UPDATE & PROGRESS STATEMENT FOR FISCAL YEAR 2001
[24 CFR Part 903.5]

A. Mission

- The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.
- The PHA's mission is: (state mission here)

B. Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, **PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.

- PHA Goal: Expand the supply of assisted housing
Objectives:
- Apply for additional rental vouchers:
- Reduce public housing vacancies: to 2% or less

The Authority's only HUD funded development is currently undergoing a major modernization effort. This work involves asbestos abatement and the replacement of the domestic hot and cold water piping system and required vacating half the building. A construction contract for the first phase of this work was executed in September 2000. The Authority will be unable to achieve this goal until the second phase of this modernization work is complete in early 2002.

- Leverage private or other public funds to create additional housing opportunities:
- Acquire or build units or developments

Other (list below)

PHA Goal: Improve the quality of assisted housing

Objectives:

Improve public housing management: (PHAS score) 90% or higher

The Authority is currently working with the Trouble Agency Recovery Center on the achievement of this goal. The Authority will be a Standard Performer with the close of the FY 2000 and should achieve High Performer Status (90% or higher) by the end of FY 2002

Improve voucher management: (SEMAP score) 90% or higher

The Authority is currently a standard SEMAP performer. Program utilization is currently preventing the Authority from achieving high performer (90% or higher). The major impediments to full program utilization are the payment standard. The Authority is currently in the process of increasing its payment standard to improve program utilization.

Increase customer satisfaction:

Concentrate on efforts to improve specific management functions:
(list; e.g., public housing finance; voucher unit inspections)

Renovate or modernize public housing units:

Demolish or dispose of obsolete public housing:

Provide replacement public housing:

Provide replacement vouchers:

Other: (list below)

PHA Goal: Increase assisted housing choices

Objectives:

Provide voucher mobility counseling:

The Authority is currently providing program participants on the voucher mobility during initial briefing sessions for all new program participants. In addition, it is available to all existing program participants who have expressed an interest in moving.

Conduct outreach efforts to potential voucher landlords

The Authority has developed plans for renewed outreach to potential voucher landlords that will be adopted after implementation of the new payment standard in early 2001.

- Increase voucher payment standards
- Implement voucher homeownership program:
- Implement public housing or other homeownership programs:
- Implement public housing site-based waiting lists:
- Convert public housing to vouchers:
- Other: (list below)

HUD Strategic Goal: Improve community quality of life and economic vitality

- PHA Goal: Provide an improved living environment

Objectives:

- Implement measures to deconcentrate poverty by bringing higher income public housing households into lower income developments:
- Implement measures to promote income mixing in public housing by assuring access for lower income families into higher income developments:
- Implement public housing security improvements:

The exterior public spaces at Groop/Townview Tower will be fenced in as part of Phase II of the modernization effort at this property in late 2001.

- Designate developments or buildings for particular resident groups (elderly, persons with disabilities)
- Other: (list below)

HUD Strategic Goal: Promote self-sufficiency and asset development of families and individuals

- PHA Goal: Promote self-sufficiency and asset development of assisted households

Objectives:

- Increase the number and percentage of employed persons in assisted families:
- Provide or attract supportive services to improve assistance recipients' employability:
- Provide or attract supportive services to increase independence for the elderly or families with disabilities.

In June 2000, the Authority created a new Resident Service Coordinator position funded in part with Public Housing Operating Budget funds. This

person has been very effective in maximizing resident receipt of services and active participation in the community.

Other: (list below)

HUD Strategic Goal: Ensure Equal Opportunity in Housing for all Americans

PHA Goal: Ensure equal opportunity and affirmatively further fair housing

Objectives:

Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion national origin, sex, familial status, and disability:

The Authority is currently developing its affirmative measures and hopes to implement them before the close of FY 2001.

Undertake affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion national origin, sex, familial status, and disability:

1. Statement of Housing Needs

[24 CFR Part 903.7 9 (a)]

A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

B. Housing Needs of Families on the Public Housing and Section 8 Tenant- Based Assistance Waiting Lists

State the housing needs of the families on the PHA’s waiting list/s. **Complete one table for each type of PHA-wide waiting list administered by the PHA.** PHAs may provide separate tables for site-based or sub-jurisdictional public housing waiting lists at their option.

Special Note: There is only one elderly/disabled building covered by the FHA's HUD funded Public Housing Waiting List. This building is about to undergo a major renovation, including asbestos abatement, that requires resident relocation and vacating one half of the building. The Authority currently has a moratorium on placing new applicants from outside the building. Because of this moratorium, applicants are electing to not apply for housing in this building. This waiting list information therefore does not accurately reflect the need for elderly and family public housing.

Based on information from the Authority's State-funded housing programs, it appears the demand for elderly housing is low while the demand for family housing remains high.

Attachments

Use this section to provide any additional attachments referenced in the Plans.

Attachment A – Admission Policy on Deconcentration

The Fitchburg Housing Authority only has one HUD funded property, a 99-unit elderly/disabled high-rise. All the apartments are one-bedroom units. There is currently a moratorium on the placement of new households in this building because of asbestos abatement effort that requires one half of the building to be vacant.

All of the households are very low income. Because we are unable to place any new households at this time, the Authority has not developed an Admissions Policy for Deconcentration. Prior to beginning the full re-occupancy of this property, we will develop and implement a policy for the deconcentration of poverty in this building

Attachment B – Implementation of Public Housing Resident Community Service Requirements

The Fitchburg Housing Authority only HUD funded property is a 99-unit elderly/disabled high-rise. All occupants are either elderly or persons with disabilities and exempt from the resident community service requirements. Because of this lack of residents who are required to participate, the Authority has not developed a policy on the administration of community service requirements.

Attachment C – Pet Policy

The Authority has no HUD funded, general occupancy (family) developments that would require the development of a new pet policy for this population. The Authority has included a copy of its current pet policy as a supporting document to this PHA Plan.

Our current pet policy establishes a resident's right to have pet and outlines reasonable limitations on the size, necessary inoculations, and the designation of an alternate pet caretaker. The policy is enforced with the assistance of a pet committee consisting of a member of the local pet care community, a resident pet owner, and a resident non-pet owner.

Attachment D – Resident Membership on the PHA Governing Board

The current resident member on the Authority's governing board is Mrs. Claire Guenette. Fitchburg's Mayor appointed her in June 1999 to fill a five-year term that expires the last day of April 2004.

Attachment E – Membership of Resident Advisory Board

The current membership of the Resident Advisory Board is as follows: Rachael Bouchard, Doris Graham, Donald Leathers, Michael Legros, and Paul St. Jean.
