**ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Annual Plan for the Housing Authority of the Village of Bruce is geared toward accomplishing the goals and objectives set forth therein. The plans, policies, financial data, etc. are a part of our strategy for meeting our goals.

HUD has rated the Housing Authority of the Village of Bruce, Wisconsin as a High Performer since 1994. As a High Performer and as a small Housing Authority with less than 250 units, this agency is eligible to submit a streamlined Annual Plan to HUD.

The statistics contained within have been obtained from the U.S. Census Data, Rusk County Census data, Rusk County Clerk's Office and the State of Wisconsin's Consolidated Plan.

**1. STATEMENT OF HOUSING NEEDS**

Rusk County has a total population of 15,079 persons with a total number of 5676 households. Of those households, 468 were below 30% of Median Income. There were 386 affordable occupant owned or rental units available to serve the needs of these households, reflecting a shortfall of 82 units. There was a total of 2730 persons over the age of 65. Of that number 364 were classified at very low income (below 30% of median income). The numbers indicate a need for family and elderly housing, but at the current time, the Bruce Housing Authority is experiencing vacancies in its elderly units. The waiting list for

two and three bedroom units is very small. Efforts are being made to attract these people to the Bruce area.

The housing situation for poor families Rusk County is also problematic. Fifty Three percent (53%) of all households in the county had incomes classified at moderate, low and very low-income levels. Fair Market rent set by HUD for a 3-bedroom house in Rusk County is \$521.00 per month. The Median income in Rusk County is \$19,617.00. It is difficult for people at that income level to find suitable housing at an affordable price unless they are being assisted. The BHA makes every effort to quickly fill family vacancies with eligible families who meet the admission requirements set forth by HUD regulations.

The Housing Authority of the Village of Bruce is experiencing a problem with vacant units in its elderly family units. We currently have no waiting list and are in the process of changing the admission policy to broaden the base of eligible individuals. Our family waiting list is very small. The BHA has 3 applicants waiting for 2 bedroom units and no applicants for 3 bedroom units. Waiting lists have been decreasing in recent months. Our turnaround rate is sporadic. The last 5 year average turnover for family units is 2 per year and 7 per year for elderly units. In the first 8 months of this fiscal year, we have had 4 family turnovers and 6 elderly.

The minority population in Rusk County is less than 1% and thus has no statistical bearing in regard to the housing needs of any minority group.

In order to meet the shortage of affordable housing for all eligible population groups in our area of service, the Bruce Housing Authority will maximize the number of affordable units available within its current inventory. This will be accomplished by employing effective maintenance and management policies to minimize the number of units off-line and by reducing turn-around time.

The greatest need for affordable housing in Rusk County is among those households at or below 30% of median income. HUD federal targeting requirements are that 40% of all assisted families be in the very low income target range. Currently, the Bruce Housing Authority serves 3 families (60%) whose incomes are at or below this target range. The Bruce Housing Authority will strive to maintain a level at or above 40%.

While serving the very low-income population, the Bruce Housing Authority will also adopt rent policies that support and encourage employment and self-sufficiency.

Although the Bruce Housing Authority would like to be able to assist all those in need, it is impossible to do so. In implementing the strategies and policies to maintain and increase affordable housing for the low and very low-income residents of Rusk County, the BHA

must take into consideration the following factors: funding constraints, staffing constraints and HUD rules and regulations.

## **2. STATEMENT OF FINANCIAL RESOURCES**

The Housing Authority of the Village of Bruce, based on previous year's funding and income sources and current sources, has estimated its resources as follows: \$450.00 Performance Funding, \$64,397.00 Capital Fund (based on 92% of 1999 amount); \$99,350.00 Dwelling Rental Income (based on June 2000 rents); \$7,025.00 Interest Income (based on target rate of 4.92% and \$9,895.00 Miscellaneous Income. Our total revenue is estimated to be \$181,117.00.

## **3. POLICIES GOVERNING ELIGIBILITY, SELECTION AND ADMISSIONS**

All admissions and continued occupancy policies of the Housing Authority of the Village of Bruce, Wisconsin are available upon request at the Bruce Housing Authority's office located at 503 N Coleman St, Bruce, WI 54819.

This agency performs a preliminary evaluation of eligibility upon receipt of application and an in depth one before a final determination is made. Many factors effect the eligibility of applicants. Eligibility requirements are found in the Admission and Occupancy Policy.

The Bruce Housing Authority has adopted admissions policies with goals to: admit at least 40% of all new admissions with incomes at or below 30% of median income for Rusk County; attain a stable tenant body by admitting families with a broad range of income; and to deconcentrate poverty with income mixing. Due to all of BHA's units being located in one area, management has not found that concentrations of poverty exist.

The Housing Authority of the Village of Bruce has established preferences for admission over and above date and time of application. The waiting list is organized by unit size, date and time of application. When a unit becomes available, the preferences are applied. These preferences are listed in the Admission Policy.

Information regarding the rules of occupancy of public housing is included in the lease, the Admissions and Occupation Policy and in a Handbook that is given to each tenant at the time of lease signing.

