#### A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

#### C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

## (1) Strategies

## **Need:** Shortage of affordable housing for all eligible populations

There is a shortage of affordable housing, for all, but especially for the very low income. The area is predominately a student population that move in and out frequently, depending on the school schedule. The PHA does not have interest in the units from families, since the permanent residents of the city are mostly retired people. If it were not for the students, the PHA could not come close to keeping its units occupied, but the current income and rent requirements make it difficult to rent to students.

## Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

Employ effective maintenance and management policies to minimize the number of public housing units off-line

Reduce turnover time for vacated public housing units

Reduce time to renovate public housing units

	Seek replacement of public housing units lost to the inventory through mixed
	finance development
	Seek replacement of public housing units lost to the inventory through section
	8 replacement housing resources
$\boxtimes$	Maintain or increase section 8 lease-up rates by establishing payment standards
	that will enable families to rent throughout the jurisdiction
$\bowtie$	Undertake measures to ensure access to affordable housing among families
	assisted by the PHA, regardless of unit size required
	Maintain or increase section 8 lease-up rates by marketing the program to
	owners, particularly those outside of areas of minority and poverty
	concentration
	Maintain or increase section 8 lease-up rates by effectively screening Section 8
	applicants to increase owner acceptance of program
	Participate in the Consolidated Plan development process to ensure
	coordination with broader community strategies
	Other (list below)

## Strategy 2: Increase the number of affordable housing units by:

Select all that apply

Apply for additional section 8 units should they become available
Leverage affordable housing resources in the community through the creation
of mixed - finance housing

- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

## Need: Specific Family Types: Families at or below 30% of median

#### **Strategy 1: Target available assistance to families at or below 30 % of AMI** Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
  - Employ admissions preferences aimed at families with economic hardships
  - Adopt rent policies to support and encourage work
  - Other: (list below)

## Need: Specific Family Types: Families at or below 50% of median

#### **Strategy 1: Target available assistance to families at or below 50% of AMI** Select all that apply

Employ admissions preferences aimed at families who are working Adopt rent policies to support and encourage work Other: (list below)

## Need: Specific Family Types: The Elderly

#### **Strategy 1: Target available assistance to the elderly:** Select all that apply

Seek designation of public housing for the elderly Apply for special-purpose vouchers targeted to the elderly, should they become available

Other: (list below)

## Need: Specific Family Types: Families with Disabilities

#### **Strategy 1: Target available assistance to Families with Disabilities:** Select all that apply

- Seek designation of public housing for families with disabilities
   Carry out the modifications needed in public housing based on the section 504
   Needs Assessment for Public Housing
- Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- Affirmatively market to local non-profit agencies that assist families with disabilities
- Other: (list below)

## Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

## Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Select if applicable

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- Other: (list below)

#### **Strategy 2: Conduct activities to affirmatively further fair housing** Select all that apply

Counsel section 8 tenants as to location of units outside of areas of poverty or
minority concentration and assist them to locate those units

Market the section 8 program to owners outside of areas of poverty /minority concentrations

Other: (list below)

#### Other Housing Needs & Strategies: (list needs and strategies below)

#### (2) Reasons for Selecting Strategies

Of the factors listed below, select all that influenced the PHA's selection of the strategies it will pursue:

$\boxtimes$	Funding constraints
$\boxtimes$	Staffing constraints
	Limited availability of sites for assisted housing
	Extent to which particular housing needs are met by other organizations in the
	community
$\boxtimes$	Evidence of housing needs as demonstrated in the Consolidated Plan and other
	information available to the PHA
	Influence of the housing market on PHA programs
	Community priorities regarding housing assistance

# C. <u>Attachments</u>

Use this section to provide any additional attachments referenced in the Plans.

# Attachment A: Deconcentration Policy

In order to achieve deconcentration of poverty and income mixing, the Housing Authority shall offer incentives for eligible families having higher incomes to occupy dwelling units in predominantly lower-income projects or for eligible families having lower incomes to occupy predominantly higher-income projects. Any eligible family has the absolute discretion to accept or reject the incentive such that the Housing Authority will not take any adverse action toward that family should it choose to reject the incentive. Neither shall this policy interfere with the use of site-based waiting lists. Nevertheless, the Housing Authority shall, when able, skip over that family in order to reach another family and implement the policy, since this is not considered an adverse action.

