**PROGRESS REPORT  
FOR THE CITY OF POMONA  
PHA 5-YEAR PLAN 2000-2004**

**Section B. GOALS**

**Objective improve the quality of assisted housing:**

- a) Pomona Housing Authority has upgraded both its hardware and software system. The new computer system provides us the ability to track & monitor client activities more accurately and in a more timely fashion. With this ability, our reporting to MTCS has improved to 96% and SEMAP requirements have become easier to monitor and report on.

**Increase Customer Satisfaction:**

- b) Since the submission of our PHA 5-Year Plan, Pomona has implemented a 24-hour/two (2) response time to complaints. Complains/concerns from (participant, owner or public) are being handled within two working days. This has greatly improved relationships with clients and owners participating in our rental program. With this new policy, we feel that satisfaction for all involved has improved considerably.

**B. Section 8**

**(3) Search Time**

- c) On initial issuance of voucher, Pomona Housing Authority now gives clients a total of 120 days to locate a unit. This change has been instituted to provide our clients with ample time to locate a unit. It gives our families more freedom and peace of mind while seeking and deciding on a unit. Clients are no longer required to keep logs detailing their search for a unit, which allows them to concentrate on their search and not on unnecessary paperwork.

**11. Homeownership Programs Administered by the PHA**

- d) Since initial submission, Pomona Housing has been referring clients to the First time Home Buyer Program administered through our Community Development Department. We have also met with local HUD (L.A. area office) staff to discuss the Section 8 Home Ownership Program and have begun to explore the possibility, advantages & benefits this type of program would offer our families.

**12. PHA Community Service and Self-sufficiency Programs**

**A. PHA Coordination with the Welfare (TANF) Agency**

One of the goals the we found to be most profitable not only to us as an agency but to our clients was to establish, cultivate and maintain a good working relationship with the local Department of Social Services (DPSS). The local DPSS office has dedicated a liaison in their office that will and does assist both our office and our families in the verification process, with problems clients may encounter with their welfare case.

At the same time, we have become more involved and active with the non-profit and service providing agency in our jurisdiction. The local nonprofits and other service providers have teamed up and formed a coalition so that clients in our area can be informed and educated about services that are available in the area. This has proved to be a big benefit to our clients since they do not waste time going from agency to agency to learn about services they may be eligible for.

**MISSION**

Pomona Housing Authority plans to continue to seek ways to improve the administration of our rental program. We will strive to serve our clients to the best of our ability and to improve our reporting process to HUD. We plan to continue to cultivate, improve and maintain our relationship with our local HUD office and staff.