## **4. RENT DETERMINATION POLICIES**

Rent is determined as follows: policy established minimum based rent of \$50.00 or income based rent of 30% of adjusted gross income; whichever is HIGHER. The Bruce Housing

Authority uses the adjusted gross income formula to determine rent. It has adopted a flat rent policy that will be updated from time to time as necessary.

Family units are responsible for paying all utilities except garbage. A utility allowance is established based on size of unit and is then deducted from the rent as calculated at 30% of adjusted gross income. The utility allowance is reviewed annually and adjusted accordingly. In the elderly families, all utilities are paid by the BHA except for part of the cable TV and excess electric used by tenants based on monthly meter readings.

All changes in income must be reported within 10 days of such a change. If income declines, rent will be adjusted accordingly for the next rent period provided the information is received early enough in the month so that it can be processed. If income increases over a certain amount, the rent change is effective the first day of the second month.

## **5. CAPITAL IMPROVEMENT FUNDS**

The Bruce Housing Authority has chosen to place all Capital Funds into Operations. With the recent completion of the BHA's 4<sup>th</sup> CIAP project, few improvements are planned at this time. Area's addressed by the PHAS inspections will be considered. The Bruce Housing Authority is not providing an optional 5-year action plan for Capital Funding.

## **6. DEMOLITION AND DISPOSITION**

The Housing Authority of the Village of Bruce, Wisconsin does not plan to conduct any demolition or disposition activities pursuant to Section 18 of the United States Housing Act of 1937 during this fiscal year.

## **7. SAFETY AND CRIME PREVENTION**

The Bruce Housing Authority has been rated as a High Performer and is classified as a Small Agency with less than 250 units. Therefore it is exempt from this component of the Agency Plan. However, the BHA, is required to implement a follow-up plan for the communication and safety sections of the REAC-RASS program. See Attachments A & B.

## **8. PET POLICY**

The Bruce Housing Authority has an established Pet Policy that allows for elderly families to have one dog or cat in their unit. Tenants with these pets must provide an additional security deposit, proof of appropriate pet licensing, neutering or spaying, proper shots and vaccinations. Pets such as fish, birds, hamsters, etc. are allowed in all units and do not fall

under the Pet Policy. The full pet policy may be viewed at the office of the Bruce Housing Authority, 503 N Coleman St, Bruce, Wisconsin, 54819.

## **9. CIVIL RIGHTS CERTIFICATIONS**

Civil Rights certifications are included in the Plan Certifications of Compliance with the PHA Plans and Related Regulations available for examination before submission to HUD and at the administrative offices of the Bruce Housing Authority. These documents may be viewed upon request at 503 N Coleman St, Bruce, Wisconsin, 54819.

## **10. FISCAL AUDIT**

The Bruce Housing Authority submits to an annual audit under section 5(h)(2) of the United States Housing Act of 1937 (42USC 1437c[h]). The most recent audit for FYE 9/30/99 was submitted to HUD. There were no findings as a result of the audit. Copies of this audit and previous audits may be viewed upon request at the office of the Bruce Housing Authority, 503 N Coleman St, Bruce, Wisconsin, 54819.

## **11. OTHER INFORMATION**

At this time no resident serves on the Board of Commissioners. Four residents have shown interest in serving in this capacity. One shall be chosen to replace a resigning board member at the Annual Meeting in August, 2000.

### **Deconcentration Policy**

The Housing Authority of the Village of Bruce has two projects of elderly (40) and family (5) housing units under the Public Housing Program. Because all the units are located within the same Village block, we can not deconcentrate the ver low-income elderly and family. However, these persons are mixed with various income categories within the complex and are not concentrated in one end or area of our project. In addition, the family units are all located at one end of the block and represent only two buildings. Since there are only 5 family units, the families are not deconcentrated, as they are placed by bedroom need. The Housing Authority of the Village of Bruce will strive to continue to promote deconcentration of poverty.

### Communication Follow-Up Plan

According to responses, the most concern is with the information provided by management about the rules of the lease and meetings and events. Further, the courteousness and professionalism of management requires adjusting.

During FYE 2000, management will hold meetings to answer questions about the lease, rules and regulations. Tenants will be asked how better management can serve them within the constraints of the position. No target date for completion will be set. Management believes this will be an ongoing process. Funding for meetings and copies should be minimal and will be taken from normal operating funds. This addresses the communication portion of the survey.

## **Attachment D**

### Safety Follow-Up Plan

According to responses, bad lighting and police response time contribute to crime in our development. Further, tenants feel they are not educated as to the available crime prevention programs in this area. During FYE 2000, management will hold tenant meetings to learn more about their concerns and to educate tenants on available programs. Included will be TRIAD: a group of elderly, law enforcement, and interested individuals who monthly discuss fraud and abuse in this area. Management will work with local law enforcement to educate the tenants. Like the Communications plan, the target date will be ongoing. If more lighting is required, the BHA feels minimal costs will be involved and can be supported by current funding sources.
