Unfortunately, we are unable to address the specific concerns expressed by the residents because we have been unable to obtain the detailed information from HUD.

The Housing Authority will strive to continue to improve the quality of service we provide and address the issues brought forth by the Advisory Board. The Authority shall achieve a level of customer satisfaction that gives the Agency the highest possible score in this element of the Public Housing Assessment System. This will be an on-going process.

**Safety**

**GOAL:** To address the concern of residents pertaining to safety and security outlined in the Resident Service and Satisfaction Survey; develop programs that focus on improving security.
