BE IT RESOLVED: That as required by Section 513 of the Quality Housing and Work Responsibility Act of 1998, the Milford Housing Authority, the Board of Commissioners hereby adopts a policy designed to achieve and, to the maximum extent practicable, maintain a mix of families representative of the full range of eligible incomes at all developments.

The Act requires that at least forty percent of applicants admitted in any year be applicants whose incomes are less than thirty percent of area median income, which will have the effect of insuring assistance to families in greatest need. The Act further requires that no development concentrate the lowest income families.

The Milford Housing Authority will accomplish the requirements of Quality Housing and Work Responsibility Act related to these two elements by revising its applicant preference system to include an income tier preference with a ranking preference for upwardly mobile families (those with an adult either working, in job training or engaged in an educational program). It is recognized that such revision will be subject to HUD approval since the current preference system is part of the Settlement Agreement in the Department of Justice lawsuit.

## Implementation of Public Housing Resident Community Service Requirements

The Housing Authority will send letters to all family units outlining the requirements for each adult member to provide eight (8) hours of community service or economic self-sufficiency activities a month. The letter will list the exemptions for individuals who need not fulfill the requirement, but will also provide the notice that, unless advised otherwise, the Authority will presume all adult family members will be required to complete and provide verification of the obligation.

In the meantime, the Housing Authority will make the required changes to the Lease and issue same for the 30-day comment period.

Tenants will be advised that they will be required to submit evidence of community service 30 days prior to annual recertification (or for those on flat rents, when the recertification would have occurred). The Housing Authority will conduct third-party verification of the statements received regarding community service and proceed with any required action.

The community service requirements are detailed in full in the Housing Authority's Admissions and Continued Occupancy Policy.
