ATTACHMENT G

Subject: 24 CFR Voluntary Conversion of Developments from Public Housing  
Required Initial Assessment

In accordance with the above named subject, the Housing Authority of the City of Charlestown, Indiana hereby certifies a review of general occupancy developments operation as public housing has been made and:

- (1) Considered the implications of converting the public housing to tenant based assistance; and
- (2) Concluded that conversion of the development may be:
  - (i) Inappropriate because removal of the development would not meet the necessary conditions for voluntary conversion.

The Charlestown Housing Authority has concluded that it would be:

- (1) More expensive than continuing to operate the development (or portions of it) as public housing;
- (2) Would not benefit the residents of the public housing development to be converted and the community; and
- (3) Would adversely affect the availability of affordable housing in the community.

The Housing Authority of the  
City of Charlestown
