DECONCENTRATION POLICY

It is Kennewick Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Kennewick Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

COMMENTS OF RESIDENT ADVISORY BOARD

**RESIDENT ADVISORY BOARD (RAB)
MEETING MINUTES**

Meeting Date: 07/14/00

Meeting Time: 11:00 a.m.

**Members Present: Terry Madigan
Debi Yadao
Hermelinda Vasquez
Dale Fagalde**

**Members Absent: Deborah Northern
Bob Hill**

KHA staff met with 2 new recruited RAB members, Hermelinda Vasquez and Dale Fagalde, (Bob Hill – absent) as two of our Public Housing Residents moved out of Sunnyslopes Homes recently.

Terry briefly explained the purpose of the RAB and the process of reviewing items in the Agency Plan that the Seattle Field office found as discrepancies to our Plan that was transmitted in April. Primarily there were a lot of changes that affected the agency as a whole. Terry also explained to the RAB that KHA would be utilizing them in the future for further review/discussion pertaining to the Agency Plan.

Terry went on to explain in detail to the RAB of one of the two discrepancies that HUD had found– Capitol Funds. He explained that the Capitol Funds would be utilized for modernization purposes over the next five years reviewing the CPF Annual Statement form.

Hermelinda inquired what KHA does with the old stoves/refers that are being replaced. Terry told her that KHA tries to salvage most of them for parts or sells those that can be sold. There was discussion about the security card system at Keewaydin Plaza. Terry reviewed the Optional 5-Year Action Plan for each development , the PHA-wide Action Plan, and the PHDEP Program Plan.

The Financial Resources form was reviewed and explained to the RAB the income KHA receives minus the expenditures.

In review of the PHDEP Program Plan, Terry explained that the money would be spent on additional exterior lighting, drug prevention, education and awareness promoted through the Resident Council and

that the majority of the funding would go to Boys 'n Girls Club to enhance the prevention, education and awareness of drug elimination. Since Boys 'n Girls Club has been here on-site, there has been a considerable decrease in the amount of crime in our public housing development.

Lastly, Terry explained the four components of PHAS and the possible points KHA could score and the possibility of receiving additional funds for high performing PHAs.

Terry asked the RAB if they had any questions or concerns and Hermelinda had a concern about the window screens that the tenants destroyed should be the tenant's responsibility to pay for. Terry agreed and indicated that this was correct. The other concerns brought up were areas of high volume traffic of children playing, riding bikes, etc. the grass is not growing well. Terry said that possibly they would look into getting sod. The other concern was the security and adding additional exterior lighting and child-proofing the entry door handles so that small toddlers could not open the doors and escape.

The RAB had no other concerns or questions and had no objections to KHA's transmittal to HUD. The meeting adjourned at 12:00 noon.

1:15 p.m.

One of the RAB members came back to the office and made a recommendation for the PHDEP to include drug and criminal background checks to be paid out of that funding.

RESIDENT ADVISORY BOARD (RAB) MEETING MINUTES

Meeting Date: 03/29/00

Meeting Time: 3:00 p.m.

Members Present: Debi Yadao
Beatrice Espindola
Deborah Northern

Members Absent: Terry Madigan

Debi met with the RAB concerning the Eligibility, Selection and Admissions, Rent Determination, Operations and Management and Maintenance Policy.

There were questions regarding the \$40 Minimum Rent that KHA has adopted. Deborah was wanting to know if that is the minimum rent that a resident can pay and what constitutes a minimum rent. I explained that a person on the Section 8 Program who has little or no income customarily would pay a zero rent and a Utility Reimbursement Payment (URP) would more than likely be applied to their utility account. Using

the \$40 minimum rent would reduce the URP that the Housing Authority would have to pay. In the Public Housing Program, a person who has little or no income would pay \$40, that would also include their utilities.

Deborah also asked what type of professional training we offer our staff. I explained that we try to provide training to our staff as it relates to their job and availability, cost, etc. I further explained that the Housing Authority tries to send as many staff to area local training one-day sessions, as it isn't as cost-prohibitive (lodging, meals, travel).

Beatrice had some concerns about the weatherization in the Public Housing units, I had explained to her that all the Public Housing units had been energy-efficient with the modernization work that had been done over the past few years.

There were no further questions, concerns, comments. Debi announced that a meeting would be scheduled in April and that we would be getting a hold of them later.

The meeting adjourned at 4:00 pm.

RESIDENT ADVISORY BOARD (RAB) MEETING MINUTES

Meeting Date: 03/01/00
Meeting Time: 4:00 p.m.

Members Present: Terry Madigan
Debi Yadao
Beatrice Espindola
Marcelina Fuentes

Members Absent: Deborah Northern

Debi did a brief review of each section of the Agency Plan that the RAB had been given.

Beatrice and Marcelina both had questions regarding the Flat Rents vs. the Formula Rents for Public Housing residents. Terry explained that this rent method would benefit those families who have an increase in earned income and would basically pay a flat rent that was established by the KHA. This would be an incentive to help families become self-sufficient. When the family's income decreased they would have the option of going back to the formula rent and pay the lesser amount in tenant rent.

Debi advised the members to carefully review Section 3 – Eligibility, Selection and Admissions and bring back any comments, questions or concerns to the next meeting.

Debi announced that other sections of the Agency Plan will be distributed as they become available.

Meeting adjourned at 5:00 p.m. Next meeting was scheduled for next Thursday, 3/23/00, at 4:00 p.m.

Copies of the Agency Plan (Sections 1-3) were distributed to the members.

Terry explained the need for the Agency Plan and how the Agency Plan will address how the Kennewick Housing Authority implements the programs that they administer.

Debi explained that there are basically two programs that the KHA administers – the Public Housing and the Section 8 Programs.

The member(s) were asked to review the first 3 sections and to bring back any comments, questions, concerns, etc. back to the next meeting and we would address them at that time.

The meeting adjourned at 4:45 p.m. The next meeting was scheduled for the following Thursday, 2/17/00 at 4:00 p.m.
