A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

Attachment 1: Progress in Meeting Mission and Goals

Ms. Doreen Pederson U.S. Department of Housing and Urban Development 10 S. Howard Street, 5th Floor Baltimore, MD 21202-1865

Dear Ms. Pederson:

Please accept this letter as an attachment to our PHA Plan for fiscal year 2001 to summarize our progress in meeting our mission and goals outlined in our Five year Plan.

We are striving to meet the mission to promote adequate and affordable housing, economic opportunity, and a suitable living environment free from discrimination.

Goal One was to expand the supply of assisted housing, by applying for additional rental vouchers. We have not pursued this goal. Our leasing rate was below where it should be, so we have concentrated our efforts on increasing the leasing rate. The low leasing rate prevents us from applying for new funding. We have determined that the current waiting list is enough to cover turnovers only, making program expansion unwise.

Goal Two was to improve the SEMAP score. Again, our only problems have been in the leasing rate, which we have vigorously pursued improving throughout the fiscal year. We have been successful in our efforts.

Goal Three was to increase assisted housing choices by outreach efforts to landlords, increase voucher payment standards, and implementation of a home ownership program. We have greatly increased the number of participating landlords, increased the payment standard, and implemented a home ownership program. The home ownership program, however, is hindered by the lack of affordable housing for sale in this area.

Goal Four was to provide an improved living environment through working with the local government to implement a rental housing code enforcement strategy. This has been hampered by the code official's reluctance to share information with the PHA.

Goal Five was to promote self-sufficiency by attracting supportive services to improve employability and to increase independence for the elderly or families with disabilities. Our FSS program has remained strong and resourceful.

Goal Six to ensure equal opportunity for all Americans. We have entered several partnerships to help further fair housing opportunities.

Sincerely,

Karen K. Blandford Manager, Housing and Community Development
