The Area Housing Commission has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

We have adopted the following Mission Statement to guide the activities of the area Housing Commission:

The mission of the Area Housing Commission shall be to provide, within the limits imposed by applicable laws, rules, and regulations, adequate housing and related services for qualified citizens.

We have also adopted the following goals for the next four years.

- Goal 1: To preserve the stock of existing housing owned and/or managed by the AHC.
- **Goal 2**: Increase the availability of decent, safe, and affordable housing in the jurisdiction of the AHC.
- **Goal 3:** Take measures to maintain passing scores on all of the Public Housing Assessment System (PHAS) Indicators including the physical, financial, management, and resident components. The goal is to continue as a high performing agency.

- Goal 4: Ensure Equal Opportunity In Housing for all citizens in jurisdiction of AHC.
- **Goal 5:** Promote self-sufficiency and asset development of residents of housing units provided by the AHC.
- **Goal 6:** Improve the quality of life and economic vitality of the housing areas provided by the AHC.

Our Annual Plan is based on the premise that if we accomplish our goals, we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals. Taken as a whole, they outline a comprehensive approach towards our goals and are consistent with the Local Consolidated Plan.

In summary, we have developed a course to improve the condition of affordable housing in our jurisdiction which includes all of Escambia County, Florida, except the Town of Century.

<u>1. Statement of Housing Needs</u>

[24 CFR Part 903.7 9 (a)]

NEEDS ASSESSMENT RESPONSE

The Quality Housing and Work Responsibility Act of 1998 requires the Area Housing Commission to set forth in our Annual Plan a Needs Assessment of the housing needs of our jurisdiction and our waiting list. Also, we are required to state how we intend to address these needs.

Attached is the information contained in the Housing Needs Section of our Consolidated Plan. It shows there is a significant need for additional affordable housing resources in our community. Also, per the requirements, we have attached data and tables that provide an analysis of our waiting list.

The information was analyzed in the following manner. We gathered data from our waiting lists and the Escambia County, Florida Consortium Consolidated Plan. Then we looked at this information from the perspective of the required groups and for the factors set forth in the Interim Rule.

The Area Housing Commission used this analysis to prepare our five-year goals and objectives. It reflects our priorities that we have set forth in our Mission Statement.

Finally, we are required to state how we intend to address our community's housing needs to the maximum extent practical. While we wish we could meet the needs that exist in our jurisdiction, we are not optimistic about achieving this objective. The problem is that we lack the resources to address our housing needs. The Area Housing Commission does not have the resources to accomplish our objective. The Federal Government has not made a commitment of its resources to effectively address our objective. The only practical thing we can do is apply for the grant opportunities made available by the U.S. Department of Housing and Urban Development and other housing fund providers over the course of the next year.

A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

From Consolidated Plan 2000-2005

- 1) Those families with family incomes below 50% of median evidence the greatest overall need for housing-related services and support.
- 2) Over 70% of all low-income renters are faced with housing problems.
- 3) Elderly renters with incomes <30% of the median have pronounced housing problems with >60% of the elderly and >70% of all other household groups committing >30% income to rent.
- 4) With regard to severe cost burden, large family renters indicate the greatest need.
- 5) Overcrowding is most pronounced in the large family low-income type family.
- 6) A concentration of low-income families are black (non-Hispanic). This group represents 48% of all households with very low incomes.
- 7) For elderly and disabled renters the major needs are: additional rental assistance, increased availability of accessible rental units for all affordable ranges.

In summation: The most pressing housing needs for very low-income families in the AHC jurisdiction are:

Additional subsidized or below market rate affordable rental opportunities for household sizes with emphasis upon the elderly and large families.
