**ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Annual Plan was developed by the Scottsboro Housing Authority (SHA) in accordance with the Rules and Regulations promulgated by HUD.

The goals and objectives of the SHA are contained in the Five-Year Plan and the ACOP/Section 8 Administrative Plan. These were written to comply with the HUD guidelines, rules, regulations, and Federal Law. The basic goals and objectives are:

1. Increase the availability of decent, safe and affordable housing in Scottsboro, Alabama.
2. To insure equal opportunity in housing for all Americans.
3. To promote self-sufficiency and asset development of families and individuals.
4. To help improve community quality of life and economic vitality.

This plan was written after consultation with necessary parties and entities as provided in the guidelines issued by HUD. All necessary accompanying documents are attached to the document, or are available upon request.

The PHA plans to make as many affordable housing units, that are suitable for living, and that will meet the economic needs of families, available to as many families as possible in the jurisdiction it serves. We intend to make capital improvements to our existing housing stock with available funds to improve living conditions. We further plan to improve our vacancies by improving our turn-around time for vacant units, and lease up capability to ensure more families in occupancy.

We plan to follow the deconcentration and income mixing policies, following information taken from the development analysis, to insure a balance of income levels and income mix at each development. The PHA has set a discretionary minimum rent for public and Section 8 housing, and has adopted a minimum rent hardship policy.

### **REQUIRED ATTACHMENT A:**

#### **ADMISSIONS POLICY FOR DECONCENTRATION**

1. Objective: The objective of the Deconcentration Rule for public housing units is to ensure that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development. The specific objective of the housing authority is to house no less than 40 percent of its public housing inventory with families that have income at or below 30% of the area median income by public housing development. Also the housing authority will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the housing authority does not concentrate families with higher income levels, it is the goal of the housing authority not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The housing authority will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the housing authority's computer system.
  
2. Actions: To accomplish the deconcentration goals, the housing authority will take the following actions:
  - A. At the beginning of each housing authority fiscal year, the housing authority will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous housing authority fiscal year.
  
  - B. To accomplish the goals of:
    - (1) Housing not less than 40% of its public housing inventory on an annual basis with families that have incomes at or below 30% of area median income, and
  
    - (2) Not housing families with income that exceed 30% of the area median income in developments that have 60% or more of the total household living in the development with incomes that exceed 30% of the area median income, the housing authority's Tenant Selection and Assignment Plan, which is a part of this housing authority's Admissions and Continued Occupancy Policy, provides for skipping families on waiting list to accomplish these goals.

REQUIRED ATTACHMENT A

#### **SECTION 8 TENANT – BASED ASSISTANCE PROGRAM DECONCENTRATION POLICY**

The objective of the deconcentration rule for section 8 tenant-based assistance is to admit no less than 75% of its new admissions to the program to families that have income at or below 30% of the area median income. The HA will track the status of all new admissions monthly by utilizing income reports generated by the HA's computer system. The goal will be tracked monthly and if the HA is not reaching its goal, families will be skipped on the waiting list to admit a family that has income that is at or below 30% of area median income. The practice will continue until the HA achieves its goal. The HA's section 8 applicant selection process, which is contained in the section 8 administrative plan provides for the skipping of families on the waiting list to accomplish this goal.

**Implementation of Public Housing Resident Community Service Requirements:  
Scottsboro Housing Authority (SHA)**

The Scottsboro Housing Authority's policy on the implementation/administration of the community service requirements is a locally-available supporting document to the SHA's FY 2001 Annual Plan.

All non-exempt residents who are 18 or older must perform volunteer work that is a public benefit and that serves to improve the quality of life, enhance resident self-sufficiency, or increase resident self-responsibility in the community. The policy gives the five (5) categories of exempt residents, including those over 62 years of age and those with documented qualifying disabilities. The policy is effective with the resident reexamination of family income and composition on or after January 1, 2000.

The requirement can be satisfied by 8 hours per month of community service, 8 hours per month of participation in an economic self-sufficiency program, or a combination adding up to 8 hours monthly or more.

Each head of household must present to the SHA documentation that he/she and all other non-exempt persons have complied with this section. Attachments to this policy are a sample certification from a community agency and samples of corrective documents used for non-compliance.

The policy lists qualifying agencies in Scottsboro and Jackson County. Also, there is a provision for qualification of an agency suggested by a resident that is not already on the list. Economic self-sufficiency programs (see above) are offered as alternatives to community service.

### **Required Attachment D:**

#### **Policy on Pet Ownership: Scottsboro Housing Authority (SHA)**

The Scottsboro Housing Authority's policy on pet ownership is a verbatim adoption of the recommended pet-ownership policy prepared by the State HUD office in Birmingham. The full text of this policy is available as a supporting document to the SHA plan. Further, the pet policy is available for review at the SHA office and is included as an addendum to SHA leases.

The policy is in two sections. Section I documents what type and size of pets tenants can and cannot have in SHA dwellings. All pets must be housed within the unit, identification is required, and pets must be leashed and under control at all times when outside the unit. Pets cannot be left unattended for more than 24 hours, and the policy stipulates the handling of pet wastes and related issues. Certain specific animals are prohibited if they have a potentially vicious nature. Owners are responsible for obeying all ordinances, ensuring that their pets do not bother other tenants, and ensuring that their pets are not destructive or threatening to people or

property. The policy outlines in detail pet restraint to allow proper maintenance to be performed in the apartment.

Section II outlines the deposit policy and the annual fee schedule for various types of pets (dog, cat, fish aquarium, fish bowl, and caged pet). The requirements for lease renewals are covered in this section. The Resident Acknowledgment Form is signed by the resident and a SHA representative. The resident certifies that she/he will abide by all stipulations in the lease addendum (pet policy), agrees to the deposit and fee requirements, and indemnifies the SHA for any claims of injury resulting from the resident's pet or pets. Finally, the form indicates the serious sanctions that could result from not complying with the pet policy in all aspects

#### **Progress in Meeting the Five-Year Plan Mission and Goals Scottsboro Housing Authority (SHA)**

The authority has initiated several plans to reduce the vacancy rates in order to expand the supply of existing housing.. Both internal and external changes have been made to achieve the goals of 95% occupancy. The SHA is almost there, with 91%+ occupancy at present.

In reference to qualitative issues, SHA has essentially achieved the PHAS score objective, and we should be at a score of 90 by year end. Voucher management has improved and it looks promising to achieve high performing status by year end.

In customer satisfaction, SHA has and will continue to have resident meetings and to improve communications; a newsletter has been created. Direct dialog with residents is being encouraged.

In reference to renovation and modernization of facilities, we are continuing with the ongoing projects that are funded by HUD.

On deconcentration, we are continuing to follow our policy and continue our efforts. We practice and will continue to practice 100% income mixing in all developments.

Outreach efforts: our goal continues to be 30 voucher landlords. We are working on it and currently are at 25. We are putting a real effort into this area.

Improved and increased security measures have included additional lighting, improving neighborhood watch programs, and maintaining good relations with the Scottsboro Police Department. We are now housing one policeman in a development, and there is a special officer assigned to the SHA.

In reference to self-sufficiency and asset development, we are setting up a research system this year to track employment, employment of residents on TANF, and increase of outside agencies and supportive services. Our goals continue to be the same.

The SHA continues to aggressively pursue measures to ensure equal opportunity and to affirmatively further fair housing.