# Attachment B: Implementation of Public Housing Resident Community Service Requirement

## General

For families to be eligible for continued occupancy, each adult family member must (1) contribute eight hours per month of community service (not including political activities), or (2) participate in an economic self-sufficiency program, or (3) perform eight hours per month of combined activities as previously described unless they are exempt from this requirement.

## Notification of the Requirements

The PHA shall identify all adult family members who are apparently not exempt from the community service requirement. The PHA shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The PHA shall verify such claims. The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after (insert fiscal year beginning after October 1, 2000). For families paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

## **Exemptions**

The following adult family members of tenant families are exempt from this requirement:

- A. Family members who are 62 or older.
- B. Family members who are blind or disabled as defined under 216(1)(1) or 1614 of the Social Security Act (42 U.S.C. 416(1)(1) and who certifies that because of this disability she or he is unable to comply with the community service requirements.
- C. Family members who are the primary care giver for someone who is blind or disabled as set forth in Paragraph B above.
- D. Family members engaged in work activity.
- *E.* Family members who are exempt from work activity under part A title *IV* of the Social Security Act or under any other State welfare program, including the welfare to-work program.
- F. Family members receiving assistance, benefits or services under a State program funded under part A title IV of the Social Security Act or under any other State welfare program, including welfare-to-work and who are in compliance with that program.

#### VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community. An economic self sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment). The PHA will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions. Together with the resident advisory councils, the PHA may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

## THE PROCESS

At the first annual reexamination on or after (insert fiscal year beginning after October 1, 2000), and each annual reexamination thereafter, the PHA will do the following:

- *A. Provide a list of volunteer opportunities to the family members.*
- *B. Provide information about obtaining suitable volunteer positions.*
- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
- D. Assign family members to a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in

meeting their responsibilities. The volunteer coordinator will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.

E. Thirty (30) days before the family's next lease anniversary date, the volunteer coordinator will advise the PHA whether each applicable adult family member is in compliance with the community service requirement.

#### Notification of Non-Compliance with the Community Service Requirement

The PHA will notify any family found to be in noncompliance of the following:

- *A.* The family member(s) has been determined to be in noncompliance;
- *B. That the determination is subject to the grievance procedure; and*
- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

#### **OPPORTUNITY FOR CURE**

The PHA will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns go toward the current commitment until the current year's commitment is made. The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis. If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service, the PHA shall take action to terminate the lease.

## Ban Against Replacement of Agency Employees

In implementing the service requirement, the PHA may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees, or replace a job at any location where residents perform activities to satisfy the service requirement.

# Attachment C: Pet Policy

#### **Exclusions**

This policy does not apply to animals that are used to assist persons with disabilities. Animals of assistance are allowed in all public housing facilities with no restrictions other than those imposed on all tenants to maintain their units and associated facilities in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors.

#### **Pets In Public Housing**

The PHA allows for pet ownership in its developments with the written pre-approval of the Housing Authority. Residents are responsible for any damage caused by their pets, including the cost of fumigating or cleaning their units. In exchange for this right, resident assumes full responsibility and liability for the pet and agrees to hold the PHA harmless from any claims caused by an action or inaction of the pet.

#### Approval

Residents must have the prior written approval of the Housing Authority before moving a pet into their unit. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request. Residents must give the Housing Authority a picture of the pet so it can be identified if it is running loose.

#### Types and Number of Pets

The PHA will allow only common household pets. This means only domesticated animals such as a dog, cat, bird, rodent (including a rabbit), fish in aquariums or a turtle will be allowed in units. Common household pets do not include reptiles (except turtles). If this definition conflicts with a state or local law or regulation, the state or local law or regulation shall govern.

All dogs and cats must be spayed or neutered before they become six months old. A licensed veterinarian must verify this fact.

Only 1 pet per unit will be allowed.

Any animal deemed to be potentially harmful to the health or safety of others, including attack or fight trained dogs, will not be allowed.

No animal may exceed 20 pounds in weight projected to full adult size.

