State the PHA's mission for serving the needs of low-income, very low income, and extremely low-income families in the PHA's jurisdiction. (select one of the choices below)

The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

- The PHA's mission is:  
To improve and expand the City's housing stock, address the needs of low-income and moderate-income residents, and stimulate the physical and economic revitalization of the City's residential neighborhoods in concert with other public, private, and nonprofit organizations.

**B. Goals**

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, PHAs ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.

- PHA Goal: Expand the supply of assisted housing.  
 Quantifiable measures would include the supply of units, number of families served or PHAS scores

Objectives:

- Apply for additional rental vouchers:  
When NOFAs are published addressing the availability of additional vouchers, RHA will submit an application to secure new subsidies for the community. This goal can be met by encouraging households to become participants in the Family Self-Sufficiency Program, by counseling CalWORKS sanctioned families as to the benefit of being in compliance, by increasing the interim redetermination income threshold from \$150.00 to \$300.00 and providing a full thirty-day notice prior to their subsidy portions being effected.

**C. Strategy for Addressing Needs**

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

Although the new Housing Choice contains many facets of change, the Redding Housing Authority continues its commitment to maintain a lease-up rate of more than 98%. However, in the past year, this achievement was difficult to maintain due to the loss of lease months during the conversion process and income targeting. The combination of those issues increased the leases lost by more than 200 during this last year. The RHA did apply for additional vouchers under the Mainstream for the Disabled Program, but were not funded. However, the RHA did obtain additional vouchers due to the opting out of cooperative. The RHA gained 48 additional vouchers with the completion of that conversion. RHA will remain diligent in its efforts to maximize in the community the federal funds available for subsidies and whenever feasible secure additional funding. Housing staff is available on a daily basis to respond to public inquiries regarding program participation. Staff will provide a landlord workshop and cosponsor a Fair Housing Workshop. These strategies are realistic and achievable.

**(1) Strategies**

**Need: Shortage of affordable housing for all eligible populations**

**Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:**

  - Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
  - Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
  - Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
