## **EXEMPTIONS**

The following adult family members of tenant families are exempt from this requirement.

- A. Family members who are 62 or older
- B. Family members who are blind or disabled
- C. Family members who are the primary care giver for someone who is blind or disabled

- F. Family members receiving assistance under a State program funded under part A title IV of the Social Security Act or under any other State welfare program, including welfare-to-work and who are in compliance with that program

## **NOTIFICATION OF THE REQUIREMENT**

The Housing Authority of Stanford shall identify all adult family members who are apparently not exempt from the community service requirement.

The Housing Authority of Stanford shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Housing Authority of Stanford shall verify such claims.

The notification will advise families that their community service obligation will

begin upon the effective date of their first annual reexamination on or after the new fiscal year. For family's paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

## **VOLUNTEER OPPORTUNITIES**

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self-sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The Housing Authority of Stanford will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

Together with the resident advisory councils, the Housing Authority of Stanford may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

## **THE PROCESS**

At the first annual reexamination on or after the new fiscal year, and each annual reexamination thereafter, the Housing Authority of Stanford will do the following:

- A. Provide a list of volunteer opportunities to the family members.
- B. Provide information about obtaining suitable volunteer positions.
- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
- D. Assign family members to a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The volunteer coordinator will track the

family member's progress monthly and will meet with the family member as needed to best encourage compliance.

- E. Thirty (30) days before the family's next lease anniversary date, the volunteer coordinator will advise the Housing Authority of Stanford whether each applicable adult family member is in compliance with the community service requirement.

### **NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT**

The Housing Authority of Stanford will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the grievance procedure; and
- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

### **OPPORTUNITY FOR CURE**

The Housing Authority of Stanford will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns goes toward the current commitment until the current year's commitment is made.

The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service by more than three (3) hours after three (3) months, the Housing Authority of Stanford shall take action to terminate the lease.

  - A. Each Head of Household may own up to two pets. If one of the pets is a dog or cat, (or other four-legged animal), the second pet must be contained in a cage or an aquarium for fish. Each bird or other animals, other than fish, shall be counted as one pet.
  - B. If the pet is a dog or cat, it must be neutered/spayed by the age of six (6) months, and cats must be declawed by the age of three (3) months. The evidence can be provided by a statement/bill from a veterinarian and/or staff of the humane society. The evidence must be provided prior to the execution of this agreement and/or within 10 days of the pet becoming of the age to be neutered/spayed or declawed. Tenant must provide waterproof and leak proof litter boxes for cat waste, which must be kept inside the dwelling unit. Cardboard boxes are not acceptable and will not be approved. The Tenant shall not permit refuse from litter boxes to accumulate nor to become unsightly or unsanitary. Also, the weight of a cat cannot exceed 10 pounds (fully grown) and a dog may not exceed 10 pounds in weight (fully grown). All other four-legged animals are limited to 10 pounds (fully grown). **NOTE: Any pet that is not fully-grown will be weighed every six months. Also any pet that exceeds the weight limit at any time during occupancy will not be an eligible pet and must be removed from HA property.**
  - C. If the pet is a bird, it shall be housed in a birdcage and cannot be let out of the cage at any time.
  - D. If the pet is a fish, the aquarium must be 20 gallons or less, and the container must be placed in a safe location in the unit. The Tenant is limited to one container for the fish; however, there is no limit on the number of fish that can be maintained in the container as long as the container is maintained in a safe and nonhazardous manner.
  - E. If the pet is a cat or dog, it must have received rabies and distemper inoculations or boosters, as applicable. Evidence of inoculations can be provided by a statement/bill from veterinarian or staff of the humane society and must be provided before the execution of this agreement.
  - F. All pets must be housed within the unit and no facilities can be constructed outside of the unit for any pet. No animal shall be permitted to be loose and if the pet is taken outside it must be taken outside on a leash and kept off other Tenant's lawns. Also, all pets must wear collars with identification at all times. Pets without a collar will be picked up immediately and transported to the Humane Society or other appropriate facility.
  - G. All authorized pet(s) must be under the control of an adult. An unleashed pet, or one tied

to a fixed object, is not considered to be under the control of an adult. Pets which are unleashed, or leashed and unattended, on HA property may be impounded and taken to the local Humane Society. It shall be the responsibility of the Tenant to reclaim the pet at the expense of the Tenant. Also, if a member of the HA staff has to take a pet to the Humane Society the Tenant will be charged \$50 to cover the expense of taking the pet(s) to the Humane Society.

