2. We feel the Community Service Requirement and Self-Sufficiency is going to be hard for most people are not going to like – We think that if this is something that we have to go by, there seems to be too many unfairly regulated exemptions – We realize there is nothing we can do about that.

Attachments

Use this section to provide any additional attachments referenced in the Plans.

A. Deconcentration

The Housing Authority will strive to create mixed-income communities and lessen the concentration of very-low income families within the Housing Authority's public housing developments through admissions policies designed to bring in higher income tenants into lower income developments and lower income tenants into higher income developments. This policy

shall not be construed to impose or require any specific income or racial quotas for any public housing development owned by the Housing Authority.

B. Statement of Progress for 5-Year Plan

Most of the goals and objectives are in line with what was proposed in the first submission of the Agency Plan. The Authority has done an excellent job of maintaining a drug free environment and promoting self-sufficiency opportunities for its residents. The few items listed below are those items where the Authority has identified potential problems or issues related to reaching their goals over the five-year period.

The BHA has not established a youth mentoring program to provide tutoring, leadership skills and “Big Brother-Big Sister” activities; this is being done through the Bremen School District.

A volunteer mentoring program has not yet been added to expand present youth programs.

Community collaboration is a large focus for assisting youth in the community; activities are coordinated with the Haralson Coalition on Children, Youth and Families.

C. Resident Membership of the PHA Governing Board

There is not a Resident on the Board of Commissioners. No interest was shown by any residents to be a part of the Board. Individual mailings were sent to each resident at the Authority. A notice was also placed in the PHA newsletter and no response was received. Residents were also phoned by the Executive Director who were looked upon as possible good candidates and no response was solicited from these residents either.

The next expiring term for a Board member is 02/02/2001.

The appointing official for the Board of Commissioners is Jimmy Camden who is also the Mayor of the City of Bremen.
