ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Kearney Housing Authority has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

We have adopted the mission statement, goals and objectives listed above to guide the activities of the Kearney Housing Authority.

Kearney Housing Authority's Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive

approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:

- ◆ We have adopted three local preferences --applicants who are displaced by disaster and/or government action, victims of domestic abuse and violence, and applicants who are working or in an employment-training program.
- ◆ We have adopted an aggressive screening policy for public housing to ensure to the best of our ability that new admissions will be good neighbors. In our Section 8 program, we are screening applicants to the fullest extent allowable while not taking away the ultimate responsibility from the landlord. Our screening practices will meet all fair housing requirements.
- ◆ Applicants will be selected from the waiting list by preference and in order of the date and time they applied.
- ◆ We have established flat rents for the public housing programs.
- ◆ To encourage work, participants who have an increase in income, will not be required report this wage increase for an interim recertification. The increase will be reported at the next regular annual recertification. Income exclusions for eligible participants will be implemented.
- ◆ KHA will utilize 110% of the published FMR as the payment standard for the Section 8 program.

In summary, we are on course to improve the condition of affordable housing in the Kearney community and serve economic distressed families as they move to self-sufficiency.

C. Strategy for Addressing Needs

Provide a brief description of the PHA’s strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency’s reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

- Reduce turnover time for vacated public housing units. "See the Above Comments"
- Reduce time to renovate public housing units "Ditto above"
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program

A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

NEEDS: KHA families cannot afford participation fees for: Kearney Park and Rec Programs, YMCA Programs, Community Youth Programs and summer passes for the Swimming Pool. KHA will also encourage enrollment in UNK Summer Youth Program.

OBJECTIVE: The objective is to give our children opportunities to build self-esteem; for drug education; positive role models and provide alternate activities other than being on the street, creating neighborhood problems

EVALUATION: Safer and drug-free KHA property and neighborhoods, less neighbor complaints, less police calls, and fewer children at risk.
