Goal Two:

Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

The Quality Housing and Work Responsibility Act of 1998 requires that housing authorities set forth in our Annual Plan a Needs Assessment of the housing needs of our jurisdiction and our waiting list. Also, we are required to state how we intend to address these needs.

Attached is the information contained in the Housing Needs Section of our Consolidated Plan. It shows there is a significant need for additional affordable housing resources in our community. Also, per the requirements, we have attached data and tables that provide an analysis of our waiting list.

The information and analysis was performed with the assistance of the Maine State Housing Authority. The Westbrook Housing Authority used this analysis to prepare our five-year goals and objectives. It reflects our priorities that we have set forth in our Mission Statement.

Finally, we are required to state how we intend to address our community's housing needs to the maximum extent practical. While we wish we could meet the needs that exist in our jurisdiction, we are not optimistic about achieving this objective. The problem is that we lack the resources to address our housing needs. Neither the Westbrook Housing Authority nor the Federal Government has the resources necessary to accomplish our objective. The only practical thing we can do is to apply for the grant opportunities made available by the U.S. Department of Housing and Urban Development over the course of the next year. Whenever possible we will respond to HUD NOFAs (Notices of Funding Availability) to increase the amount of affordable housing in Westbrook.

Progress Towards Westbrook Housing Authority's Goals

Westbrook Housing Authority has been working with the City of Westbrook to seek CDBG and Maine State Housing funding to implement a neighborhood revitalization area in the Brown Street neighborhood. This neighborhood has a high concentration of low-income families and substandard housing. It is our hope that with success in the grant process that the Westbrook Housing Authority will be able to purchase rehabilitate and resell single and small multifamily properties to low-income families and first time homebuyers.

Westbrook Housing is working with the City and private developers to purchase and redevelop the Old Westbrook High School building in the center of downtown Westbrook. It is our hope that with the use of Low-Income Housing Tax Credits and Historic Rehabilitation Tax Credits and private mortgage financing create up 32 units of affordable elderly housing.

Westbrook Housing Authority has purged it waiting lists in both Section 8 and Public Housing. Both lists are now open and we are encouraging local non-profit and low-income agencies to have their client apply for appropriate housing options. We have taken steps to assist people of other nationalities with the application process by having translator services available by phone and in person if needed.

WHA has attended several workshops and seminars on implementation of SEMAP and PHAS with the intent of improving our performance and scores in both areas. We continue to offer family self-sufficiency to all our Section 8 clients and have been aggressive in our out reach to those who are just be placed on our waiting list. Family self-sufficiency information has been distributed to social service agencies in hope that they will encourage participation in the program.

PET POLICY

INTRODUCTION

PHAs have discretion to decide whether or not to develop policies pertaining to the keeping of pets in public housing units. This Chapter explains the WHA's policies on the keeping of pets and any criteria or standards pertaining to the policy. The rules adopted are reasonably related to the legitimate interest of this WHA to provide a decent, safe and sanitary living environment for all tenants, to protecting and preserving the physical condition of the property, and the financial interest of the WHA.

The purpose of this policy is to establish the WHA's policy and procedures for ownership of pets in elderly and disabled units and to ensure that no applicant or resident is discriminated against regarding admission or continued occupancy because of ownership of pets. It also establishes reasonable rules governing the keeping of common household pets.

Nothing in this policy or the dwelling lease limits or impairs the right of persons with disabilities to own animals that are used to assist them.

ANIMALS THAT ASSIST PERSONS WITH DISABILITIES

Pet rules will not be applied to animals who assist persons with disabilities.

To be excluded from the pet policy, the resident/pet owner must certify:

That there is a person with disabilities in the household;

That the animal has been trained to assist with the specified disability

A. MANAGEMENT APPROVAL OF PETS

All pets must be approved in advance by the WHA management.

The pet owner must submit and enter into a Pet Agreement with the WHA.

Registration of Pets

Pets must be registered with the WHA before they are brought onto the premises. Registration includes certificate signed by a licensed veterinarian or State/local authority that the pet has received all inoculations required by State or local law, and that the pet has no communicable disease(s) and is pest-free.

Registration must be renewed and will be coordinated with the annual recertification date and proof of license and inoculation will be submitted at least 30 days prior to annual reexamination.

Dogs and cats must be spayed or neutered.

Execution of a Pet Agreement with the WHA stating that the tenant acknowledges complete responsibility for the care and cleaning of the pet will be required.

Refusal To Register Pets

The WHA may not refuse to register a pet based on the determination that the pet owner is financially unable to care for the pet. If the WHA refuses to register a pet, a written notification will be sent to the pet owner stating the reason for denial and shall be served in accordance with HUD Notice requirements.

The WHA will refuse to register a pet if:

The pet is not a *common household pet* as defined in this policy;

Keeping the pet would violate any House Pet Rules;

The pet owner fails to provide complete pet registration information, or fails to update the registration annually;

The WHA reasonably determines that the pet owner is unable to keep the pet in compliance with the pet rules and other lease obligations. The pet's temperament and behavior may be considered as a factor in determining the pet owner's ability to comply with provisions of the lease.

The notice of refusal may be combined with a notice of a pet violation.

A resident who cares for another resident's pet must notify the WHA and agree to abide by all of the pet rules in writing.

B. STANDARDS FOR PETS

Pet rules will not be applied to animals who assist persons with disabilities.

Persons With Disabilities

To be excluded from the pet policy, the resident/pet owner must certify:

That there is a person with disabilities in the household;

That the animal has been trained to assist with the specified disability; and

That the animal actually assists the person with the disability.
