**Capital Fund Program
Annual Statement**

Capital Fund Program Annual Statement

The Housing Authority of the City of Loveland owns 80 units under the Public Housing Program. Of these units, fifty (50) are one bedroom apartments housing elderly, disabled or handicapped individuals. This complex hosts two common area laundry facilities, one dining room, one library and one main lobby. Residents are served hot lunch daily by a Larimer County program and are offered daily transportation to local grocers by the Housing Authority van. Additionally to these units, the HACOL owns 30 single family homes which are scattered throughout the City of Loveland, hosting either three or four bedrooms. These single family units house larger low-income families which are offered Family Self Sufficiency (FSS) services and escrow accounts.

During the past year, the HACOL received \$135,692 through the Capital Fund Program. As instructed by HUD during the change over from CIAP programs to Capital Fund programs, the HACOL takes the consideration of establishing a “savings” for these homes quite literally. Each year, the HACOL staff budgets the Capital Funds money for administration, needs of existing units, savings (reserve for replacement items) and catastrophic needs. HACOL recognizes the fact that we are unable to secure additional funding from HUD should we require emergency funds, therefore, we plan to “save” funds from each year, for the future.

As shown on the table included in our annual plan, the Housing Authority, City of Loveland has utilized Capital Funds during the past year for some general repair/replacement needs. Some of this work included:

- Landscaping at two of the scattered site homes to meet the needs of the surrounding neighborhood.
- Exterior paint and gutters at several of the scattered site homes
- Installation of a new security system at the Silverleaf One complex
- Installation of new appliances at the Silverleaf One complex main dining room
- Window replacement (single pane to double pane) at 6 of the single family home units
- Increased landscaping at the Silverleaf One complex (WWII Veterans Memorial Garden)

Five Year Plan Narrative

Attachment F

Five Year Plan Narrative

The Housing Authority of the City of Loveland is pleased with the progress made during the past year towards the HUD strategic goals included in the Five Year Plan. Below, please find the goal and how the HACOL addressed each one during the past year.

INCREASE THE AVAILABILITY OF DECENT, SAFE, AND AFFORDABLE HOUSING

During the past year, the Housing Authority, City of Loveland was awarded 33 new Section 8 Vouchers through the Fair Share allocation. We are in the process of leasing up all of the vouchers and have made new application for this years funding. Additionally, the Housing Authority has worked in partnership to provide 48 new moderate income apartment homes through the LIHTC program. We are currently in the leasing process of these units and stand at 80% leased after a six week period.

IMPROVE COMMUNITY QUALITY OF LIFE AND ECONOMIC VITALITY

During the past year, the HACOL utilized Capital Funds to provide our 50-unit complex with a new security system as recommended by the Loveland Police Department. This new system allows elderly residents to “buzz” in guests and visitors without passing out keys. Additionally, we have worked with our deconcentration policy to assure that at least 40% of new residents are at or below 30% AMI.

PROMOTE SELF SUFFICIENCY AND ASSET DEVELOPMENT OF FAMILIES AND INDIVIDUALS

In November, 2000 staff from the Housing Authority began meetings with the Larimer County Workforce staff to begin the process of sharing information and services to residents in Public Housing. Through this cooperative agreement, residents can obtain services with “one stop” and by signing one form vs. a multitude. Also, our Family Self-Sufficiency program graduated two families who utilized their escrow accounts to put down payments on their own homes and have now become community homeowners.

ENSURE EQUAL OPPORTUNITY IN HOUSING FOR ALL AMERICANS

With the funding of the Fair Share Section 8 Voucher application, the Housing Authority was able to provide valuable assistance to individuals/families claiming a disability. We have partnered with the Disabled Resource Center and the National Multiple Sclerosis Society in distribution of these vouchers (as stated in the application). We have undertaken affirmative measure to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status and disability through our advertisements and attendance at local groups such as DIGS (Disability Information Group), Disability Awareness Day, Black History Month

meetings, etc. The HACOL will continue to undertake affirmative measure to ensure equal housing opportunities for all.

Attachment G

Project Based Voucher Program

The Housing Authority of the City of Loveland plans to utilize project Based Assistance as described in the January 8, 2001 federal register, further described in Section 232 of the Appropriations Act.

In offering Project Based Assistance, it is the hope of the HACOL to allow participants in the Section 8 Program to receive assistance while offering them a unit which is safe, decent and sanitary and in accordance with all HUD guidelines. As prospective clients of the Section 8 Program often have difficulty in finding appropriate units which will accept the assistance, Project Basing offers expanded housing opportunities.

The Housing Authority of the city of Loveland will:

Advertise and publish owner application requirements for existing housing in the local paper (Reporter herald) for one day (3 week duration). This advertisement will specify an application deadline of at least 30 days after the date of the advertisement last published, specify the number of units the PHA estimates it will be able to assist and state that only applications submitted in response to the advertisement will be considered. Additionally, the selection policy will be publicized.

Not allow for more than 20% of the total funding available for tenant-based assistance be administered for project Basing.

Not allow more than 20% of any one building to receive Project Based Assistance.

As stated in the Federal Register/Vol. 66, No. 10/page 3608, the Housing Authority estimates that it will use no more than 62 Vouchers (Loveland) for project basing. stimated use of these vouchers will be located on the east and southwest sides of Loveland, Colorado (city limits). Additionally, the Housing Authority of the City of Loveland (as managing agent) for the Estes Park Housing Authority, may utilize Project Basing for units in the Estes Park City limits. It is estimated than no more than 10 vouchers will be utilized for the Estes Park program. The above stated regulations and policies for advertisement will apply to the EPHA as stated in the Federal Register.
