ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Englewood Housing Authority has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

We have adopted the following mission statement to guide the activities of the Englewood Housing Authority.

The mission of the Englewood Housing Authority is to assist low-income families, in a non-discriminating manner, with safe, decent and affordable housing opportunities as they strive to achieve self-sufficiency and improve the quality of their lives. The Englewood Housing Authority is committed to operating in an efficient, ethical, fiscally-responsible, and professional

manner. The Englewood Housing Authority will create and maintain partnerships with its clients and appropriate community agencies in order to accomplish this mission.

We have also adopted the following goals and objectives for the next five years.

The goals and objectives adopted by the Englewood Housing Authority are:

Goal One:

Manage the Englewood Housing Authority's public housing and tenant-based housing in an efficient and effective manner thereby qualifying as at least a standard performer under PHAS and SEMAP.

Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:

- We have adopted three local preferences—for applicants who are homeless, for applicants who are elderly, disabled or displaced.
- We have adopted an aggressive screening policy for public housing to ensure to the best of our ability that new admissions will be good neighbors. In our Section 8 program, we are screening applicants to the fullest extent allowable while not taking away the ultimate

responsibility from the landlord. Our screening practices will meet all fair housing requirements.

- Applicants will be selected from the waiting list by preference and in order of the date and time they applied.
- We have established flat rents for all of our developments.

In summary, we are on course to provide safe, decent and affordable housing opportunities for low-income families in Englewood.

Attachment A: Admissions Policy for Deconcentration

It is the Englewood Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing in its only public housing development by actively and affirmatively marketing our housing to all eligible income groups in Englewood.

Prior to the beginning of each fiscal year, the Englewood Housing authority will analyze the income levels of the persons residing in the development, the income levels of the community where the development is located, and the income levels of the persons on the waiting list. Based on this analysis, we will determine the level of marketing strategies needed to encourage the widest range of eligible income level persons to apply for housing, if necessary.

The Englewood Housing Authority has a long-standing commitment to affirmatively further fair housing and to administer all programs in compliance with all applicable civil rights requirements and will continue in that tradition.
