ATTACHMENT F PROGRESS REPORT: GOALS AND OBJECTIVES

1. *Expand the supply of assisted housing*

The Housing Authority is assisting the Solano Affordable Housing Foundation (SAHF) with the development of plans and funding sources towards the development of a 55-unit multi-family affordable housing project on three acres adjacent to Capitol Heights.

2. *Improve the quality of assisted housing*

The Housing Authority is currently completing development of the Riverhill Park adjacent to Capitol Heights, with exterior painting and plumbing improvements for several units still to be undertaken. Work will be starting soon on the replacement of the heating system and roof at its senior housing complex (not public housing). Additionally, the proposed new budget includes funds for landscaping and circulation improvements for Capitol Heights, plus new appliances and cabinets for several units. Comments from the Resident Advisory Board indicated that some ongoing but minor maintenance problems, such as appliance pilot lights that extinguish when there is extreme wind and rain and bathtubs separating from walls, needed attention. Staff will do special inspections of these particular units.

The Resident Advisory Board requested that the Housing Authority consider replacement of all Capitol Heights windows in the near future. Staff therefore will evaluate the current condition of the windows, research the replacement cost and potential energy savings, and investigate possible funding sources to allow the replacement during the subsequent fiscal year. Additionally, staff will send a questionnaire to all households asking for other ideas on needed improvements, etc.. The gathered data can then be used in next year's planning process.

3. *Increase assisted housing choices*

The Housing Authority has increased its Voucher Payment Standard to 116 percent of the Fair Market Rent, with HUD permission. Additionally, the Resident Advisory Board encouraged more aggressive outreach to area landlords, utilizing as a marketing tool the recent Section 8 regulation changes such as the "One Strike" rule. Staff has agreed.

HUD also has approved the Housing Authority's Section 8 Homeownership Program, which will be implemented this year. The Resident Advisory Board also encouraged soliciting partnerships for the Homeownership Program, such as the local chapter of Habitat for Humanity. Staff will do so.

4. *Provide an improved living environment*

The Housing Authority continues to pursue a mix of incomes among its Capitol Heights residents as it admits new families to the development.

5. *Promote self-sufficiency and asset development of assisted households*

The Section 8 Family Self-Sufficiency Program continues to allow new participants and is seeking to expand partnerships.

6. *Ensure equal opportunity and affirmatively further fair housing objectives*

In support of the planned SAHF housing project, staff has met with City of Benicia officials to advocate the facilitation of the development.

7. *Other PHA goals:*

*Establish regular communication with City staff on housing issues;
Assist City in applying for and administering grant programs.*

Housing Authority staff regularly meets with City staff regarding several ongoing projects. The Housing Authority also continues to write grant applications and perform the grant management functions in support of activities promoting affordable housing, such as residential rehabilitation, and it is currently discussing additional grant opportunities.

ATTACHMENT A ADMISSIONS POLICY FOR DECONCENTRATION

It is the policy of the Authority to avoid concentrations of the most economically and socially deprived families, and to house lower and very-low income families with a broad range of incomes and with rent paying ability sufficient to achieve financial stability in the Public Housing units owned and operated by the Authority. However, in implementing this policy, the Authority will not allow a dwelling unit to remain vacant for the purpose of awaiting application by a family falling within any underserved income category, except that the Authority may allow a dwelling unit to remain vacant if necessary to comply with the extremely low-income targeting requirements of the Quality Housing and Work Responsibility Act (QHWRA) of 1998.

On the basis of the foregoing, income ranges are hereby established to achieve a tenant body that includes a goal of 25 low income families (50-80% of median income) and 50 very low income families (under 50% of median income). Further, as required by QHWRA, 40% of new admissions to Capitol Heights in any fiscal year will go to extremely low-income families with incomes at or less than 30% of median income. If new admissions of extremely low-income families to the Section 8 program exceed 75%, the number of extremely low-income admissions to Capitol Heights may be reduced proportionately, but not below 30%. The Executive Director is authorized to adjust these income ranges to conform to any new income ranges that may be established by federal statute in the future.

The provisions of this Section shall constitute the Authority's Deconcentration Policy as required by QHWRA. Since the Authority administers only one public housing project, the Authority does not need to establish additional policies intended to bring higher income tenants into lower income public housing projects and lower income tenants into higher income public housing projects.
