capital fund, dwelling rental income and Section 8 Administrative fees which will be used to operate the agency in the most cost effective means possible and still provide the services and activities for its residents.

The WCRHA has assessed the housing needs of Coeburn and surrounding Wise County area and has determined that it is currently and will continue to meet the housing needs of the community to the extent practical. The WCRHA has approved a Deconcentration Policy and will utilize Local Preferences to attract and encourage applicants that can qualify for public housing. The WCRHA has determined that its housing strategy complies with the state of Virginia's Consolidated Plan

The WCRHA has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHWRA requirements. The WCRHA has established a minimum rent of \$25.00 and elected to recognize its flat and ceiling rents as synonymous and chosen to select the local Fair Market Rents (FMR) to determine its dollar value.

The WCRHA has conducted a physical needs assessment to determine its modernization requirements and has developed an Annual and 5 year Action Plan to address its Capital Improvements.

The WCRHA has no plans to demolish or dispose of any of its properties nor does it have or plan to establish a Homeownership program. The WCRHA has jointly addressed with the local police department to develop safety and crime prevention that adequately meets the needs of its residents.

The WCRHA has developed an agency wide Pet Policy that allows any family to have a pet if they follow a set of rules.

The WCRHA has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing. In addition, the WCRHA has included a copy of its most recent fiscal year audit reports as part of the documentation made available for public review during the 45 days prior to submission of WCRHA's Agency Plan to HUD before July 18, 2000.

Because the WCRHA is a small PHA (under 250 units), it was not required to respond to the following Annual Plan components.

Operations and Management
Grievances Procedures
Designation of Public Housing

Conversion of Public Housing
Community Service
Asset Management

**WISE COUNTY REDEVELOPMENT AND HOUSING AUTHORITY
DECONCENTRATION POLICY**

It is the policy of the Wise County Redevelopment and Housing Authority (WCRHA) to house families in a manner that will prevent a concentration of very poor families and/or a concentration of higher income families in any one public housing development. The specific objective of the WCRHA is to house at least 40 percent of its public housing inventory with families that have an income of at or below 30% of the area median income in each public housing development. Also the WCRHA will take actions to insure that no individual development has a concentration of higher income families. The Authority will not house more than 60% of its units in any one development with families whose incomes exceed 30% of the area median income.

To accomplish these goals, the WCRHA will:

- Track the status of family income, by development, on a monthly basis.
- Not house families with incomes that exceed 30% of the area median income into projects that are occupied by more than 60% of higher income families.
- Encourage higher income residents to relocate to low income developments and lower income residents relocate to higher income developments
- Give local preferences for the selection of applicants necessary for the compliance of this deconcentration policy
- Each fiscal year establish a goal and house at least 40% of its new admissions with families whose incomes are at or below 30% of area median income.

DECONCENTRATION RULE

The objective of the deconcentration rule for Section 8 tenant-based assistance is to admit no less than seventy-five percent (75%) of its new admissions to the program to families that have income at or below thirty percent (30%) of the area median income. The PHA will track the status of all new admissions monthly by utilizing income reports generated by the PHA's computer system. The goal will be tracked semi-annually. The practice will continue until the PHA achieves its goal. The PHA's Section 8 applicant selection process, which is contained in the Section 8 Administrative Plan, provides for the utilization of local preference to accomplish this goal.
