The plans, statements, budget summary, policies, etc., set forth in the Annual Plan all leads towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Arizona State Consolidated Plan. Here are just a few highlights of our Annual Plan.

- * We have adopted local preferences to provide for those applicants who are elderly, disabled, victims of domestic violence, homeless and working families.
- * We have adopted an aggressive screening policy for public housing to ensure to the best of our ability that new admissions will be good neighbors. In our Section 8 program, we are screening applicants to the fullest extent allowable while not taking away the ultimate responsibility from the landlord. Our screening practices will meet all fair housing requirements.
- * We have implemented a tenacious deconcentration policy the addresses the need for additional housing to be built and homeownership opportunities.
- * Applicants will be selected from the waiting list by order of preference, date and time they applied.
- * We have established a minimum rent of \$50.00 and ceiling rent for public housing.