Inoculations

In order to be registered, pets must be appropriately inoculated against rabies, distemper and other conditions prescribed by state and/or local ordinances. They must comply with all other state and local public health, animal control, and anti cruelty laws including any licensing requirements. A certification signed by a licensed veterinarian or state or local official shall be annually filed with the PHA to attest to the inoculations.

#### Pet Deposit

A pet deposit of **\$500.00** is required at the time of registering a pet. The deposit is refundable when the pet or the family vacates the unit, less any amounts owed due to damage beyond normal wear and tear. A separate deposit is required for each pet.

#### **Financial Obligation of Residents**

Any resident who owns or keeps a pet in their dwelling unit will be required to pay for any damages caused by the pet. Also, any pet-related insect infestation in the pet owner's unit will be the financial responsibility of the pet owner and the PHA reserves the right to exterminate and charge the resident.

#### Nuisance or Threat to Health or Safety

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas.

Repeated substantiated complaints by neighbors or PHA personnel regarding pets disturbing the peace of neighbors through noise, odor, animal waste, or other nuisance may result in the owner having to remove the pet or move him/herself.

Pets who make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one half hour or more to the disturbance of any person at any time of day or night shall be considered a nuisance.

## **Designation of Pet areas**

Pets must be kept in the owner's apartment or on a leash at all times when outside the unit (no outdoor cages may be constructed). Pets will be allowed only in designated areas on the grounds of the property if the PHA designates a pet area for the particular site. Pet owners must clean up after their pets and are responsible for disposing of pet waste.

With the exception of animals of assistance, no pets shall be allowed in the community room, community room kitchen, laundry rooms, public bathrooms, lobby, beauty shop, hallways or office in any of our sites.

To accommodate residents who have medically certified allergic or phobic reactions to dogs, cats, or other pets, those pets may be barred from certain wings (or floors) in our development(s)/(building(s)). This shall be implemented based on demand for this service.

#### Miscellaneous Rules

Pets may not be left unattended in a dwelling unit for over 24 hours. If the pet is left unattended and no arrangements have been made for its care, the HA will have the right to enter the premises and take the uncared for pet to be boarded at a local animal care facility at the total expense of the resident.

Pet bedding shall not be washed in any common laundry facilities.

Residents must take appropriate actions to protect their pets from fleas and ticks.

All dogs must wear a tag bearing the resident's name and phone number and the date of the latest rabies inoculation.

Pets cannot be kept, bred or used for any commercial purpose.

Residents owning cats shall maintain waterproof litter boxes for cat waste. Refuse from litter boxes shall not accumulate or become unsightly or unsanitary. Litter shall be disposed of in an appropriate manner.

A pet owner shall physically control or confine his/her pet during the times when Housing Authority employees, agents of the Housing Authority or others must enter the pet owner's apartment to conduct business, provide services, enforce lease terms, etc.

If a pet causes harm to any person, the pet's owner shall be required to permanently remove the pet from the Housing Authority's property within 24 hours of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

A pet owner who violated any other conditions of this policy may be required to remove his/her pet from the development within 10 days of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

The Housing Authority's grievance procedures shall be applicable to all individual grievances or disputes arising out of violations or alleged violations of this policy.

#### Visiting Pets

Pets that meet the size and type criteria outlined above may visit the projects/buildings where pets are allowed for up to two weeks without PHA approval. Tenants who have visiting pets must abide by the conditions of this policy regarding health, sanitation, nuisances, and peaceful enjoyment of others. If visiting pets violate this policy or cause the tenant to violate the lease, the tenant will be required to remove the visiting pet.

#### **Removal of Pets**

The PHA, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.

In the event of illness or death of pet owner, or in the case of an emergency which would prevent the pet owner from properly caring for the pet, the PHA has permission to call the emergency caregiver designated by the resident or the local Pet Law Enforcement Agency to take the pet and care for it until family or friends would claim the pet and assume responsibility for it. Any expenses incurred will by the responsibility of the pet owner.

The Grambling Housing Authority has leased fifteen (15%) percent more units this year than the previous year. The authority completed renovation of twenty (20%) percent of our three bedroom public housing units. Reduction in public housing vacancies will increase the management scores for the agency.

The Authority will continue to assist families in need of housing with decent and affordable housing. The renovation project will continue with the received from HUD in the Capital Fund Program.