- H. Pet(s) may not be left unattended for more than twenty-four consecutive hours. If it is reported to HA staff that a pet(s) has been left unattended for more than a twenty-four (24) consecutive hour period, HA staff may enter the unit and remove the pet and transfer the pet to the humane society. Any expense to remove and reclaim the pet from any facility will be the responsibility of the Tenant. In the case of an emergency, the HA will work with the resident to allow more than 24 hours for the resident to make accommodations for the pet.
  - I. Pet(s), as applicable, must be weighed by a veterinarian or staff of the humane society. A statement containing the weight of the pet must be provided to the HA prior to the execution of this agreement and upon request by the HA.
2. Responsible Pet Ownership: Each pet must be maintained responsibly and in accordance with this pet ownership lease addendum and in accordance with all applicable ordinances, state and local public health, animal control, and animal anti-cruelty laws and regulations governing pet ownership. Any waste generated by a pet must be properly and promptly disposed of by the tenant to avoid any unpleasant and unsanitary odor from being in the unit.
  3. Prohibited Animals: Animals or breeds of animals that are considered by the HA to be vicious and/or intimidating will not be allowed. Some examples of animals that have a reputation of a vicious nature are: reptiles, Rottweiler, Doberman Pinscher, Pit Bulldog, and/or any animal that displays vicious behavior. Also no Domestic Animals, wild animals, or stray animals will be allowed. This determination will be made by a HA representative prior to the execution of this lease addendum.
  4. Pet(s) shall not disturb, interfere or diminish the peaceful enjoyment of other tenants. The terms, "disturb, interfere or diminish" shall include but not be limited to barking, howling, chirping, biting, scratching and other like activities. This includes any pets that make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one-half hour or more and therefore disturbs any person at any time of the day or night. The Housing Manager will terminate this authorization if a pet disturbs other tenants under this section of the lease addendum. The Tenant will be given one week to make other arrangements for the care of the pet if the dwelling lease will be terminated.
  5. If the animal should become destructive, create a nuisance, represent a threat to the safety and security of other persons, or create a problem in the area of cleanliness and sanitation, the Housing Manager will notify the tenant, in writing, that the animal must be removed from the Public Housing Development, within 10 days of the date of the notice from the HA. The Tenant may request a hearing, which will be handled according to the HA's established grievance procedure. The pet may remain with the tenant during the hearing process unless the HA has determined that the pet may be a danger or threat to the safety and security of other persons. If this determination has been made by the HA, the pet must be immediately removed from the unit upon receipt of the notice from the HA.

6. The Tenant is solely responsible for cleaning up the waste of the pet within the dwelling and on the premises of the public housing development. If the pet is taken outside it must be on a leash at all times. If there is any visible waste by the pet it must be disposed of in a plastic bag, securely tied and placed in the garbage receptacle for their unit. If the HA staff is required to clean any waste left by a pet, the Tenant will be charged \$25 for the removal of the waste.
7. The Tenant shall have pets restrained so that maintenance can be performed in the apartment. The Tenant shall, whenever an inspection or maintenance is scheduled, either be at home or shall have all animals restrained or caged. If a maintenance person enters an apartment where an animal is not restrained, maintenance shall not be performed, and the Tenant shall be charged a fee of \$25.00. If this same situation again occurs, the pet shall be removed from the premises. Pets that are not caged or properly restrained may be impounded by animal control officers or by HA staff and taken to the local Humane Society. It shall be the responsibility of the Tenant to reclaim the pet at the expense of the Tenant. Also, if a member of the HA staff takes a pet to the Humane Society the Tenant will be charged an additional \$50 to cover the expense of taking the pet(s) to the Humane Society. The housing authority shall not be responsible if any animal escapes from the residence due to maintenance, inspections or other activities of the landlord.
8. Pets may not be bred or used for any commercial purposes.
