In addition to coordinating with DFACS, GHA collaborates with a variety of local service providers including, but not limited to:

### **Welfare Benefit Reductions**

GHA is complying with the QHWRRA as it relates to adjusting rent as a result of a reduction in welfare benefits. GHA's Admissions and Continued Occupancy Policy has been updated to include their policy for treating a reduction in benefits. The policy is as follows:

#### Treatment of Income Changes Resulting from Welfare Program Requirements

This section applies to families that receive benefits for welfare or public assistance from a state or other public agency under a program for which the federal, state, or local law relating to the program requires, as a condition of eligibility for assistance under the program, participation of a member of the family in an economic self-sufficiency program.

a. Decreases in Income for Failure to Comply

For families whose welfare or public assistance benefits are reduced because of failure of any family member to comply with the conditions under the assistance program requiring participation in an economic self-sufficiency program or imposing a work activities requirement, the amount required to be paid by the family as a monthly contribution toward rent shall not be decreased.

b. Fraud

For families whose welfare or public assistance benefits are reduced because of an act of fraud by member of the family under the law or program, the amount required to be paid by the family as a monthly contribution toward rent shall not be decreased, during the period of reduction, as a result of any decrease in income of the family, to the extent that the decrease was the result of benefit reduction due to fraud.

c. Reduction Based on Time Limit for Assistance

The amount required to be paid as a monthly contribution toward rent by a family whose welfare or public assistance benefits are reduced as a result of the expiration of a lifetime time limit for a family, and not as a result of failure to comply with program requirements, shall be decreased, during the period of reduction, as a result of any decrease in income of the family, to the extent that the decrease was the result of benefit reduction due to expiration of a lifetime time limit.

d. Notice

The Housing Authority shall obtain written notification from the relevant welfare or public assistance agency specifying that the family's benefits have been reduced and cause for reduction prior to redetermination of monthly contribution toward rent.

e. Grievance

Any family affected by sections 12.a and 12.b above shall have the right to review the determination through the Housing Authority's grievance procedure.

GHA will notify residents of the policy on admission and at their regular reexamination. GHA will continue to coordinate with DFACS to collect and verify information as it relates to welfare benefits and sanctions.

**Community Service and Work Requirement**

GHA's Community Service and Work Requirement Policy is as follows:

As a condition of continued occupancy each adult resident of the Housing Authority shall:

- a. Contribute eight hours per month of community service (not including political activities) within the community in which that adult resides; or
- b. Participate in an economic self-sufficiency program for eight hours per month.

Exemptions

Exemptions shall be made for any individual who:

- a. Is 62 years of age or older;
- b. Is a blind or disabled individual defined under section 216(i)(1) or 1614 of the Social Security Act (42 USC 416(i)(1); 1382c) and who is unable to comply with this section, or is a primary caretaker of such individual;
- c. Is engaged, or whose spouse, or parent/legal guardian is engaged in a work activity (as such term is defined in section 407(d) of the Social Security Act (42 USC 607(d), as in effect on and after July 1, 1997);
- d. Meets the requirements for being exempted from having to engage in a work activity under the state program funded under part A of title IV of the Social Security Act (42 USC 601 et seq.) or under any other welfare program of the state in which the public housing agency is located, including a state-administered welfare-to-work program; or

Is in a family receiving assistance under a state program funded under part A of title IV of the Social Security Act (42 USC 601 et seq.) or under any other welfare program of the state in which public housing agency is located, including a state administered welfare-to-work program, and has not been found by the state or other administering entity to be in noncompliance with such program.

## Annual Determinations

For each public housing resident, GHA shall, 30 days before the expiration of each lease term of the resident, review and determine the compliance of the resident with the requirements of this policy. Such determinations shall be made in accordance with the principles of due process and on a nondiscriminatory basis.

## Noncompliance

If GHA determines that the resident, subject to the requirements of this policy, has not complied shall notify the resident in writing of such noncompliance. The written notification shall state that the determination of noncompliance is subject to the administrative grievance procedure and that failure by the resident to enter into an agreement, before the expiration of the lease term, to cure any noncompliance by participating in an economic self-sufficiency program for, or contributing to community service, as many additional hours as the resident needs to comply in the aggregate with such requirement over the 12-month term of the lease, may be cause for lease termination.

GHA shall not renew or extend any lease, or provide any new lease, for a dwelling unit for any household that includes an adult member who has been determined to be in noncompliance with the requirements of this policy and has failed to attempt to cure the noncompliance.

## Location of the Community Service or Family Self-Sufficiency Program

GHA may provide a community service or an economic self-sufficiency program to meet the requirements of this policy, however, GHA shall not substitute participation in community service or an economic self-sufficiency program for work performed by an employee of GHA or supplant a job at any location at which community work requirements are fulfilled.

Program options include:

- ◆ Participation in GED classes
- ◆ Participation in ESL classes
- ◆ Volunteering at a Youth Program including Boy Scouts, Girl Scouts, Boys Club, Summer Programs, etc.

## **Required Attachment H : Resident Assessment and Satisfaction Survey Follow-Up Plan**

### **Overview**

The results of the Resident Service and Satisfaction Survey indicated that the Gainesville Housing Authority received a score of 74% under the Communications section, a 71.% under the Safety section, a 76.6% under the Services section, and a 67% under the Neighborhood Appearance section. As a result, the Authority is required to include this Resident Assessment Follow-Up Plan for any sections that received a score below 75%.

Our Authority is interested in addressing any real or perceived concerns that the residents may have regarding communication, safety, and neighborhood appearance. We will strive to make any necessary and appropriate improvements to our management operations and address all related issues.

### **Resident Survey**

In the absence of any specific information from HUD relating to the concerns expressed by the residents in the Survey, we determined that our best course of action was to discuss our goals pertaining to the scores we have received.

### **Communication**

- GOAL:** To provide quality customer service and improve the quality of communication to all residents.
- ACTION:** The Authority will strive to make communication a more effective tool for the Authority. The Authority will offer to have an authorized agency attend all Resident Council meetings to relay information and discuss issues. GHA staff will attempt to improve their communication skills and methods by clarifying forms, letters and postings..

### **Safety**

- GOAL:** To address the concern of residents pertaining to safety and security outlined in the Resident Service and Satisfaction Survey; develop programs that focus on improving security.
- ACTION:** Before a formal plan is developed, the Authority will try to determine the specific safety concerns of the residents by discussing issues with the residents. After these concerns are determined, then a plan of action will be developed. GHA staff will communicate to the residents current efforts being undertaken to reduce crime and improve safety. GHA will continue to coordinate with the local police department to enhance the Community Policing Program.

### **Neighborhood Appearance**

**GOAL:** To improve the overall neighborhood appearance.

**ACTION:** The Authority shall achieve proper curb appeal for its public housing developments by improving landscaping, keeping its grass cut, making properties litter free and other actions. This will be an on-going process.
