ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Keene Housing Authority has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

We have adopted the following mission statement to guide the activities of the Keene Housing Authority.

The mission of the Keene Housing Authority is, directly or in collaboration with others, to provide and/or advocate for:

- decent, safe and affordable housing for individuals, families, elderly and disabled persons of low and moderate income within the Monadnock Region;*

and; to provide and/or advocate for

- any and all services and programs that will assist in improving the social and economic welfare of such individuals and families.*

In order to carry out our mission, the Keene Housing Authority will be utilizing Federal, State, and private funding to provide, maintain, and develop affordable housing in the region. In addition, we will be utilizing resources from those same sources to coordinate and provide services to those that now or in the future live in our housing, or utilize our housing subsidies. The Keene Housing Authority does not use any local tax dollars to provide this housing or provide these services. In fact, the KHA is one of the highest real estate tax paying entities in the area, with almost \$250,000 a year in property taxes being paid to Keene alone.

A very special opportunity that the KHA will be accomplishing this year, is the inauguration and administration of the SPECTRUM Housing Program, authorized by the U.S. Department of Housing and Urban Development's "Moving To Work" demonstration program. The Affordable Housing Act of 1996 authorized a special demonstration project competition to allow local housing authorities to develop and carry out housing subsidy and public housing programs designed to remove the long standing dis-incentives inherent in the welfare and public housing systems. The Keene Housing Authority was one of 21 such local housing authorities that were selected for this unique opportunity, and will be instituting this innovative and completely different plan for Public Housing and Section 8 recipients that will support and reward family efforts towards self-sufficiency.

This program, called SPECTRUM Housing Program, includes changes in the way rents are calculated, greatly increases the support that families receive, and vastly changes the availability and coordination of job skills workshops, family skills training, homeownership opportunities, and other activities. This program is outlined in the special section of this AGENCY PLAN, and will supercede the other, more traditional rules and regulations that other housing authorities and program participants must adhere to. We anticipate that this program will result in a larger percentage of our served population achieving self-sufficiency, and result in more of our local population that had been just utilizing human services resources becoming more productive members of our community.

Also in this plan is our Capital Improvement Plan, which specifies the projects and activities that we have planned for this coming year utilizing the funds we receive for Rehabilitation and upgrading of our properties. Even though funding from HUD has been cut dramatically in the past few years, we are making great strides in having our properties become safe, attractive and affordable places to live.

Keene Housing Authority

Definition of "substantial deviation" and "significant amendment or modification."

Substantial deviations or significant amendments or modifications are defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the mission, goals, objectives, or plans of the agency and which require formal approval of the Board of Commissioners.

Originally Added to Agency Plan November 15, 1999

*Keene Housing Authority
Deconcentration Policy*

Adopted 6/15/99

The Keene Housing Authority, after analyzing Census data for the City of Keene, has applied that analysis to the public housing developments owned and operated by the KHA. Due to the fact that there is but a single census tract for the City of Keene, and due to the small size of the KHA public housing family developments, (each of which is less than 50 units):

THEREF ORE:

The Board of Commissioners for the Keene Housing Authority determines that there is no need for a Deconcentration Plan for KHA operations.
